

People Of Walmart

Sally Lee

People of Walmart Andrew Kipple,Adam Kipple,Luke Wherry,2010-09-01 Tons of - New Photos! Bad Decisions! WTF Moments! Plus - Fan Stories! Celebrities! Goats! As Americans, we hold these truths to be self-evident: We will shop. And when we do, especially at our favorite supercenter, we will wear and do the most bizarre things possible. From the wildly popular website PeopleofWalmart.com, this photo collection of Americans in their natural shopping habitat (70 percent of which is brand new and never before included on the website) presents people of all shapes and sizes wearing and doing everything imaginable in full view of their fellow shopping public. Plus, for the first time brand-new fan-submitted stories offer the most random experiences you can imagine! So welcome to a world where no shoes and no shirt are no obstacles, where parking lots are filled with dead deer, Bengal tigers, and old men in thongs riding bikes. Once you meet the People of Walmart, you are sure to fall in love.

The People's Republic of Walmart Leigh Phillips,Michal Rozworski,2019-03-05 Since the demise of the USSR, the mantle of the largest planned economies in the world has been taken up by the likes of Walmart, Amazon and other multinational corporations For the left and the right, major multinational companies are held up as the ultimate expressions of free-market capitalism. Their remarkable success appears to vindicate the old idea that modern society is too complex to be subjected to a plan. And yet, as Leigh Phillips and Michal Rozworski argue, much of the economy of the West is centrally planned at present. Not only is planning on vast scales possible, we already have it and it works. The real question is whether planning can be democratic. Can it be transformed to work for us? An engaging, polemical romp through economic theory, computational complexity, and the history of planning, The People's Republic of Walmart revives the conversation about how society can extend democratic decision-making to all economic matters. With the advances in information technology in recent decades and the emergence of globe-straddling collective enterprises, democratic planning in the interest of all humanity is more important and closer to attainment than ever before.

People of Walmart: State of Emergency Andrew Kipple,Adam Kipple,Luke Wherry,2015-04-01 Take Cover—People of Walmart has issued an official state of emergency! Fortunately for you, all the survival gear you need is conveniently located at your favorite local supercenter, where these crazy, cringe-worthy shoppers are letting their freak flags fly high than ever. In this brand new collection from the wildly popular website, PeopleofWalmart.com, discover how the colorful characters in your home state match up against oddballs across the country. Featuring hilarious new fan photos, bizarre state trivia, fun facts, and more—from the proudly pants-less in Alabama to the triumphant return of the mullet in Massachusetts—find out who will take the prize in the ultimate fight for Walmart supremacy!

I Ain't Doin' It Heather Land,2020-02-04 Social media comedian and southern sweetheart Heather Land delivers her hilarious and unfiltered wisdom on the frustrating everyday moments that drive us crazy. Heather Land has something to say about almost everything in life—the unbelievable, inconceivable, and downright frustrating—and why she “ain’t doin’ it.” Now, Heather shines a light on the (occasional) ridiculousness of life through a series of hilarious essays, dishing on everything from Walmart and ex-husbands to Southern beauty pageants and unfortunate trips to the gynecologist. I Ain’t Doin’ It reminds us that when it comes to life’s messy moments, it’s all about perspective—and that we too can say, I ain’t doin’ it! Perfect for fans of Jim Gaffigan, Anjelah Johnson, and Brian Regan, I Ain’t Doin’ It is a fun, breezy read for anyone who appreciates someone who tells it like it is and wants to embrace the lighter side of life.

People of Walmart Karen Robson,Leyland F. Pitt,2018 This case explores the controversial viral website, peopleofwalmart.com, launched by Adam Kipple, Andrew Kipple, and Luke Wherry that mocks Walmart's shoppers and creates an online community for people who share similar senses of humor: The case illustrates how electronic word-of-mouth can take a controversial idea and skyrocket it into a viral website, however, not everybody appreciated the comedy or believed that exploiting people for cheap laughs was acceptable, particularly in those cases where people had been photographed without permission. In spite of this, the three founders created a successful, money-making platform. Issues regarding the future of the website, including: whether there is room for growth; whether it is ethical to make fun of overweight and badly dressed people; and, beyond that, whether it is ethical to make money out of making fun of people will be dealt with in this case. In addition, the case prompts students to think about the impact that the controversial website has on Walmart itself and encourages students to consider issues related to social media, ethics, and cyberbullying.

People of Walmart. com Adult Coloring Book Dirty Santa Edition Kipple,2019-10-31

The United States of Wal-Mart John Dicker,2005-06-16 An irreverent, hard-hitting examination of the world's largest-and most reviled-corporation, which reveals that while Wal-Mart's dominance may be providing consumers with cheap goods and plentiful jobs, it may also be breeding a culture of discontent. It employs one of every 115 American workers. If it were a nation-state, it would be one of the world's top twenty economies. With yearly sales of nearly \$260 billion and an average way of \$8 an hour, Wal-Mart represents an unprecedented-and perhaps unstoppable-force in capitalism. And there have been few corporations that have evoked the same levels of reverence and ire. The United States of Wal-Mart is a hard-hitting examination of how Sam Walton's empire has infiltrated not just the geography of America but also its consciousness. Peeling away layers of propaganda and politics, investigative journalist John Dicker reveals an American (and, increasingly, a global) story that has no clear-cut villains or heroes-one that could be the confused, complicated story of America itself. Pitched battles between economic progress and quality of life,

between the preservation of regional identity and national homogeneity, and between low prices and the dignity of the American worker are beginning to coalesce into an all-out war to define our modern era. And, Dicker argues, Wal-Mart is winning. Revealing that the company's business practices have been shaping American culture, including the nation's social, political, and industrial policy, The United States of Wal-Mart provides fresh insight into a controversy that isn't going away.

People of Walmart Walmars Walmars editor,2019-11-27 This funny coloring book is a great gift for your friends, family and anyone you want to make laugh. The Wal-Mart Effect Charles Fishman,2006 An award-winning journalist breaks through the wall of secrecy to reveal how the world's most powerful company really works and how it is transforming the American economy.

Working for Respect Adam Reich,Peter Bearman,2018-07-24 Walmart is the largest employer in the world. It encompasses nearly 1 percent of the entire American workforce—young adults, parents, formerly incarcerated people, retirees. Walmart also presents one possible future of work—Walmartism—in which the arbitrary authority of managers mixes with a hyperrationalized, centrally controlled bureaucracy in ways that curtail workers' ability to control their working conditions and their lives. In *Working for Respect*, Adam Reich and Peter Bearman examine how workers make sense of their jobs at places like Walmart in order to consider the nature of contemporary low-wage work, as well as the obstacles and opportunities such workplaces present as sites of struggle for social and economic justice. They describe the life experiences that lead workers to Walmart and analyze the dynamics of the shop floor. As a part of the project, Reich and Bearman matched student activists with a nascent association of current and former Walmart associates: the Organization United for Respect at Walmart (OUR Walmart). They follow the efforts of this new partnership, considering the formation of collective identity and the relationship between social ties and social change. They show why traditional unions have been unable to organize service-sector workers in places like Walmart and offer provocative suggestions for new strategies and directions. Drawing on a wide array of methods, including participant-observation, oral history, big data, and the analysis of social networks, *Working for Respect* is a sophisticated reconsideration of the modern workplace that makes important contributions to debates on labor and inequality and the centrality of the experience of work in a fair economy.

Sam Walton Sally Lee,2007-07-01 A biography of Wal-Mart founder Sam Walton, whose idea that he would get the best deals he could on merchandise and pass those savings on to the customer led to his becoming the richest man in America.

The World of Wal-Mart Nick Copeland,Christine Labuski,2013-01-04 This book demonstrates the usefulness of anthropological concepts by taking a critical look at Wal-Mart and the American Dream. Rather than singling Wal-Mart out for criticism, the authors treat it as a product of a socio-political order that it also helps to shape. The book attributes Wal-Mart's success to the failure of American (and global) society to make the Dream available to everyone. It shows how decades of neoliberal economic policies have exposed contradictions at the heart of the Dream, creating an opening for Wal-Mart. The company's success has generated a host of negative externalities, however, fueling popular ambivalence and organized opposition. The book also describes the strategies that Wal-Mart uses to maintain legitimacy, fend off unions, enter new markets, and cultivate an aura of benevolence and ordinariness, despite these externalities. It focuses on Wal-Mart's efforts to forge symbolic and affective inclusion, and their self-promotion as a free market solution to social problems of poverty, inequality, and environmental destruction. Finally, the book contrasts the conceptions of freedom and human rights that underlie Wal-Mart's business model to the alternative visions of freedom forwarded by their critics.

Sam Walton Sam Walton,2012-09-12 Meet a genuine American folk hero cut from the homespun cloth of America's heartland: Sam Walton, who parlayed a single dime store in a hardscrabble cotton town into Wal-Mart, the largest retailer in the world. The undisputed merchant king of the late twentieth century, Sam never lost the common touch. Here, finally, inimitable words. Genuinely modest, but always sure of his ambitions and achievements. Sam shares his thinking in a candid, straight-from-the-shoulder style. In a story rich with anecdotes and the rules of the road of both Main Street and Wall Street, Sam Walton chronicles the inspiration, heart, and optimism that propelled him to lasso the American Dream.

To Serve God and Wal-Mart Bethany Moreton,2010-09-07 In the decades after World War II, evangelical Christianity nourished America's devotion to free markets, free trade, and free enterprise. The history of Wal-Mart uncovers a complex network that united Sun Belt entrepreneurs, evangelical employees, Christian business students, overseas missionaries, and free-market activists. Through the stories of people linked by the world's largest corporation, Bethany Moreton shows how a Christian service ethos powered capitalism at home and abroad. While industrial America was built by and for the urban North, rural Southerners comprised much of the labor, management, and consumers in the postwar service sector that raised the Sun Belt to national influence. These newcomers to the economic stage put down the plough to take up the bar-code scanner without ever passing through the assembly line. Industrial culture had been urban, modernist, sometimes radical, often Catholic and Jewish, and self-consciously international. Post-industrial culture, in contrast, spoke of Jesus with a drawl and of unions with a sneer, sang about Momma and the flag, and preached salvation in this world and the next. This extraordinary biography of Wal-Mart's world shows how a Christian pro-business movement grew from the bottom up as well as the top down, bolstering an economic vision that sanctifies corporate globalization. The author has assigned her royalties and subsidiary earnings to Interfaith Worker Justice (www.iwj.org) and its local affiliate in Athens, GA, the Economic Justice Coalition (www.econjustice.org).

Where the Heart Is Billie Letts,2001-04-15 Talk about unlucky sevens. An hour ago, seventeen-year-old, seven months pregnant Novalee Nation was heading for California with her boyfriend. Now she finds herself stranded at a Wal-Mart in Sequoyah, Oklahoma, with just \$7.77 in change. But Novalee is about to discover hidden treasures in this small Southwest town--a group of down-to-earth, deeply caring people willing to help a homeless, jobless girl living secretly in a Wal-Mart. From Bible-thumping blue-haired Sister Thelma Husband to eccentric librarian Forney Hull who loves Novalee more than she loves herself, they are about to take her--and you, too--on a moving, funny, and unforgettable journey to . . . Where the Heart Is.

People Of Walmart Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free People Of Walmart PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more

people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free People Of Walmart PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of People Of Walmart free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
