

# Perfect Behavior

Donald Ogden Stewart

**Perfect Behavior** Donald Ogden Stewart, 2022-09-01 First published in 1922, this parody of etiquette and social mores makes fun of the pitfalls of courtship, engagement, and marriage, as well as such social settings as dinner parties, sporting events, and the theater. With satirical Jazz-era illustrations by Ralph Barton, known at the time for his caricatures of actors and other celebrities, the book's humor holds up remarkably well today, with such crises as how to deal with a screaming baby in a crowded, confined space or how to write a proper love letter to one's fiancée. With Marx Brothers-like literary slapstick, *Perfect Behavior* is the perfect impulse gift for anyone who enjoys a good laugh over everyday social foibles.

made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Best Behavior Wendy Francis, 2020-05-05 A divorced mother and almost empty-nester navigates her twins' graduation weekend with her ex and his second wife in this warm and witty family drama. Meredith Parker has made the journey to Bolton, her twins' college, dozens of times. This weekend, though, is different. Dawn and Cody are about to graduate and move away to separate corners of the country. Meredith is proud of her kids, and she's proud of herself for helping them get this far. She just never expected the tidal wave of emotions sweeping over her—or the tangled family dynamics complicating everything. Meredith doesn't miss her cheating ex, Roger, one bit, but sitting across from his very young, very gorgeous second wife threatens to unravel the graceful facade she's trying so hard to maintain. Joel, Meredith's husband, can see she's feeling the first pangs of empty-nest syndrome and wants to soften the blow—but he's distracted by a familiar face. Meanwhile, Cody and Dawn are sitting on their own secrets, and Roger's new wife, Lily, wonders if she really wants to be a part of this wild, mixed-up family. As tensions simmer with each passing appetizer tray, Meredith's vision of the perfect weekend goes up in flames. But before the party's over, as best behavior gives way to brutal honesty, there'll be a chance for this new blended family to truly come together—in all its messy and glorious

imperfection. Praise for Best Behavior A Lee Woodruff "Book Marks" Pick A Liz and Lisa Best Book of May A Zibby Owens Recommended Summer Read "You can be sure you're in for some very juicy BAD behavior—and Wendy Francis doesn't disappoint. With warmth and humor, Best Behavior delivers a delicious family drama; look no further for your perfect poolside read!" –Jamie Brenner, bestselling author of The Forever Summer "Francis writes with grace, depth and humor about complex family dynamics and the joy and heartache of watching young adults spread their wings and fly from the nest." –Meg Mitchell Moore, author of The Islanders "Wendy Francis captures all the joy and pain of being an (almost) empty-nester in her latest novel . . . . A terrific summer read." –Amy Poeppel, author of Small Admissions

**Best Behavior** Patricia Hegarty, 2020 Throughout the day, a group of animals learn to be kind, considerate, and caring.

Behave Robert M. Sapolsky, 2018-05-01 New York Times bestseller • Winner of the Los Angeles Times Book Prize • One of the Washington Post's 10 Best Books of the Year "It's no exaggeration to say that Behave is one of the best nonfiction books I've ever read." –David P. Barash, The Wall Street Journal It has my vote for science book of the year." –Parul Sehgal, The New York Times Immensely readable, often hilarious...Hands-down one of the best books I've read in years. I loved it. –Dina Temple-Raston, The Washington Post From the bestselling author of A Primate's Memoir and the forthcoming Determined: A Science of Life Without Free Will comes a landmark, genre-defining

examination of human behavior and an answer to the question: Why do we do the things we do? Behave is one of the most dazzling tours d'horizon of the science of human behavior ever attempted. Moving across a range of disciplines, Sapolsky—a neuroscientist and primatologist—uncovers the hidden story of our actions. Undertaking some of our thorniest questions relating to tribalism and xenophobia, hierarchy and competition, and war and peace, Behave is a towering achievement—a majestic synthesis of cutting-edge research and a heroic exploration of why we ultimately do the things we do . . . for good and for ill.

*Perfect Behavior* Donald Stewart, 2016-11-09 Perfect Behavior is a classic lighthearted parody of social etiquette manuals; its chapters demonstrate plenty of ways not to behave in or toward polite company. First published in 1922, Perfect Behavior was conceived by author Donald Ogden Stewart as a response to the frequent publication of guides on etiquette and conduct. Determined to produce a comprehensive send-up of these ceaseless manuals, Ralph Stewart paired with illustrator Ralph Barton and created this book. This edition of Perfect Behavior contains all of Ralph Barton's thirty-plus original illustrations, lending the text a further layer of humor. Various social crises we are instructed on coping with include music concerts, weddings and engagements, and the sensitive matter of inviting guests to an event. An aspect of social history is present too: 'dry agents', a colloquial term for those policing the USA's prohibition of alcohol, receive their own

chapter. The author would go on to write some of the greatest comedies in Hollywood's Golden Era, infusing sophistication and wit into his screenplays and characters. This book, published when Stewart was a young man of twenty-eight, underlined his promise in the nascent world of popular humor writing.

Bad Behavior Mary Gaitskill, 2012-03-13 National Book Award finalist Mary Gaitskill's debut collection, *Bad Behavior*—powerful stories about dislocation, longing, and desire which depict a disenchanted and rebellious urban fringe generation that is searching for human connection. Now a classic, *Bad Behavior* made critical waves when it first published, heralding Gaitskill's arrival on the literary scene and her establishment as one of the sharpest, erotically charged, and audaciously funny writing talents of contemporary literature. Michiko Kakutani of *The New York Times* called it "Pinteresque," saying, "Ms. Gaitskill writes with such authority, such radar-perfect detail, that she is able to make even the most extreme situations seem real...her reportorial candor, uncompromised by sentimentality or voyeuristic charm...underscores the strength of her debut."

*The Perfect Puppy* Benjamin L. Hart, 1998

Dear Miss Perfect Sandra Dutton, 2007 An etiquette expert answers animal readers' questions about common concerns such as getting along with parents, giving an oral report, and the importance of writing thank-you notes, as well as more unusual ones, including how to avoid being eaten by one's parents.

*Perfect Behavior* Donald Ogden Stewart, 2011-12-05 Humor

**Perfect Behavior** Donald Ogden Stewart, 1922

**On Our Best Behavior** Elise Loehnen, 2023-05-23 NEW YORK TIMES BESTSELLER • A groundbreaking exploration of the ancient rules women unwittingly follow in order to be considered “good,” revealing how the Seven Deadly Sins still control and distort our lives and illuminating a path toward a more balanced, spiritually complete way to live Why do women equate self-denial with being good? We congratulate ourselves when we resist the donut in the office breakroom. We celebrate our restraint when we hold back from sending an email in anger. We feel virtuous when we wake up at dawn to get a jump on the day. We put others’ needs ahead of our own and believe this makes us exemplary. In *On Our Best Behavior*, journalist Elise Loehnen explains that these impulses—often lauded as unselfish, distinctly feminine instincts—are actually ingrained in us by a culture that reaps the benefits, via an extraordinarily effective collection of mores known as the Seven Deadly Sins. Since being codified by the Christian church in the fourth century, the Seven Deadly Sins—pride, greed, lust, envy, gluttony, wrath, and sloth—have exerted insidious power. Even today, in our largely secular, patriarchal society, they continue to circumscribe women’s behavior. For example, seeing sloth as sinful leads women to deny themselves rest; a fear of gluttony drives them to ignore their appetites; and an aversion to greed prevents them from negotiating for themselves and contributes to the 55 percent gender wealth gap. In *On Our Best Behavior*, Loehnen reveals how we’ve been programmed to

obey the rules represented by these sins and how doing so qualifies us as "good." This probing analysis of contemporary culture and thoroughly researched history explains how women have internalized the patriarchy, and how they unwittingly reinforce it. By sharing her own story and the spiritual wisdom of other traditions, Loehnen shows how we can break free and discover the integrity and wholeness we seek.

Perfect Behavior (Illustrated Edition) (Dodo Press) Donald Ogden Stewart, 2009-05 Donald Ogden Stewart (1894-1980) was an American author and screenwriter. He graduated from Yale University in 1916 and was in the Naval Reserves in World War I. After the war he started to write and found success with *A Parody Outline of History* (1921), a satire of *The Outline of History* (1920) by H. G. Wells. This led him to becoming a member of the Algonquin Round Table. Around that time a friend of his got him interested in theatre and he became a noted playwright on Broadway in the 1920s. In 1924, he wrote *Mr. and Mrs. Haddock Abroad* for the publishing house George H. Doran. It was a snarky send up of the ugly American tourist. He became interested in adapting some of his plays to film, but on first entering Hollywood he had to adapt the plays of others as his own were initially shelved. As World War II approached, he became a member of the Hollywood Anti-Nazi League, which, during the Second Red Scare, was suspected of being a Communist front. Other works include: *Perfect Behavior* (1922), *The Crazy Fool* (1925), *Father William* (1929) and *Rebound* (1930).

*Perfect Behavior* Donald Ogden Stewart, 2014-04-17 Courtship is one of the oldest of social customs, even antedating in some countries such long-established usages as marriage, or the wearing of white neckties with full evening dress. The beginnings of the etiquette of courtship were apparently connected in some way with the custom of love between the sexes, and many of the old amatory forms still survive in the modern courtship. It is generally agreed among students of the history of etiquette that when love first began to become popular among the better class of younger people they took to it with such avidity that it was necessary to devise some sort of rules for the conduct of formal or informal love-making. These rules, together with various amendments, now constitute the etiquette of courtship.
