

Personal Development Gurus

Dianna Booher

Judgment Detox Gabrielle Bernstein,2018-01-02 “Gabrielle is the real thing. I respect her work immensely.” —Dr. Wayne Dyer “A new role model.” —The New York Times “I came to one of Bernstein’s monthly lectures and got my first look at the woman I’d one day unabashedly refer to as ‘my guru.’” —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you’ll feel more peace and happiness than you’ve ever known. I can testify to these results because I’ve lived them. I’ve never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text A Course in Miracles, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I’ve demystified these principles to make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you’re in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You’ll attract exactly what you need, your relationships will heal, your health will improve and you’ll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.

Sham Steve Salerno,2006-09-26 Self-help: To millions of Americans it seems like a godsend. To many others it seems like a joke. But as investigative reporter Steve Salerno reveals in this groundbreaking book, it’s neither—in fact it’s much worse than a joke. Going deep inside the Self-Help and Actualization Movement (fittingly, the words form the acronym SHAM), Salerno offers the first serious exposé of this multibillion-dollar industry and the real damage it is doing—not just to its paying customers, but to all of American society. Based on the author’s extensive reporting—and the inside look at the industry he got while working at a leading “lifestyle” publisher—SHAM shows how thinly credentialed “experts” now dispense advice on everything from mental health to relationships to diet to personal finance to business strategy. Americans spend upward of \$8 billion every year on self-help programs and products. And those staggering financial costs are actually the least of our worries. SHAM demonstrates how the self-help movement’s core philosophies have infected virtually every aspect of American life—the home, the workplace, the schools, and more. And Salerno exposes the downside of being uplifted, showing how the “empowering” message that dominates self-help today proves just as damaging as the blame-shifting rhetoric of self-help’s “Recovery” movement. SHAM also reveals: • How self-help gurus conduct extensive market research to reach the same customers over and over—without ever helping them • The inside story on the most notorious gurus—from Dr. Phil to Dr. Laura, from Tony Robbins to John Gray • How your company might be wasting money on motivational speakers, “executive coaches,” and other quick fixes that often hurt quality, productivity, and morale • How the Recovery movement has eradicated notions of personal responsibility by labeling just about anything—from drug abuse to “sex addiction” to shoplifting—a dysfunction or disease • How Americans blindly accept that twelve-step programs offer the only hope of treating addiction, when in fact these programs can do more harm than good • How the self-help movement inspired the disastrous emphasis on self-esteem in our schools • How self-help rhetoric has pushed people away from proven medical treatments by persuading them that they can cure themselves through sheer application of will As Salerno shows, to describe self-help as a waste of time and money vastly understates its collateral damage. And with SHAM, the self-help industry has finally been called to account for the damage it has done. Also available as an eBook

Personal Development Non Fiction Author,2016-04-28 Personal development gurus are sought-after by persons and organizations alike to nurture individual awareness, positive attitude and behavior, integrity, humanity, morals, mentoring, culture, emotional and psychological maturity which are crucial to an individual as it is to an entire organization as well. These intangible resources can foster and encourage the success of a person or a company as it develops each individual to the best that they can be. For this very reason, life coaches and personal development gurus will be in greater demand in the coming years. Read this book and learn more.

Lifestyle Gurus Stephanie A. Baker,Chris Rojek,2020-01-16 The rise of blogs and social media provide a public platform for people to share information online. This trend has facilitated an industry of self-appointed ‘lifestyle gurus’ who have become instrumental in the management of intimacy and social relations. Advice on health, wealth creation, relationships and well-being is rising to challenge the authority of experts and professionals. Pitched as ‘authentic’, ‘accessible’ and ‘outside of the system’, this information has produced an unprecedented sense of empowerment and sharing. However, new problems have arisen in its wake. In Lifestyle Gurus, Baker and Rojek explore how authority and influence are achieved online. They trace the rise of lifestyle influencers in the digital age, relating this development to the erosion of trust in the expert-professional power bloc. The moral contradictions of lifestyle websites are richly explored, demonstrating how these technologies encourage a preoccupation with the very commercial and corporate hierarchies they seek to challenge. A timely account of how lifestyle issues are being packaged and transacted in a wired-up world, this book is important reading for students and scholars of media, communication, sociology and related disciplines.

Personal Development Cathy Lorenzo,2014-09-27 Personal development gurus are sought-after by persons and organizations alike to nurture individual awareness, positive attitude and behavior, integrity, humanity, morals, mentoring, culture, emotional and psychological maturity which are crucial to an individual as it is to an entire organization as well. These intangible resources can foster and encourage the success of a person or a company as it develops each individual to the best that they can be. For this very reason, life coaches and personal development gurus will be in greater demand in the coming years. Read this book and learn more.

Personal Development for Smart People Steve Pavlina,2010-07 Despite promises of "fast and easy" results from slick marketers, real personal growth is neither fast nor easy. The truth is that hard work, courage, and self-discipline are required to achieve meaningful results - results that are not attained by those who cling to the fantasy of achievement without effort. Personal Development for Smart People reveals the unvarnished truth about what it takes to consciously grow as a human being. As you read, you'll learn the seven universal principles behind all successful growth efforts (truth, love, power, oneness, authority, courage, and intelligence); as well as practical, insightful methods for improving your health, relationships, career, finances, and more. You'll see how to become the conscious creator of your life instead of feeling hopelessly adrift, enjoy a fulfilling career that honors your unique self-expression, attract empowering relationships with loving, compatible partners, wake up early feeling motivated, energized, and enthusiastic, achieve inspiring goals with disciplined daily habits and much more! With its refreshingly honest yet highly motivating style, this fascinating book will help you courageously explore, creatively express, and consciously embrace your extraordinary human journey.

Concept of Personal Development Casey Nichols,2015-01-06 Life coaches and personal development gurus will be in greater demand in the coming years. ...read to know more

The Seeking Self Richard Lind,2000-01-01 Whether seeking recognition, spirituality, or some other kind of self improvement, we are endlessly striving to become something 'better'. But even if we obtain what we are looking for, we cannot refrain from creating another quest. Always driven to distraction in pursuit of our goals, we have never been able to enjoy-or even live-the life that was ours. In *The Seeking Self*, the author suggests that self-transformation can only occur if we are able to stop interfering with the experience of who we naturally are.

Self Improvement David Riklan,2004-01-01 Described as the Encyclopedia of Self Improvement, this useful reference guide narrows down the top experts in the field and sorts through their vast supply of products and information.

The Power of Now Eckhart Tolle,2010-10-06 It's no wonder that *The Power of Now* has sold over 16 million copies worldwide and has been translated into over 30 foreign languages. Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being, the eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death. Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being, liberated from Mind and intensely in the Now, is there Enlightenment.

Self-Empowerment Lcsw Ken Howard,2013-03-01 If you read only one self-help book this year, make *Self-Empowerment: Have the Life You Want!* it. It's the portable therapist to help you close the gap between how life is, and how you would like it to be, in important areas of your life, such as your Mental Health, Health, Career, Relationships, Finances, Family, Community, and Spirituality, based on over 20 years of counseling, psychotherapy, and coaching by Ken Howard, LCSW.

Live Life Aggressively!: What Self Help Gurus Should Be Telling You Mike R. Mahler,2011-08-01 *Live Life Aggressively! What Self-Help Gurus Should Be Telling You* is a much different take on the self-help genre. This book is a slap in the face! It will force the reader out of his or her comfort zone, and will move the reader to remember what he or she needs to know to move forward with purpose. It is about taking charge of your life, and striving for greatness, rather than accepting mediocrity, or a life of quiet desperation. This is what it means to live life aggressively! It means to live with strong purpose and resolve. This book covers areas that few have the courage to talk about, and that is the problem. It is the white elephant in the room that everyone wants to ignore. Instead of confronting this problem, most people waste time watching nonsense like reality television and texting all day long. Self-help books are so focused on making you feel good about yourself, that they fail to help you be honest with yourself. Without brutal honesty you will never move forward. Without a strong sense of purpose, and passion, you will never persevere through the inevitable plethora of hard times that are coming your way in life. People need to accept that they will suffer in order to lead a fulfilling life and that the suffering should be embraced rather than avoided. Embrace the suffering and avoid procrastination the true destroyer of hopes and dreams. This book's focus is to induce real/lasting change and that comes as result of being aggressively honest with yourself, using pressure to your advantage, running toward risk rather than away from it and having a clear vision of what you want and what you are willing to sacrifice to get it. Some of the unique topics covered in this book include: the importance of hormone optimization for well-being and achieving goals, why the real battles in life are within, the necessity of negative thinking, what really makes people happy, and why people should avoid being attached to the results of actions. 50% of profit from book sales will be going to two fantastic organizations. Lifequest Transitions a great organization that helps wounded warriors and the Nevada SCPA an excellent organization that helps abandoned animals find new homes.

Gurus of Modern Yoga Mark Singleton,Ellen Goldberg,2014 *Gurus of Modern Yoga* explores the contributions that individual gurus have made to the formation of the practices and discourses of yoga in today's world.

Stand Firm Svend Brinkmann,2017-02-27 The pace of modern life is accelerating. To keep up, we must keep on moving and adapting – constantly striving for greater happiness and success. Or so we are told. But the demands of life in the fast lane come at a price: stress, fatigue and depression are at an all-time high, while our social interactions have become increasingly self-serving and opportunistic. How can we resist today's obsession with introspection and self-improvement? In this witty and bestselling book, Danish philosopher and psychologist Svend Brinkmann argues that we must not be afraid to reject the self-help mantra and 'stand firm'. The secret to a happier life lies not in finding your inner self but in coming to terms with yourself in order to coexist peacefully with others. By encouraging us to stand firm and get a foothold in life, this vibrant anti-self-help guide offers a compelling alternative to life coaching, positive thinking and the need always to say 'yes!'

Gurus for Hire, Enlightenment for Sale Rinpoche Tsem Tulku,2007

Good Leaders Ask Great Questions John C. Maxwell,2014-10-07 A #1 New York Times bestselling author and leadership expert answers questions from his readers about what it takes to be in charge and make a difference. John Maxwell, America's #1 leadership authority, has mastered the art of asking questions, using them to learn and grow, connect with people, challenge himself, improve his team, and develop better ideas. Questions have literally changed Maxwell's life. In *GOOD LEADERS ASK GREAT QUESTIONS*, he shows how they can change yours, teaching why questions are so important, what questions you should ask yourself as a leader, and what questions you should be asking your team. Maxwell also opened the floodgates and invited people from around the world to ask him any leadership question. He answers seventy of them--the best of the best--including . . . What are the top skills required to lead people through difficult times? How do I get started in leadership? How do I motivate an unmotivated person? How can I succeed working under poor leadership? When is the right time for a successful leader to move on to a new position? How do you move people into your inner circle? No matter whether you are a seasoned leader at the top of your game or a newcomer wanting to take the first steps into leadership, this book will change the way you look at questions and improve your leadership life.

Wildpreneurs Tamara Jacobi,2020-02-11 Real-life “wildpreneur” Tamara Jacobi shares her insights on what it takes to successfully make the leap from a safe yet soul-crushing day job to chasing your dreams. This book illuminates how surf guides, ski builders, yoga and wellness instructors, environmental activists, nature lovers, podcasters, artisans, and other creatives achieve an adventurous lifestyle and financial viability. Whether you’re stuck in the nine-to-five grind, are an enterprising college grad, a dynamic retiree, or are just an out-of-the-box thinker, it’s time to embrace your free spirit and become a Wildpreneur! Entrepreneur and author Tamara Jacobi understands the challenge and reward of turning your passion into a business. Over ten years ago, she and her family started the Tailwind Jungle Lodge, a treehouse style eco-lodge in the jungle on the Mexican Pacific coastline. Jacobi shares the lessons she’s learned, alongside stories and wisdom from other Wildpreneurs. In *Wildpreneurs*, you will: Access a practical blueprint for starting and managing an unconventional business. Receive the support needed to stay on track with what can be a difficult path filled with unexpected challenges and is worth it in the end. Gain insights into the world of Wildpreneurship, its characters, and the lifestyle that is within anyone’s grasp.

Discover an alternative to living on autopilot, an opportunity to move beyond fear, come alive, and tune into inspiration while also making a living. Let Wildpreneurs help you blaze the path to your own journey of meaning, purposefulness, and adventure—and start living the life of your dreams.

What You Can Change... and What You Can't Martin Seligman,2011-02-22 If you believe that dieting down to your ideal weight will prolong your life; that reliving childhood trauma can undo adult personality problems; that alcoholics have addictive personalities, or that psychoanalysis helps cure anxiety, then get ready for a shock. In the climate of self-improvement that has reigned for the last twenty years, misinformation about treatments for everything from alcohol abuse to sexual dysfunction has flourished. Those of us trying to change these conditions are often frustrated by failure, mixed success, or success followed by a relapse. But have you ever asked yourself: can my condition really be changed? And if so, am I going about it in the most effective way? Grounding his conclusions in the most recent and most authoritative scientific studies, Seligman pinpoints the techniques and therapies that work best for each condition, explains why they work, and discusses how you can use them to change your life. Inside, you'll discover: the four natural healing factors for recovering from alcoholism; the vital difference between overeating and being overweight, and why dieters always gain back the pounds they lost; the four therapies that work for depression, and how you can dispute your way to optimistic thinking; the pros and cons of anger, and the steps to take to understand it and much more!

Impact of Importance of Personal Development Robert Cruz,2014-12-27 Personal development gurus are desired after by persons and organizations alike attitude and behavior, integrity, which are crucial to an individual as it is to an entire organization as well. These intangible resources can foster and encourage the success of a person or a company as it develops each individual to the best that they can be. For this very reason, life coaches and personal development gurus will be in greater demand in the coming years. Read this book and learn more.

Creating Personal Presence Dianna Booher,2011-10-03 Personal presence is difficult to define but easy to recognize. People with presence carry themselves in a way that turns heads. When they talk, people listen. When they ask, people answer. When they lead, people follow. Personal presence can help you get a date, a mate, a job, or a sale. It can help you lead a meeting, a movement, or an organization. Presence is not something you're born with—anyone can learn these skills, habits, and traits. Award-winning speaker and consultant Dianna Booher shows how to master dozens of small and significant things that work together to convey presence. She details how body language, manners, and even your surroundings enhance credibility and build rapport. You'll learn to use voice and language to demonstrate competence, deliver clear and memorable messages, and master emotions. You'll learn to think strategically, organize ideas coherently, and convey to others genuine interest, integrity, respect, and reliability. Take her self-assessment to measure your progress. With Dianna Booher's expert, entertaining advice, you can have the same kind of influence as the most successful CEOs, celebrities, and civic leaders.

While this might not

be the Personal Development Gurus full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Personal Development Gurus eBooks, including some popular titles.

FAQs About Personal Development Gurus Books

What is a Personal Development Gurus PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Personal Development Gurus PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Personal Development Gurus PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Personal Development Gurus PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Personal Development Gurus PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working

with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
