MANAGEMENT INFORMATION SYSTEMS IN THE KNOWLEDGE ECONOMY S. J. P.T. JOSEPH,SANJAY MOHAPATRA,2014-01-01 The textbook, now in its Second Edition, includes a new chapter on ERP as a Business Enabler. The text continues to provide a comprehensive coverage of business applications of management information systems in today's new era of knowledge-based economy where the value of a firm's knowledge assets has become a key source that can be leveraged into long-term benefits. The text focuses on the information systems requirements vis-à-vis management perspectives required in business environment. The technology innovations are covered, with particular emphasis on Data Management Systems, Decision Support and Expert Systems. On the other hand, several business applications such as e-commerce and mobile applications, made possible only because of continuing innovations in the field of information and communications technology (ICT) are thoroughly treated in the text. Besides, the book covers crucial issues of information security, and legal and ethical issues which are important both from the point of view of technology and business. The book uses case discussions in each chapter to help students understand MIS practices in organizations. The cases also enable students to grasp how a systemic approach to every functional aspect of management can lead to formulating technology-based strategies in line with corporate goals. Primarily intended for undergraduate and postgraduate students of management (BBA/MBA), the knowledge and information provided in this book will also be of immense value to business managers and practitioners for improving decision-making processes and achieving competitive advantage.

Guide to the De-Identification of Personal Health Information Khaled El Emam,2013-05-06 Offering compelling practical and legal reasons why de-identification should be one of the main approaches to protecting patients' privacy, the Guide to the De-Identification of Personal Health Information outlines a proven, risk-based methodology for the de-identification of sensitive health information. It situates and contextualizes this risk-ba

Family Child Care Record-Keeping Guide, Ninth Edition Tom Copeland,2014-10-06 For home-based family child care (daycare) providers, taking care of the children is only half of the job. The other half is taking care of the business—tracking expenses, being profitable, filing taxes, and meeting government requirements. This resource covers everything family child care providers need to keep accurate business records. If a family child care provider pays close attention to the recommendations in this book, he or she will be able to claim the maximum allowable deductions and pay the lowest possible federal taxes. Since the previous edition of Family Child Care Record-Keeping Guide, Congress and the IRS have made many changes to tax rules that affect family child care providers. There have been changes in depreciation rules, adjustments to food and mileage rates, and clarifications on how to calculate the Time-Space percentage. Author Tom Copeland has been involved in many IRS audits and represented providers in several Tax Court cases that have also clarified numerous rules. Further necessitating this ninth edition, the IRS issued two significant new rules in 2013. These updates, new rules, and clarifications are detailed in this book; all of the information is applicable to child care providers in every state, regardless of local regulations. Tom Copeland, is a writer, trainer, lawyer, and consultant focusing on family child care business issues. He has conducted record-keeping, tax preparation, and business workshops for family child care providers across the country since 1981.

Personal Best Margaret Watson,2013-11-30 The minute Tess Phillips crossed the finish line in the Chicago Marathon, her life began to change. As the female winner in this year's race, she was handed a check for fifty thousand dollars! The money would keep her fledgling recycling business afloat for awhile, but there was one catch. If she wanted to keep the money, she had to let a local sports writer shadow her for an entire week. Although Tess didn't mind sharing her training tips, she couldn't afford to have a reporter prying into her personal life. Especially a reporter like Nick Bartholomew. With his mocking grin, his aggressive style, and his intense blue eyes, Nick wouldn't let one detail slip by. Once Nick started nosing around, Tess's business problems were sure to leak out. She had to avoid him - even if he was the most attractive man she'd ever met. From the start, Nick Bartholomew was not pleased with this assignment. He was sure that Tess Phillips was a complete fraud. No one could win a marathon on their first try. But one look at Tess's clear blue eyes made Nick doubt his reporter's instincts. They weren't the eyes of a hustler. They were too trusting, too vulnerable. If a man stared into Tess Phillips's eyes long enough, he would begin to believe in all sorts of fairy tales. Before he lost his objectivity, Nick had to cut to the chase. It was time to uncover Tess's secret—and he was the best man for the job. Margaret Watson, a star in the world of contemporary romance, grabs you on the opening page and keeps you reading to the happily ever after. -- New York Times bestselling author Susan Elizabeth Phillips.
