**Nyctophobia** Christopher Fowler,2014-10-07 An original thriller from bestselling author Christopher Fowler that reinventing the haunted house story. “It’s a strange thing, nyctophobia. You’re not born with it. It can start at any time. It comes and goes, and it’s one of the only phobias you can transmit to other people.” Newly-married architect Callie and her wealthy husband Mateo move to Hyperion House, a grand old home in southern Spain. It’s an eccentric place built in front of a cliff: serene and beautiful, but eerily symmetrical, and cunningly styled so that half the house is flooded with light, and half – locked up and neglected – is shrouded in darkness. Unemployed and feeling isolated in a foreign country, Callie determines to research the history of the curious building. But the past is sometimes best left alone. Uncovering the folklore of the house’s strange history, Callie is drawn into darkness and delusion. As a teenager Callie was afraid of the dark, and now with her adolescent nyctophobia returning she becomes convinced there’s someone in the darkened rooms. Somewhere in the darkness lies the truth about Hyperion House. But some doors should never be opened.

**Haunted Houses** Dinah Williams,2008-01-01 Most haunted houses were once the scenes of gruesome events or some deep human unhappiness. Rose Hall Great House in Jamaica is no exception. The mistress of the house, Annie Palmer, began her reign of terror at 18. As a girl, her parents had relocated from Ireland to Haiti and promptly died of yellow fever, leaving Annie in the care of a Haitian nanny rumored to be a voodoo priestess. It is said that she trained Annie in the occult. After marrying John Palmer in 1780, Annie reportedly murdered him by poisoning his coffee. Thereafter, she had numerous boyfriends murdered along with two more husbands. When Annie finally died, the slaves burned all of her possessions and buried her as deep in the ground as they could. The house is still said to be haunted by “The White Witch of Rose Hall,” and the story of Annie’s haunting is the basis for over a dozen gothic novels. This nonfiction account of a haunted house along with 10 other haunted house histories will keep young readers on the edges of their chairs, scarily awake! Haunted Houses is part of Bearport’s Scary Places series.

In *The Straw House*, Steven and Brenda are living a normal life in the 1980's. Steven acquires building contracts and Brenda tends the home preparing for their life together. However, neither knows the ancient evil that stalks Steven's soul until Steven's memory is reawakened to his old sins and their consequences on Halloween night. In the darkness Brenda is seduced by witchcraft and Steven comes face to face with an inferno of evil more sinister than any closeted childhood fear. In *Grave Incidents*, David, a psychologist and dream analysis specialist, attempts to assist Rebecca (a woman suffering from horrific nightmares and a peculiar phobia) in resolving her inner turmoil. As the sessions reach deeper into Rebecca's soul, David soon discovers his own haunted past. This triggers a dangerous downward spiral for them both. How to Sell a Haunted House Grady Hendrix,2023-01-17 AN INSTANT NEW YORK TIMES BESTSELLER Wildly entertaining.-The New York Times Ingenious.-The Washington Post New York Times bestselling author Grady Hendrix takes on the haunted house in a thrilling new novel that explores the way your past—and your family—can haunt you like nothing else. When Louise finds out her parents have died, she dreads going home. She doesn't want to leave her daughter with her ex and fly to Charleston. She doesn't want to deal with her family home, stuffed to the rafters with the remnants of her father's academic career and her mother's lifelong obsession with puppets and dolls. She doesn't want to learn how to live without the two people who knew and loved her best in the world. Most of all, she doesn't want to deal with her brother, Mark, who never left their hometown, gets fired from one job after another, and resents her success. Unfortunately, she'll need his help to get the house ready for sale because it'll take more than some new paint on the walls and clearing out a lifetime of memories to get this place on the market. But some houses don't want to be sold, and their home has other plans for both of them... Like his novels The Southern Book Club's Guide to Slaying Vampires and The Final Girl Support Group, How to Sell a Haunted House is classic Hendrix: equal parts heartfelt and terrifying—a gripping new read from “the horror master” (USA Today).

**I'm Not Afraid of this Haunted House** Laurie B. Friedman,2005-01-01 Simon Lester Henry Strauss is not in the least afraid of any haunted house, but there is something else that terrifies him. The Haunted House Diaries William J. Hall,2015-08-17 A paranormal investigator explores a haunted Connecticut farmhouse—with the diaries of a resident detailing decades of unexplained phenomena. Nestled deep in Litchfield Hills, Connecticut, a 1790 farmhouse overlooks the epicenter of a paranormal crossroads. The family that resides there regularly encounters its own ancestors, as well as strangers - human and nonhuman - who seemingly occupy the same physical space in parallel worlds. When ghost hunters Ed and Lorraine Warren investigated, they dubbed it Ghost Central. When William J. Hall visited the house, family member Donna Fillie showed him her journal of the paranormal activity she's experienced there over the years. Here is Donna's diary spanning five decades of uncanny occurrences, supplemented with background information provided by Hall. It tells of notes from old friends who insist they didn't deliver them; a grandson playing with an invisible - but very real - friend; and Donna awakening to phenomena at precisely 12:42 a.m. - an eerie correspondence to her house number, 1242. This compelling work includes many other kinds of inexplicable incidents that frequently occur in this otherwise normal area of Connecticut, which some believe is also the site of a secret military base.
