The Phoenix and the Carpet (Five Children, #2) E.

Nesbit,2017-04-18 It's startling enough to have a phoenix hatch in your house, but even more startling when it talks and reveals that you have a magic carpet on the floor. The vain and ancient bird accompanies the children on a series of adventures through time and space. This book is a sequel to Five Children and It.

The Phoenix and the Carpet E. Nesbit,2014-11-15 This middle volume of the trilogy that begins with Five Children and It and concludes with The Story of the Amulet deviates somewhat from the other two because the Psammead is mentioned only briefly, and because in this volume the five children live with both their parents in the family home in London. In both the other volumes, circumstances have forced the children to spend protracted periods away from their home and their father. A continuing theme throughout The Phoenix and the Carpet is the ancient element of fire. The story begins shortly before November 5, celebrated in Britain as Guy Fawkes Night. The four children have accumulated a small hoard of fireworks for the night, but they are too impatient to wait until November 5 to light them, so they set off a few samples in the nursery. This results in the fire that destroys the carpet. Their parents purchase a second-hand carpet which is found to contain an egg that emits a phosphorescent glow. The children accidentally knock this egg into the fire: it hatches, revealing a golden Phoenix who speaks perfect English. It develops that this is a magic carpet that can transport the children anywhere they wish in the present time, although it is capable of satisfying only three wishes a day. Accompanied by the Phoenix, the children have exotic adventures. There is one moment of terror when the youngest,

the baby known as the Lamb, crawls onto the carpet, babbles incoherently and vanishes, but it turns out that the Lamb only desires to be with his mother. At a few points in the novel, the children find themselves in predicaments from which the Phoenix is unable to rescue them by himself, so he goes to find the Psammead and has a wish granted for the children's sake. In addition, at the end the carpet is sent to ask the Psammead to grant the Phoenix's wish. These offstage incidents are the only contributions made by the Psammead to this story.

Hunted by his own government, he is given a second chance in the United States by the Flayne Institute--a new identity, a new life, a new Spetsnaz team. What he wasn't expecting was to be changed into an anthropomorphic rat, the most wily of mammals, to train and and new generation of humanoid animal warriors. When his new team is delivered in the form of six African Painted Wolf cubs, he must make a decision to save his conscience or the lives around him at the Flayne Institute. Celine Ilorsaint has always been a quiet rebel. She is kidnapped on the way home from an artist's gathering. Awakening to a cage of animal people, she is involved in a fortuitous escape that leaves a group of these freaks-of-nature in her care. The Phoenix and the Carpet Edith Nesbit, 2021-08-04 The Phoenix and the Carpet - Edith Nesbit - The Phoenix and the Carpet is a fantasy novel for children, written in 1904 by E. Nesbit. It is the second in a trilogy of novels that began with Five Children and It (1902), and follows the adventures of the same

five protagonists – Cyril, Anthea, Robert, Jane and the Lamb. Their mother buys the children a new carpet to replace the one from the nursery that was destroyed in an accidental fire. The children find an egg in the carpet which hatches into a talking Phoenix. The Phoenix explains that the carpet is a magical one that will grant them three wishes per day. The five children go on many adventures which eventually wears out their magical carpet. The adventures of the children are continued and conclude in the third book of the trilogy, *The Story of the Amulet* (1906). This middle volume of the trilogy that began with *Five Children and It* and concludes with *The Story of the Amulet* deviates somewhat from the other two because the Psammead gets only a brief mention, and because in this volume the children live with both of their parents and their younger brother—the Lamb—in their home in London. Consequently, there is less loneliness and sense of loss in this volume than in the other two. In both of the other volumes, circumstances have forced the children to spend a protracted period away from their familiar London home and their father; in *Amulet*, their mother and the Lamb are absent as well. A continuing theme throughout *The Phoenix and the Carpet* is, appropriately enough, the ancient element of fire. The story begins shortly before November 5, celebrated in England as Guy Fawkes Night. Traditionally, children light bonfires and set off fireworks on this night. The four children have accumulated a small hoard of fireworks but are too impatient to wait until November 5 to light them, so they set off a few samples in the nursery. This results in a fire that destroys the carpet. Their parents purchase a second-hand carpet which, upon arrival, is found to contain an egg that emits a weird phosphorescent glow. The children accidentally knock this egg into the fire: it hatches, revealing a golden Phoenix who speaks perfect English. It develops that this is a magical carpet, which can transport the children to anywhere they wish in the present time, although it is only capable of three wishes per day.

Accompanied by the Phoenix, the children have exotic adventures in various climes. There is one moment of terror for the children when their youngest brother, the Lamb, crawls onto the carpet, babbles some incoherent baby talk, and vanishes. Fortunately, the Lamb only desired to be with his mother. At a few points in the novel, the children find themselves in predicaments from which the Phoenix is unable to rescue them by himself; he goes to find the Psammead and has a wish granted for the children's sake. In addition, in the end, the carpet is sent to ask the Psammead to grant the Phoenix's wish. These offstage incidents are the only contribution made by the Psammead to this story.
