Rising from the Rubble Jean Maurice Duval, Nadine Duval, 2011-08-13 In *Rising from the Rubble*, the reader is infused into the fateful day of January 12th 2010 and its aftermath. The story focuses on the earthquake's devastation and the story of one man's

struggles and his recovery. Dr. Duval, an accomplished professional and a consummate family man achieved all of his dreams and was very pleased of all of his intellectual and material acquisitions. Dr. Duval experienced pain and loss along with his nation. This memoir is a saga that recounts the events surrounding a man's near-death experience, agony and eventual triumph over adversity. The sequence of events depicted in the story reminds of a movie thriller more than a natural unfolding of spectacular rescues. The seemingly impossible but true events were only possible because of the insight of the author as a physician and the wonderful people around him. More than a survival story, *Rising from the Rubble* is a poignant tale of friendship and generosity.

How I Learned To Love Her Shubham Joshi, 2021-01-16 We all have got our journeys in life; some lead to destinations; others lead to a new beginning again, but everything ends up teaching something. Love is indeed very precious. In the walk of our lives, we come across many strangers with whom we share many moments. These are undoubtedly the one whom we love, and it becomes so arduous to understand when love happens by chance..... It feels so good to talk about a school love story, a story without a relation, where the two strangers, strangers even when they were well known to each other and continued to be a stranger, loved each other but believed in their Destiny. Shaurya, a nerd boy who just opposed his name's meaning, lacked the courage and courage to speak his heart. Time is his deadliest fear. Abhilasha, a lovely girl who was synonymous with the meaning of her name, was loved by all; happiness is her shadow... Both of them are busy accepting whatever is going on in their life, and their Destiny is still unjustified, which is desperate with many surprises. Waiting for years, the story is all

about the unexpected that happened in their life. And finally, one question which strikes corner to corner in their heart and mind, WHAT MATTERS....

Ataraxia Abby Jaquint,2020-03-09 Ataraxia By: Abby Jaquint Ataraxia tells the story of the agonizingly long road to feeling okay. With his parents' drama, the struggle to keep his emotions in check, his ever-changing relationships with his friends, and the death of a student that may or may not be his fault, Halo Dyer doesn't know how to handle himself. With the help of his closest friends, Halo stumbles through his senior year of high school, doing everything from accidentally becoming a drug dealer to finally coming out to his mom. But there might be hope for him after all, even if it means he has to go through hell first.

16 & Pregnant LaLa Thomas, 2023-01-03 “A powerful and timely exploration of two friends navigating a life-changing event.” —Angela Johnson, Michael L. Printz Award-winning author of *The First Part Last* The bond between two best friends is put to the test when one of them gets pregnant in this contemporary teen novel inspired by MTV’s iconic reality show. Erykah was looking forward to junior year at East Prep High. She has a cute boyfriend, gets good grades, and has the best bestie. Money is tight, though that’s nothing new in her world. But everything changes when she gets pregnant. Having a baby at sixteen was definitely not part of the plan. Kelly’s plan was to dominate junior year—grade-wise and on the basketball court—and eventually get an athletic scholarship. It did not include helping her best friend through a pregnancy. But that’s what best friends do, right? Besides, Kelly has every intention of being a good auntie. As the two girls navigate the pregnancy, they’ll learn some harsh realities about the world and be forced to make some huge decisions. They’ll also discover a deep reserve of strength and compassion...for each other and themselves. *16 & Pregnant: A Novel* honestly and openly explores pregnancy through the eyes of two young Black teens in modern-day Nevada. Debut author LaLa Thomas combines personal insights, heartfelt dialogue, and authentic emotions in this powerful portrait of American teen life.

Love Led by the Spirit Pat Simmons,2016-10-26 Minister Rossi Tolliver is ready to settle down. Besides the outward attraction, he desires a woman who is sweet, humble, and loves church folks. Sounds simple enough on paper, but when he gets off his knees, praying for that special someone to come into his life, God opens his eyes to the woman who has been there all along. There's a slight problem. Jesetta "Jet" Hutchens lives by her own set of rules. Love is the farthest thing from her mind. But Rossi, the man and the minister, is hard to resist. Is Jet ready to allow the Holy Spirit to lead her to love?

Responsible Marketing for Well-being and Society Michael Saren,Louise M. Hassan,Miriam McGowan,N. Craig Smith,Emma Surman,Rohit Varman,2024-04-09 This book provides an overview of recent and current research which defines and scopes the field of responsible marketing in one single edited book. It brings together diverse perspectives from contributors at Birmingham University, leading the academic development of knowledge of the subject, to contribute to the learning curriculum and reach out to those interested in improving marketing practices and standards. Responsible Marketing for Well-being and Society draws together a rich and diverse body of scholarly research from a variety of perspectives from individual to global, macro and micro, producer and consumer, environmental, stakeholder, supply chain, and other intermediary viewpoints. The embryonic research in this field involves different philosophical and methodological positions, theoretical approaches, and research communities including aspects of corporate social responsibility, marketing ethics, critical marketing, consumer culture theory, and macromarketing. The book takes a predominantly organisational or

enterprise-level perspective in order to understand and explain how individuals and organisations can manage their marketing activities and relationships responsibly. The actions of other stakeholders are also a crucial component in achieving responsible outcomes; therefore, a broader perspective on the impacts of marketing decisions and actions on other stakeholders, such as consumers, employees, the environment, and society, is also taken as a basis for analysis and discussion. The book provides an authoritative overview for the academic market, including university libraries, research teams, PhD students, and independent researchers. The topics and contents of responsible marketing are relevant to several disciplinary fields of study including, marketing, advertising, retailing and other business subjects, consumer studies, sustainability, ethics, public policy, media studies, psychology, economics, and other social sciences.

Halo: Meridian Divide (Battle Born: A Halo Young Adult Novel Series #2)

Cassandra Rose Clarke, 2019-10-01 The war rages on in the next installment of the first-ever official YA series based on the megahit Halo video games! It's been three months since the colony world of Meridian was invaded by the alien alliance known as the Covenant. Under the close watch of the military, Evie, Dorian, Saskia, and Victor have been put into an accelerated training program with ONI, the Office of Naval Intelligence. And to the teens' surprise, ONI has a mission for them: Return to their hometown on Meridian and monitor the Covenant's efforts to retrieve an ancient Forerunner artifact of untold power. But what seems like a simple job quickly spirals out of their control. With the artifact at risk of falling into Covenant hands, the stakes are raised, and ONI tasks the teens and their team of militia fighters with extracting the artifact for study. After a series

of missteps with command costs the militia more than half their fighting forces, the teens take matters into their own hands. Their journey will take them far behind enemy lines, into the heart of the war zones on Meridian. Don't miss this official, original young adult novel, the sequel to Halo: Battle Born!
