The Imagination Box: Beyond Infinity Martyn Ford,2017-08-01 Fans of Escape from Mr. Lemoncello's Library and The Mysterious Benedict Society will race through this exciting adventure and sequel to The Imagination Box about an orphan, his unusual friends, and the power of imagination. Timothy Hart is getting used to the good life with his new Imagination Box. Anything he can imagine, he can

create! There's only one rule: the Box must not leave Tim's room at the hotel where he lives. But Tim has never been good at following rules—especially when there's the opportunity to "imagine" his homework into being without actually having to do it. Tim is feeling pretty good. . . . Until he notices the strange people following him, and then chasing him, and then his beloved Imagination Box being ripped from his hands. He'll need the help of a Top-Secret Scientific Institution—and of course, his friend Dee and his talking finger monkey, Phil—if he's going to save the Imagination Box from corruption of the worst possible kind. Praise for The Imagination Box: "A splendid adventure, hilarious and harrowing in turn and so strongly cast that even the precocious pocket primate doesn't steal the show." —Kirkus Reviews, Starred Review With a solid mystery, fantastic device, warm friendships, a funny monkey, and heartening conclusion, this has a heaping serving of middle-grade antics.-Booklist "The Imagination Box is children's fiction in the classic mode, with double-crosses, deceitful adults and narrow escapes all meshing into a solid mystery plot...and a timeless be-careful-what-you-wish-for message."—Financial Times (UK)

<u>Local Girl Missing</u> Lisa Regan,2022-08-11 Through swirling dawn fog, they follow the trail of discarded items at their feet: a tube of glittery lip gloss; a cell phone; a cracked make-up compact, broken chunks of ivory powder spilling into the grass. Then the mist parts—just for a second—to reveal a beautiful young girl on the ground, her pale lips frozen forever in a silent scream... On a winding mountain road into the small town of Denton, Pennsylvania, Detective Josie Quinn finds the body of a local teenage girl, Dina Hale. The sight of plum-colored bruises gathering around the girl's neck pierces Josie's heart, but the discovery of a second girl's empty purse in the dirt nearby gives her a flicker of hope that one person, at least, made a

lucky escape. Dina's parents are grief-stricken as the town rallies together in a desperate search for the second girl, Alison Mills, who waitressed with Dina at a local hotel. The two best friends were on their way to a shift when they were attacked. Josie was too late to save Dina, but she won't rest until Alison is home safe. Hitting a dead-end with interviews, Josie thinks she's on to something when a photo surfaces suggesting Alison was romantically involved with one of the hotel staff. But when Josie arrives at the man's house to find a bullet in his head, and the house ransacked, the case comes crashing down. Evidence of frantic searching at both crime scenes has Josie convinced a twisted killer is on a hunt for something very personal and precious. And that they won't stop until they find it. But how many innocent lives will be destroyed before Josie can uncover the missing piece at the heart of this deadly puzzle? And what sacrifices will she have to make to find Alison alive?
