*Anne of Green Gables* Lucy Maud Montgomery,2023-08-31 *Anne of Green Gables* by Lucy Maud Montgomery is a 1908 novel by Canadian author Lucy Maud Montgomery (published as L. M. Montgomery). Written for all ages, it has been considered a classic children's novel since the mid-20th century. Set in the late 19th century, the novel recounts the adventures of 11 year old orphan girl Anne Shirley sent by mistake to two middle-aged siblings, Matthew and Marilla Cuthbert, who had originally intended to adopt a boy to help them on their farm in the fictional town of Avonlea in Prince Edward Island, Canada. The novel recounts how Anne makes her way through life with the Cuthberts, in school, and within the town. Plot summary Anne Shirley, a young orphan from the fictional community of Bolingbroke, Nova Scotia (based upon the real community of New London, Prince Edward Island),[16][17] is sent to live with Marilla and Matthew Cuthbert, unmarried siblings in their fifties and sixties, after a childhood spent in strangers' homes and orphanages. Marilla and Matthew had originally decided to adopt a boy from the orphanage to help Matthew run their farm at Green Gables, which is set in the fictional town of Avonlea (based on Cavendish, Prince Edward Island). Through a misunderstanding, the orphanage sends Anne instead. Anne is fanciful, imaginative, eager to please, and dramatic. She is also adamant her name should always be spelt with an e at the end. However, she is defensive about her appearance, despising her red hair, freckles and pale, thin frame, but liking her nose. She is talkative, especially when it comes to describing her fantasies and dreams. At first, stern Marilla says Anne must return to the orphanage, but after much observation and consideration, along with kind, quiet Matthew's encouragement, Marilla decides to let her stay. The book recounts Anne's struggles and joys in settling in to Green Gables (the first real home she's ever known): the country school where she quickly excels in her studies; her friendship with Diana Barry, the girl living next door (her best or bosom friend as Anne fondly calls her); her budding literary ambitions; and her rivalry with her classmate Gilbert Blythe, who teases her about her red hair. For that, he earns her instant hatred, although he apologizes several times. As time passes, however, Anne realizes she no longer hates Gilbert, but her pride and stubbornness keep her from speaking to him. The book also follows Anne's adventures in Avonlea. Episodes include play-time with her friends Diana, calm, placid Jane Andrews, and beautiful, boy-crazy Ruby Gillis. She has run-ins with the unpleasant Pye sisters, Gertie and Josie, and frequent domestic scrapes such as dyeing her hair green

while intending to dye it black, and accidentally getting Diana drunk by giving her what she thinks is raspberry cordial but which turns out to be currant wine.

Dash, in a bad mood during the holidays, happens to be the first guy to pick up the notebook and rise to its challenges. What follows is a whirlwind romance as Dash and Lily trade dares, dreams, and desires in the notebook they pass back and forth at locations all across New York City. But can their in-person selves possibly connect as well as their notebook versions, or will their scavenger hunt end in a comic mismatch of disastrous proportions? Co-written by Rachel Cohn (GINGERBREAD) and David Levithan, co-author of *WILL GRAYSON*, *WILL GRAYSON* with John Green (*THE FAULT IN OUR STARS*), *DASH & LILY'S BOOK OF DARES* is a love story that will have readers scouring bookstore shelves, looking and longing for a love (and a red notebook) of their own.

Malorie Josh Malerman, 2020-07-21 In the "fast-paced, frightening" (The New York Times Book Review) sequel to Bird Box, the inspiration for the record-breaking Netflix film starring Sandra Bullock, bestselling author Josh Malerman brings unseen horrors to life. NOMINATED FOR THE BRAM STOKER AWARD • "Malorie is even more of a psychological thriller than Bird Box, and all the scarier for it."—The Wall Street Journal Twelve years after Malorie and her children rowed up the river to safety, a blindfold is still the only thing that stands between sanity and madness. One glimpse of the creatures that stalk the world will drive a person to unspeakable violence. There remains no explanation. No solution. All Malorie can do is survive—and impart her fierce will to do so on her children. Don't get lazy, she tells them. Don't take off your blindfold. AND DON'T LOOK. But then comes what feels like impossible news. And with it, the first time Malorie has allowed herself to hope. Someone very dear to her, someone she believed dead, may be alive. Malorie has already lost so much: her sister, a house full of people who meant everything, and any chance at an ordinary life. But getting her life back means returning to a world full of unknowable horrors—and risking the lives of her children again. Because the creatures are not the only thing Malorie fears: There are the people who claim to have caught and experimented on the creatures. Murmurings of monstrous inventions and dangerous new ideas. And rumors that the creatures themselves have changed into something even more frightening. Malorie has a harrowing choice to make: to live by the rules of survival that have served her so well, or to venture into the darkness and reach for hope once more.
