Daily Demonstrators Tobin Miller

Shearer,2010-11-01 The Mennonites, with their long tradition of peaceful protest and commitment to equality, were castigated by the Reverend Martin Luther King Jr. for not showing up on the streets to support the civil rights movement. Daily Demonstrators shows how the civil rights movement played out in Mennonite homes and churches from the 1940s through the 1960s. In the first book to bring together Mennonite religious history and civil rights movement history, Tobin Miller Shearer discusses how the civil rights movement challenged Mennonites to explore whether they, within their own church, were truly as committed to racial tolerance and equality as they might like to believe. Shearer shows the surprising role of children in overcoming the racial stereotypes of white adults. Reflecting the transformation taking place in the nation as a whole, Mennonites had to go through their own civil rights struggle before they came to accept interracial marriages and integrated congregations. Based on oral history interviews, photographs, letters, minutes, diaries, and journals of white and African-American Mennonites, this fascinating book further

illuminates the role of race in modern American religion.

Bush's Brain James Moore, Wayne Slater, 2011-02-10
Praise for Bush's Brain Love him or hate him, Karl Rove is one of the most brilliant and successful political consultants of all time. In this riveting account, Wayne Slater and Jim Moore tell how he got there. —Paul Begala, CNN's Crossfire
Bush's Brain isn't a hatchet job on George W. Bush. In fact, the two authors largely dispel the myth of Bush's supposedly deficient IQ. But, more importantly, they lay bare the story of how Karl Rove may be the most powerful man in America. It's a compelling story told by two veteran Texas journalists who don't need a briefing packet to understand the men they're writing about. —Philip Bruce, KCET/PBS Television, Los Angeles
The most powerful individual in the United States may not be George W. Bush. It is probably Karl Rove, the President's brilliant advisor. Who is this man and how did he acquire so much power? Having watched in awe for over fifteen years as they reported on the rise of Karl Rove, Moore and Slater expose the brutal and sometimes morally questionable, but invariably effective ways in which Karl Rove and America's political system—actually operate.

Frankenstein: The Legacy Christopher

Schildt,2002-05-08 Did I request thee, Maker from my clay to mould me man? Did I solicit thee, from darkness to promote me? -- Milton, Paradise Lost Two centuries ago, a man named Victor Frankenstein succeeded in his quest to create life from lifelessness. But the result was a hideous creature that wrought havoc on the world, coming to its end in the frozen wastes of the Arctic, leaving a trail of corpses in its wake, and a legend that would not die. Now, three scientists travel to the North Pole searching for the truth behind a ship that has been found frozen in the ice. When they arrive, they are stunned to discover Frankenstein's notes on the creation of his monster -- notes that will lead them on a deadly quest to re-create the experiment begun so long ago. A quest to create life....

Unequivocal Malice Michael Parker, 2004-12 A killer haunted by his unstable childhood and his passion for revenge is tracked by the sheriff and two small-town reporters.

The Year of My Death Kenny Felderstein, 2003-10 Mark Brown, a business executive, had a vivid dream he would live until the year 2038. Months later a horrific plane crash occurs. Just before the crash, Mark grabs the arm of the passenger next to him, Howard Bowman, and tells him to hold on because he is going to live until the year 2038. At the hospital, Mark and Howard are told they are the only ones to survive. Lauren Rifkin, a tabloid investigator, finds out about Mark's dream and what he said to Howard before the crash. She and her Chief Editor, Weaver, convince Mark they can make him a major personality if they promote his dream as a premonition. The plan works, but the price of fame and fortune turns out to be higher than Mark anticipated. There are some who will benefit if they can cause him to have another near-death experience and others who want to challenge his so-called premonition by killing him before the year 2038. *The Year of My Death* is a thriller, but what lies beneath is the opportunity for hope.

The White Tattoo William James Cobb, 2002 *The White Tattoo* is a smart, always surprising collection of American stories. William J. Cobb knows and loves his character and places. His

first collection of short stories, *The White Tattoo*, revels in the undeniable allure of the physical world even as it is juxtaposed with the twists and kinks of psychological and emotional pain. At one extreme is the tense, torturous psychology of *Motel Ice*, whose narrative voice emerges from the mind of a mentally disturbed Jehovah's Witness gazing out on a world of temptation and redemption. Similarly hyperdramatic in its conclusion and its arc of betrayal and violent aftermath, *For All You Dorks, Blah Blah Blah* conjures up a sleepwalking, murderous father who is less culpable in the harm he causes but all the while most destructive. Stylistically, the stories crackle, snap, and zing. Several of them, including *The Wishes*, *The Atmosphere of Vienna*, and *Dark Matter*, use an idiosyncratic, Tilt-0-Whirl narrative marked by a swirling, shifting focus and point of view, trying to create a multifaceted, complex vision of the world by dipping in and out of the consciousness of various characters.

A Matter of Confidence Rob Shaw, Richard Zussman, 2018-03-19 Shortlisted, 2019 BC and Yukon Book Prizes Hubert Evans Prize for Non-Fiction A breathtaking behind-the-scenes look at the dramatic rise and fall of Christy Clark's BC Liberals, the return to power of the NDP, and what it means for British Columbia's volatile political climate going forward. British Columbia's political arena has always been the site of dramatic rises and falls, infighting, scandal, and come-from-behind victories. However, no one was prepared for the historic events of spring 2017,

when the Liberal government of Christy Clark, one of the most polarizing premiers in recent history, was toppled. *A Matter of Confidence* gives readers an insider's look at the overconfidence that fuelled the rise and fall of Clark's premiership and the historic non-confidence vote that defeated her government and ended her political career. Beginning with this pivotal moment, the book goes back and chronicles the downfall of Clark's predecessor, Gordon Campbell, which led to her unlikely victory in 2013, and traces the events leading up to her defeat at the hands of her NDP and Green opponents. Told by reporters Richard Zussman and Rob Shaw, who covered every moment of the election cycle, and illustrated by candid and extensive interviews with political insiders from both sides of the aisle—including Christy Clark and John Horgan—this book is a must read for anyone who cares about BC politics and the future of the province.

Lost Tomorrows Matt Coyle, 2019-12-03 Winner of the Shamus Award and Lefty Award Would you risk your own soul to avenge the death of a loved one? A phone call thrusts Rick Cahill's past and all its tragic consequences into his present. Krista Landingham, his former partner on the Santa Barbara Police Department, is dead. When Rick goes to the funeral in the city where his wife was murdered and where he is seen as guilty for her death in the eyes of the police, he discovers that Krista's death may not have been a tragic accident, but murder. Hired by Krista's sister, Leah, to investigate, Rick follows clues that lead him to the truth, not only about Krista's death,

but about the tragedy that ruined his life. Along the way, Leah shows him that his life can be salvaged, and he can feel love again if he can just move beyond his past. But the past is Rick's present and will always be until he rights his one great wrong. In the end, Rick is left with a decision that forces him to confront the horrific actions he'll need to take to exact revenge and achieve redemption. A hard-boiled PI thriller perfect for fans of Robert Crais and T. Jefferson Parker While all of the novels in the Rick Cahill PI Crime Series stand on their own and can be read in any order, the publication sequence is:
