Dramatic Black & White Photography Using Nik Silver Efex Pro 2 Robin Whalley, Fully revised & updated August 2018 Covers Dx0 and Google versions of Nik Silver Efex Pro 2 Nik Silver Efex Pro 2 quickly gained an enthusiastic following amongst photographers' keen to produce dramatic black and white photography. Today, it still enjoys a strong following and for good reason. It helps you to quickly produce photographs that could take many hours using other photo editors. Despite this, a lot of photographers still don't realise the full potential of their work. The secret to success with Nik Silver Efex Pro is like most things in life. It's knowing what to do to achieve a desired outcome. This is where this book can help you. · It thoroughly explains every control in the Silver Efex software. Not by using vague descriptions, but by examining the effect of the controls on sample images. · You will find recommendations about which sliders to use to achieve specific results. · There are tips spread throughout the book explaining how to accomplish dramatic conversions as well as improve your photo editing. · It explains the order in which you should apply adjustments to your image to improve conversions (it's not the order in the interface suggests). · There are ideas about how to pre-process your photos before converting them black and white. · It contains four full length examples detailing image conversions with Nik Silver Efex Pro 2. To support the worked examples in this book, you can download the starting images from the authors website and follow his editing

on your own computer. Truly master Nik Silver Efex Pro with the help of this book.

Photoshop CS3 Photo Effects Cookbook Tim Shelbourne, 2007 Whether you're just getting getting into Photoshop or have been using it for a while, you know that it's a many-faceted application that can be somewhat overwhelming to master. With 53 easy-to-follow recipes, Photoshop CS3 Photo Effects Cookbook shows you how to use Photoshop CS3 to simulate classic camera and darkroom techniques and special effects--without making you first learn Photoshop inside and out. The book covers: Using the improved Vanishing Point, Lens Blur, and Black & White filters Creating graphic art effects: posterization, watercolor, pen and ink Working with lighting effects: neon glows, lens flares, fire and flame effects Simulating natural phenomena: rain, snow, and lightning Adapting traditional techniques: film grain, contrast masks, hand-tinting, cross-processing Adding motion blurs and other special effects Assembling multi-layered images and photomontages Packed with hundreds of full-color images, step-by-step instructions, and many practical tips, this book-and Adobe Photoshop CS3- are all you need to create professional graphic art effects from almost any image source.

Mastering Nik Color Efex Pro 4 Robin Whalley, Newly expanded and revised, May 2021 In this latest edition covering Nik Color Efex Pro 4, landscape photographer Robin Whalley explains how to make the most of this powerful and versatile photo editor. In his usual straightforward style, he carefully

guides you through using Nik Color Efex Pro 4 as both a plugin and standalone photo editor. After explaining the many features and how you might use them, the 55 Color Efex Pro filters are described in full. Each filter and its controls are detailed, together with usage tips and advice for combining the different filters. You will learn how to:

- Use and manage Control Points to make complex selections and adjustments with ease.
- Integrate Nik Color Efex Pro 4 into your workflow as either a Plugin or standalone editor.
- Combine multiple filters to greatly improve your editing results.
- Apply the non-destructive workflow introduced in the Nik Collection 3 by DxO.
- Work with the Nik Selective Tool in Photoshop.

At the end of the book are four full length editing examples using only Nik Color Efex Pro 4. The examples demonstrate how to use the software to transform ordinary colour photography and elevate it to a new level. The starting images are available to download on the authors website, allowing you to follow the examples on your own computer. This comprehensive book assumes no prior knowledge of Nik Color Efex Pro 4 and is ideal for both the beginning and intermediate Nik user. It covers all versions of Nik Color Efex Pro 4 up to and including the version in the Nik Collection 3 by DxO. Improve your Nik Color Efex Pro 4 skills with this book and take your photography to new heights.

Professional Image Editing Made Easy with Affinity Photo Jeremy Hazel, 2023-05-31 Utilize Jeremy Hazel's vast Affinity Photo expertise to

confidently solve problems in your photo edits by understanding the workflow structure and arming yourself with the most effective photo editing techniques in Affinity Photo Key Features Learn to use masking, selection, brushes, blend mode, and color tools in the photo editing workflow Unveil advanced personas used in the editing pipeline like tone mapping, liquification, and more Create your own brushes and build your artistic pallet in Affinity Photo Book DescriptionIn this book, you'll explore the Affinity Photo program through practice-based learning as you make popular photo edits, learning the tools and techniques in conjunction with the workflow concept. Instead of comprehensive description of the tools, you'll learn through practical application and understand why they work, not just how they work. This is neither a technical manual nor a workbook but a project-based hybrid approach that provides a deeper understanding of how to use each tool to achieve your goal. Starting with the fundamentals of navigating the interface, understanding layers, and making your first edit, this Affinity Photo book gradually increases the complexity of projects. You'll go from single-layer edits, composites, and RAW development to putting together a complex composition using the tools that you've learned along the way. Additionally, you'll learn the best practices used by expert photo editors for a flawless finish. By the end of this book, you'll have a good body of work, be able to evaluate the edits you want to make, and achieve desired results with Affinity Photo.What you will learn Develop a repeatable

methodology for use in your photo editing style Understand the most frequently utilized techniques by professional editors Compete a body of work for use and reference in future projects Develop your own libraries of assets, macros and tone mapping presets for your style Recreate popular editing styles utilized in print and film Recondition older family photos Understand and deconstruct other editing styles to expand your knowledge Who this book is for If you are a beginner to any form of photo editing or are a Photoshop user switching from Adobe, this book is for you. This book is also for small business owners who want to do brand-specific editing on stock photos but have limited experience in photo editing. Beginner-level editors, photographers, and people looking to get into product photography and advertising will be able to make the most out of this book.

Photoshop Edward Bailey, Professor of Business Communications Edward Bailey, 2015-09-23 Did you ever want to learn how to make your photos stand out? ** Get this book by Amazon Best Selling Author Edward Bailey ** Do you think Photoshop is too complicated for you? If you answered YES to both questions, then this book is perfect for you. You can make your photos stand out and you can do it easily. This book will help you realize that the photo-editing processes in Photoshop aren't complicated and you can edit your images like a pro. Whenever we look through magazines or browse some websites, we see photos of high quality. These photos didn't always look perfect. They started as ordinary photos taken by a person who wanted to

point something out or to capture some beauty or simply to take a picture of someone else or even themselves. Yes, these photographs were edited. The only reason they look perfect to you is because the photographer or graphic designer wanted to make the focus of the photo stand out or to express his or her creativity. If you ever wondered how amazing it would be to actually make your own images look like that, then this book is the ideal solution for you. The book teaches you how to edit images using the same techniques as professional editors and photographers. People usually get discouraged whenever they hear or read the word professional. To them, the word immediately indicates a complicated and time-consuming process that they would never be able to understand or even perform. This is, exactly what makes this book different from all other books; the simplicity. Here is what this book will teach you: * Various Photoshop art effects - in this part of the book, you will learn how to turn your photo into a painting in 15 easy steps. Moreover, you can turn the photo you capture into a pencil drawing and it can be done in 10 steps. It really is that easy. If you ever wanted to make a comic book with you as the main character (or your friends), this book contains the step by step guide. In 17 simple steps, you can become a comic book character * Editing and repairing old photos - you probably have tons of old photos that are slightly damaged. The second part of this book teaches you how to repair damaged photos in 4 steps; (YES! It is that easy), and you can also ADD color to your old black and white photos. You can use these

techniques and make a perfect birthday/holiday present for your parents or grandparents * Photoshop hacks for graphic designers - in this part, all graphic design enthusiasts can learn how to add a flaming effect to various objects or to add an exploding text effect Benefits of buying this book: * Simple techniques * Step by step instructions * Versatile content * Practical use * Brings out your own creativity Read this book for FREE on Kindle Unlimited - Download Now!" All photo-editing methods in this book are simple and able to be performed by absolutely everyone. Moreover, throughout the book, you will learn how to express your own creativity and you can adjust the values of all settings according to your preferences. Follow the instructions provided in this book and start editing your images like a pro. All that you need to be a pro is your own creativity (which you already have) and Photoshop. Get started.
