SoulCollage Seena B. Frost, 2001 SoulCollage™ is a process through which you contact your intuition and create an incredible deck of cards which have deep personal meaning and which will help you with life's questions. Following the simple SoulCollage directions, your hands move fragments of cut-out magazine pictures around, fitting them together in a surprising new way and gluing them down on a card. Cards containing the images you select -- or the images that select you -- come straight through your Soul, bypassing the mind. This is a multi-leveled, creative process which anyone can do. All you need is a good pair of scissors, pre-cut mat board cards, glue, and images you can cut

out from magazines, greeting cards, personal photos, postcards, catalogues, and calendars. It is wonderful to have other people with whom to share the process. The cards are fun to take to a friend's house, to work with in therapy or support groups, or to keep on your coffee table.--

*John Derian Picture Book* John Derian, 2016-10-04 New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decoupaged with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From

intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.
