Digital Culture & Society (DCS) Ramón Reichert, Annika Richterich, Pablo Abend, Mathias Fuchs, Karin Wenz, 2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.

The Photographer Barbara Steiner, 2014-08-05 Some people would die to have the perfect picture Derrick, the new kid at Boulder High, seems a little strange. Maybe he's just shy, or marches to the beat of a different drummer, but he gives Cynthia the creeps. He's got talent with a camera, though, and quickly earns a spot in the school photography club with Megan, who has been having strange dreams ever since he arrived. When the pretty girls Derrick photographs for the school paper begin getting sick, Megan realizes his camera can do more than take spectacular photos—it can actually kill. And Megan is not immune to Derrick's control. Can she stop him before she becomes his next victim?

100 Things Kansas Fans Should Know & Do Before They Die Ken Davis, Bill Self, 2013-11-01 The storied history that is KU basketball is revealed in this compilation of the most critical moments and important facts about past and present players, coaches, and teams. Most Kansas basketball fans have attended games at Allen Fieldhouse, seen highlights of a young Paul Pierce, and remember watching the Jayhawks cut down the net in 2008. But only real fans know the origins of the Rock Chalk Jayhawk Chant, where the Jayhawks played prior to calling Allen Fieldhouse home, and can name the former Jayhawk who went on to earn the Republican nomination for president. Scattered throughout the pages are pep talks, records, and Jayhawks lore, including lyrics to "I'm a Jayhawk"; stories from Wilt Chamberlain's years at Kansas; Phog Allen's 39 seasons on the Kansas bench; Roy Williams' memorable 15-year run, including three trips to the Final Four. Whether a die-hard fan from the days of Larry Brown or a new supporter of Bill Self and Mario Chalmers, readers will find that this book contains everything Jayhawks fans should know, see, and do in their lifetime.

Linked Gordon Korman, 2021-07-20 An unforgettable novel from the New York Times bestseller Gordon Korman Link, Michael, and Dana live in a quiet town. But it's woken up very quickly when someone sneaks into school and vandalizes it with a swastika. Nobody can believe it. How could such a symbol of hate end up in the middle of their school? Who would do such a thing? Because Michael was the first person to see it, he's the first suspect. Because Link is one of the most popular guys in school, everyone's looking to him to figure it out. And because Dana's the only Jewish girl in the whole town, everyone's treating her more like an outsider than ever. The mystery deepens as more swastikas begin to appear. Some students decide to fight back and start a project to bring people together instead of dividing them further. The closer Link, Michael, and Dana get to the truth, the more there is to face—not just the crimes of the present, but the crimes of the past. With *Linked*, Gordon Korman, the author of the acclaimed novel *Restart*, poses a mystery for all readers where the who did it? isn't nearly as important as the why?

Burn Melanie Saward, 2023-08-29 A great book - storytelling with heart, and a testimony to truth.' - Tony Birch When a tragic bushfire puts two kids in hospital, Indigenous teenager Andrew knows the police will come after him first. But Andrew almost wants to be caught, because at least it might make his dad come and rescue him from suburban Brisbane and his neglectful mother. Growing up in small-town Tasmania, Andrew struggled at home, at school, at everything. The only thing that distracted or excited him was starting little fires. Flames boosted his morale and purified his thoughts, and they were the only thing in his life he could control. Until one day things got out of hand, and Andrew was forced to leave everything behind. Now as the police close in and Andrew runs out of people to turn to, he must decide whether he can put his faith in himself to find a way forward. *Burn* is an affecting, powerful novel about prejudice and growing up on the margins from exciting new Australian voice Melanie Saward.

Roxanne of Dark Energy Dean Marquis, 2015-06-05 Corporal Budo Gresham and the other men of the US Eleventh Armored Cavalry Regiment a.k.a. the Black Horse Regiment are serving on the border between East Germany and West Germany during the eighties, keeping a watchful eye on their Soviet counterparts on the other side. In the midst of a combat action, they are hit by what seems to be a nuclear explosion and find themselves suddenly transported to another dimension. There, the men of the squad encounter strange creatures and living machines. They also meet Roxanne, who seems to be a little girl but is in fact an electromagnetic entity who guides them in this new place. What's more, they soon learn that in this dimension, machines of destruction conquer worlds and turn life into one of three elemental states, each with a specific purpose. The machines recruit the squad members, giving them nine swords of dark energy to help fight their enemies but only time will reveal the true intentions of the machines. In this epic work of science fiction, a group of men ripped through time and space to another dimension must make their way together with the help of an unlikely ally if they are to survive.

A May Moore Suspense Thriller Bundle: Never Live (#3) and Never Hide (#4) Blake Pierce, 2022-08-19 A bundle of books #3 (NEVER LIVE) and #4 (NEVER HIDE) in Blake Pierce's May Moore Mystery series! This bundle offers books three and four in one convenient file, with over 100,000 words of reading. In NEVER LIVE (Book #3), May Moore, 29, an average Midwestern woman and deputy sheriff, has always lived in the shadow of her older, brilliant FBI agent sister. Yet the sisters are united by the cold case of their missing younger sister—and when a new serial killer strikes in May's quiet, Minnesota lakeside town, it is May's turn to prove herself, to try to outshine her sister and the FBI, and, in this action-packed thriller, to outwit and hunt down a diabolical killer before he strikes again. An after-prom party by the lake has gone horribly awry, with a teenage victim found dead on the shore. May struggles to connect the dots, trying to reconstruct an evening that none of the parties can remember. Did the party simply spiral out of control? Or could this be the work of a new killer? In NEVER HIDE (Book #4), a body is found floating peacefully in the lake in May's hometown, and soon, more begin to appear. This body seems too peaceful, the murder too eerily calm. Can May enter this killer's mind and crack the case before he claims his next victim? A page-turning and harrowing crime thriller featuring a brilliant and tortured Deputy Sheriff, the MAY MOORE series is a riveting mystery, packed with non-stop action, suspense, jaw-dropping twists, and driven by

a breakneck pace that will keep you flipping pages late into the night. Books #5 and #6 in the series—NEVER FORGIVE and NEVER AGAIN—are also available!

Autumn's Dancing Leaves Ralph Hunter, 1999-03-01 Eddie didn't favor anyone in his family. Fair, blonde, and green-eyed, he stood in sharp contrast to the other darker-complected, dark-haired, blue-eyed members. The difference created a rift in the family fabric and his mother singled him out for abuse, irrationally holding him responsible for the family's turmoil. Little Eddie struggled with the severity of his maltreatment but, by age eleven, could no longer handle the circumstances of his life. He decided his only escape would be to die, that by conscious will, he could simply resolve to give up life and cease to exist. Eddie's mind, alerted to his decision, and believing the ultimate goal for any entity was to continue, regardless of form or quality of life, was determined to survive. Panicked at the threat of cessation, his mind made a desperate decision -- it fractured his personality and created Randy from traits that had been repressed in Eddie. Randy, a tough, defiant individual, was created to bring new energy, new life, and stand in defense of the defeated, accepting Eddie. Rising to the challenge, he accepted the responsibility of his creation and was fiercely focused to protecting Eddie while endeavoring to create new circumstances for the life they shared. Randy was proud of his efforts to save Eddie. He knew he was Eddie's paladin, his champion, created for a noble purpose -- to bring Eddie back from the brink of oblivion. After many struggles, Randy's efforts appeared to be successful and the mind considered the possibility of enjoying the existence he'd insured. It pondered the idea of Eddie being involved with the world, rather than merely persisting through the time allotted for the life. Aware of Eddie's inability to interact with the world around him, the mind again fractured the personality creating Jesse, a new facet, an aesthetic personality, focused to tender feelings of love and friendship -- and aspects which determine quality of life. Jesse felt he was created to experience emotions and appreciate beauty, to evolve the repressed side of the personality, to bring stability to the entity. He believed he was born to search for love, to find the emotional equilibrium that would bring the separate identities into harmony. Developed from suppressed characteristics, Jesse was creative and confident, loving and inquisitive, charming and fun loving. And he was on a quest -- determined to achieve his goal. Without Eddie's awareness of them, Randy and Jesse sought to balance their existence and hoped they were achieving what they saw as a normal life until Jesse experienced an incident which shattered that belief and forced them to realize they had not progressed as far as they thought. Jesse's realization that he had made a terrible mistake was devastating. Jumping to a conclusion, Randy, the controlling personality, in his determination to fend off any challenges to them, felt he must take over to handle the crisis in an effort to protect them...

When Doves Cry Kristy Stevens, 2018-03-02 In a land before time, a war broke out among the heavens, and a vicious battle ensued. Angels and demons alike collide, and the ending result is where our story begins. Brookes entire life is turned upside down when she receives a phone call from her sister, asking her to take in her niece, Alex, as she begins her freshman year of high school. After Alex arrives on the island of Harbor Hills, Brooke is suddenly caught up in a plot of vengeance older than time itself. When Alex is kidnapped by a Satanic coven out for blood, its up to Brooke to save her. Secrets of the past come back to haunt her as Brooke scrambles to piece together the clues before time runs out. With what seems like the entire world going against her, will Brooke have what it takes to save the day? Or is this just what happens, When Doves Cry?

One Thousand Moons Martin Hurcomb, 2021-07-28 In between jobs and living alone in a quiet village on the Surrey/Sussex border, thirty-year-old Alba White is drifting through life.

The Advocate , 2001-08-14 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

High-Caliber Holiday Susan Sleeman, 2015 CAUGHT IN THE CROSSHAIRS Held hostage on a train, ex-lawyer Morgan Thorsby finds her powers of persuasion failing her for the first time. Former marine sniper Brady Owens is her only hope--but his split-second hesitation on the trigger leaves her wounded. Yet when an obsessed stalker threatens Morgan, Brady steps up. Protecting someone so tough and beautiful is hardly a chore, but Brady pulls back every time they get close. Morgan isn't ready for the connection forming between them, either, but she knows she needs his help. Can Brady capture the culprit in time for Christmas? First Responders: Brave men and women alert and ready for danger and love.

iPhone and iOS Forensics Andrew Hoog, Katie Strzempka, 2011-07-25 iPhone and iOS Forensics is a guide to the forensic acquisition and analysis of iPhone and iOS devices, and offers practical advice on how to secure iOS devices, data and apps. The book takes an in-depth look at methods and processes that analyze the iPhone/iPod in an official legal manner, so that all of the methods and procedures outlined in the text can be taken into any courtroom. It includes information data sets that are new and evolving, with official hardware knowledge from Apple itself to help aid investigators. This book consists of 7 chapters covering device features and functions; file system and data storage; iPhone and iPad data security; acquisitions; data and application analysis; and commercial tool testing. This book will appeal to forensic investigators (corporate and law enforcement) and incident response professionals. Learn techniques to forensically acquire the iPhone, iPad and other iOS devices Entire chapter focused on Data and Application Security that can assist not only forensic investigators, but also application developers and IT security managers In-depth analysis of many of the common applications (both default and downloaded), including where specific data is found within the file system

Vivian Maier Pamela Bannos, 2018-09-19 Many know her as the reclusive Chicago nanny who wandered the city for decades, constantly snapping photographs, which were unseen until they were discovered in a seemingly abandoned storage locker. When the news broke that Maier had recently died and had no surviving relatives, Maier shot to stardom almost overnight. Bannos contrasts Maier's life has been created, mostly by the men who have profited from her work. Maier was extremely conscientious about how her work was developed, printed, and cropped, even though she also made a clear choice never to display it.

Motion Picture Story Magazine , 1953

Painting the City Red Yomi Braester, 2010-04-07 Painting the City Red illuminates the dynamic relationship between the visual media, particularly film and theater, and the planning and development of cities in China and Taiwan, from the emergence of the People's Republic in 1949 to the staging of the Beijing Olympics in 2008. Yomi Braester argues that the transformation of Chinese cities in recent decades is a result not only of China's abandonment of Maoist economic planning in favor of capitalist globalization but also of a shift in visual practices. Rather than simply reflect urban culture, movies and stage dramas have facilitated the development of new perceptions of space and time, representing the future city variously as an ideal socialist city, a metropolis

integrated into the global economy, and a site for preserving cultural heritage. Drawing on extensive archival research, interviews with leading filmmakers and urban planners, and close readings of scripts and images, Braester describes how films and stage plays have promoted and opposed official urban plans and policies as they have addressed issues such as demolition-and-relocation plans, the preservation of vernacular architecture, and the global real estate market. He shows how the cinematic rewriting of historical narratives has accompanied the spatial reorganization of specific urban sites, including Nanjing Road in Shanghai; veterans’ villages in Taipei; and Tiananmen Square, centuries-old courtyards, and postmodern architectural landmarks in Beijing. In *Painting the City Red*, Braester reveals the role that film and theater have played in mediating state power, cultural norms, and the struggle for civil society in Chinese cities.

10 Critical Components for Success in the Special Education Classroom Marcia Rohrer,Nannette Samson,2014-02-24 Your blueprint for building structure, consistency, and accountability year-round! This must-have guide provides special education teachers with a solid, workable action plan to manage the classroom and ensure student success. Learn instructional strategies to: Support all students with special needs, including those with more severe disabilities Organize your classroom, materials, and staff and student schedules Plan and assess standards-based lessons, annual IEP’s, behavioral interventions, and more Foster parent communication and staff collaboration Packed with real-world examples, free tools to use and share, a list of resources and a helpful glossary, this dynamic resource will inspire you, develop your teacher toolbox, and ensure your students are on the path to achievement!

Bliss Kristin MacQueen,2023-04-12 Stuck on the side of the road on the worst day ever, I meet the guy who can make life a little bit easier. He’s the dream man, one I'm not good enough for. Nate understands me like no one else, but I’m scared he won’t survive the world I’m forced to live in. My mother will do anything in her power to tear us apart. To break me. But Nate feels like the home I never had, and I can’t let him go no matter what she tries. Women have never paid any attention to me. They only cared about my brother, the more appealing of the Brooks twins. I’ve never really been interested in anyone enough to date... until I find the most beautiful woman broken down on the side of the road. She’s shattered behind the dazzling smile and sweet personality. I love her quirks and she brings out a protective side I didn’t know I possessed. The only thing I need is Lacey by my side. And if I have to take on her whole family just to keep her safe? So be it. Tropes: Forbidden, small town romace, unexpected pregnancy, meet cute, learning to love

The Antlered Ship Dashka Slater,Eric Fan,2018-09-26 An inquisitive fox sets off on a seafaring voyage with a crew of deer and pigeons in this enchanting tale of friendship and adventure. Marco the fox has a lot of questions, like: how deep does the sun go when it sinks into the sea? And why do birds have such lizardy feet? But none of the other foxes share his curiosity. So when a magnificent ship adorned with antlers and with a deer for a captain arrives at the dock looking for a crew, Marco volunteers, hoping to find foxes who are as inquisitive as he is that can answer his questions. The crew finds adventure and intrigue on their journey. And, at last, Marco finds the answer to his most important question of all: What's the best way to find a friend you can talk to?
