

# Photo Slides Photo Frame

JR Anderson

**Sports Illustrated Slide Show** Editors of Sports Illustrated,2009-05-05 If every picture tells a story, every slide tells an even deeper one. Tucked away in Sports Illustrated's photo archive sits 50 years worth of film, a frame-by-frame depiction of the history of sports over the last half a century. The stickers and scribbles along a single slide's border are like tags on a streamer trunk, telling the story of that photo's journey from the playing field to the magazine. This book selects the most colorful of these slides and presents the mounts as objects of art in an oversized 176-page collection, complete with behind-the-scenes vignettes of how the shots came to be. Some slides capture classic SI cover images (Dwight Clark's catch in the 1982 NFC Championship Game or Brandi Chastain ripping her shirt off at the 1999 World Cup) while others are simply great photos (Pete Rose running at full speed or Joe Namath lounging poolside before Super Bowl III). The images themselves are iconic, but by seeing them as slides you get that extra step back. You can see the history that has been made from these flashes of an instant.

**Fun for Kids III** Marion F. Gallivan,2002 An index to children's craft books published since 1991. Provides a guide to craft instructions alphabetically by project, or by type of material used.

**12 Women in Business** Brianna L. DeVore,2020 From YouTube CEO Susan Wojcicki to Body Shop founder Anita Roddick, Marvel Studios executive Victoria Alonso, and Brazil's Luiza Helena Trajano, who turned her aunt's small gift shop into a billion-dollar company, this book profiles 12 women business leaders from around the world. Each chapter includes attention-grabbing photos, biographical details, and fascinating facts. Sidebars go beyond the basics, and prompts invite readers to think for themselves. An Out of the Shadows section features mini-bios of women in business who never got the recognition they deserved.

**Office 365 All-in-One For Dummies** Peter Weverka,Matt Wade,2022-01-06 Multiply your productivity with the world's most straightforward guide to the world's most popular office software Microsoft Office 365 contains straightforward tools for virtually every office task you could possibly think of. Tradition in the Frame Konstantinos Kalantzis,2019-08-09 Sfakians on the island of Crete are known for their distinctive dress and appearance, fierce ruggedness, and devotion to traditional ways. Konstantinos Kalantzis explores how Sfakians live with the burdens and pleasures of maintaining these expectations of exoticism for themselves, for their fellow Greeks, and for tourists. Sfakian performance of masculine tradition has become even more meaningful for Greeks looking to reimagine their nation's global standing in the wake of stringent financial regulation, and for non-Greek tourists yearning for rootedness and escape from the post-industrial north. Through fine-grained ethnography that pays special attention to photography, Tradition in the Frame explores the ambivalence of a society expected to conform to outsiders' perception of the traditional even as it strives to enact its own vision of tradition. From the bodily reenactment of historical photographs to the unpredictable, emotionally-charged uses of postcards and commercial labels, the book unpacks the question of power and asymmetry but also uncovers other political possibilities that are nested in visual culture and experiences of tradition and the past. Kalantzis explores the crossroads of cultural performance and social imagination where the frame is both empowerment and subjection.

**The Permanence and Care of Color Photographs** Henry Gilmer Wilhelm,Carol Brower,1993 Reference source for the care and preservation of photographs and motion picture film. Evaluates the light fading and dark fading/yellowing characteristics of color transparency films, color negative films, and color photographic papers, with recommendations for the longest-lasting products. High-resolution ink jet, dye sublimation, color electrophotographic, and other digital imaging technologies are discussed, as are conservation matting, mount boards, framing, slide pages, negative and print enclosures, storage boxes, densitometric monitoring of black-and-white and color prints in museum and archive collections, the care of color slide collections, the permanent preservation of color motion pictures, the preservation of cellulose nitrate films, and many other topics.
