📖 **TOY STORIES** GABRIELE GALIMBERTI,2014-03-25 For over a year, the photographer and journalist Gabriele Galimberti visited more than 50 countries and created colorful images of boys and girls in their homes and neighborhoods with their most prized possessions: their toys. From Texas to India, Malawi to China, Iceland, Morocco, and Fiji, Galimberti recorded the spontaneous and natural joy that unites kids despite their diverse backgrounds. Whether the child owns a veritable fleet of miniature cars or a single stuffed monkey, the pride that Galimberti captures is moving, funny, and thought provoking.

📖 **AROUND THE WORLD: THE GRAND TOUR IN PHOTO ALBUMS** BARBARA LEVINE,KIRSTEN JENSEN,2007-10-04 With snapshots, passenger lists, itineraries, and postcards, and from Cairo to Burma and back again, authors Barbara Levine and Kirsten Jensen transport readers back to the dawn of world travel when the middle class toured the world for the first time.

📖 **MAGNUM ATLAS** MAGNUM PHOTOS,2017-10-24 Celebrating Magnum’s photographic excellence in this captivating book, readers will travel around the globe with the world’s finest photographers through 365 images. Featuring new and iconic images, this follow-up to Prestel’s highly successful A Year in Photography: Magnum Archive includes some of the most striking photography ever collected in one volume. As readers flip the pages they will find themselves traveling from west to east across the globe. Each country is represented in three or four images captured by a single photographer. While renowned figures such as Robert Capa, Bruce Davidson, and Martin Parr are included, readers will also find younger photographers such as Olivia Arthur, Alessandra Sanguinetti, and Mikhael Subotzky, all of whom present dazzling new views of our changing world. Shining a light on the human condition in every corner of the globe, this compilation exemplifies Magnum founder Henry Cartier-Bresson’s vision of a community of thought, a shared human quality, a curiosity about what is going on in the world, a respect for what is going on and a desire to transcribe it visually.

- 📖 **The Bonds We Share** Glenn Losack, 2021-09-14 In extraordinary, life-affirming photos taken around the world—from developing villages to urban centers—over the last 40 years, a photographer makes the bold case that what unites us is more powerful than the borders that divide us. A portion of the proceeds for The Bonds We Share will benefit Doctors Without Borders. Hailed as “photography’s new conscience,” photographer and psychiatrist Dr. Glenn Losack has spent a lifetime traveling the world, determined to extend healing, hope, and compassion. With a camera in hand, he goes places that tourists rarely visit, including slums, alleys, and dark streets. He’s seen struggle, but he’s also seen our shared humanity: families playing together, laborers working, the devout praying to their gods. Dr. Losack has found resilience, joy, passion, and celebration in communities the world over, even in places plagued with corrupt government, poor infrastructure, and disease. The 240 captivating photos in The Bonds We Share, taken in India, the Dominican Republic, Bangladesh, Cambodia, Morocco, Peru, Tunisia, Sri Lanka, Egypt, the United States, Eastern Europe, and elsewhere, serve as a remarkable retrospective of Dr. Losack’s work and reveal an essential truth: we may come from very different cultures, far-ranging geographic corners, belief systems, and economic circumstances, but we all share the same desire to work hard, raise families, and lead fulfilling lives. In this spectacular volume, Dr. Losack interrogates timely notions of difference and portrays the commonality of people from different cultures around the globe.

- 📖 **Greatest Photos Around the World** Bo Keeley, 2014-10-07 These are the people, places and things I have seen in 35 years of travel to 105 countries, the difficult way, under a backpack with a camera. It is a simple collection of 181 shots without the pretense of being a professional photographer. And yet, I’ve been told many are magazine quality and some have been published in my other travel books. Every photo from Around the World comes with this guarantee: each has a quirk, poignancy, or story without words behind it.
- 📖 **Abstract Photos Around the House** Rolf McEwen, 2019-11-03 Some people spend lots of time at home. They search for things of beauty. They see things in the abstract, enjoying the lines, exploring the shapes, exploiting the contrasts. This book portrays the kinds of images that emerge in such a search. Being at home needs not to be a bore.
- 📖 **Walking Around Greenville** John Warner, 2022-11-07 John Warner walks daily in Greenville, South Carolina, taking photos celebrating the city’s amazing renaissance regularly winning awards for our wonderful parks, trails, and green spaces. He loves surprising friends with delightful images of well known things from a perspective or at a time of day that they may not have seen before. He posts a photo to social media most days to bring a smile to those who see them. Hopefully you too enjoy this collection of forty of his most liked images. Life is good and worth celebrating.
- 📖 **Material World** Peter Menzel, Charles C. Mann, 1994 A photo-journey through the homes and lives of 30 families, revealing culture and economic levels around the world.
- 📖 **Planet Earth** I. Mohns, 2020-07-14 Planet Earth is an amazing book with photos from around the world. My traveling led me across all continents and in 150 of 196 countries. Aerial photos from an altitude of up to 47,000 feet with wonderful sunrises and sunsets, airports, landscapes and cities. Especially in times of pandemic and Covid-19 it is even more important to see positive things. And in times when travel and holidays are only possible to a limited extent, you might find new destinations for the time after the pandemic. Lean back and enjoy
