**Historic Photos of Honolulu** ,2008-10 From the outrigger canoes of Waikiki to the tall ships of Honolulu Harbor, from the Kingdom of Hawaii to statehood, the history of Honolulu has played out against a backdrop of uncommon natural beauty. Home to the only royal residence on American soil, Honolulu witnessed in less than a century's time the overthrow of the Hawaiian monarchy, the rise of the powerful sugar barons, and the devastating attack on Pearl Harbor. Yet through the good times and bad always this unique port city has offered an easygoing, welcoming spirit, to go with the warm trade winds and soft ocean swells for which Honolulu is world famous. Historic Photos of Honolulu presents nearly 200 images from the later years of the Hawaiian kingdom to the early years of the fiftieth state. Reproduced in vivid black and white, the photos in this volume show the city's evolution and change, yet with a sense of its uncommon

beauty ever present.

*Elemental Hawaiian Splendor* Kelly Hart, 2017-12-06  
Siblings Molly Hart and Kelly Hart have teamed up to  
present this book of their photographs taken in Hawaii.  
They chose to focus on the elemental power that is so  
prevalent in the islands. These pages convey the  
excitement and beauty of that wonderful place. Born into a  
family that encouraged multiple creative expressions, Kelly  
and Molly both picked up photography at an early age, and  
it has been a continuous thread in their lives ever since.  
Molly has lived in Hawaii for many years and Kelly visited  
there for the first time early in 2017. They realized that the  
photographic records of their experiences would combine  
nicely into book format. Early on Molly was drawn to the  
extraordinary clarity and saturation of the tropical light.  
Abundant subjects of sea, land and botanicals provide daily  
photo opportunities. Her curiosity takes her deeper into an  
ordinary scene to find a more abstract expression that can  
take the viewer into a more aesthetic experience of the  
inherent beauty. Kelly began a professional career as a  
photographer when he was attending the University of

California at Berkeley. He took pictures for the Drama Department archives and did publicity stills for the Berkeley Folk Music Festival. Several of his photos graced the covers folk music albums. He attended the San Francisco Art Institute for awhile, studying photography. Decades later he dug through his old negatives and slides from his days of living in the San Francisco Bay Area and published a book of these images titled *San Francisco's Psychedelic Sixties: A Photographic Trip* with Kelly Hart, now available at Amazon.com.
