Networks of Outrage and Hope Manuel Castells, 2015-06-04

Networks of Outrage and Hope is an exploration of the new forms of social movements and protests that are erupting in the world today, from the Arab uprisings to the indignadas movement in Spain, from the Occupy Wall Street movement to the social protests in Turkey, Brazil and elsewhere. While these and similar social movements differ in many important ways, there is one thing they share in common: they are all interwoven inextricably with the creation of autonomous communication networks supported by the Internet and wireless communication. In this new edition of his timely and important book, Manuel Castells examines the social, cultural and political roots of these new social movements, studies their innovative forms of self-organization, assesses the precise role of technology in the dynamics of the movements, suggests the reasons for the support they have found in large segments of society, and probes their capacity to induce political change by influencing people's minds. Two new chapters bring the analysis up-to-date and draw out the implications of these social movements and protests for understanding the new forms of social change and political democracy in the global network society.

PERSUASION Jane Austen,2021-01-08 Persuasion is a novel written by a famous British writer Jane Austen. It is a story about the life of Anne Elliot, a middle daughter of baronet Sir Walter, a spender and bluffer. Due to these features of his character, he found himself in a difficult financial position. He has to rent a family estate Kellynch Hall in order to pay his debts. Meanwhile, his most smart and considerate daughter Anne goes to Uppercross to look after a sick sister. In the days of her youth she was mutually in love with Frederick Wentworth, but because of a fear of a poor marriage, "reasons of conscience" and on the insistence of a "family friend" Lady Russel Anne stopped her relationship with him. But now after eight years, some incredible coincidence happens. The family that rents Kellynch Hall is related to Frederick Wentworth. Is the old-time love still alive in the hearts of Anne and Frederick?

Digital Humanitarians Patrick Meier,2015-01-06 The overflow of information generated during disasters can be as paralyzing to humanitarian response as the lack of information. This flash flood of information's social media, satellite imagery and more is often referred to as Big Data. Making sense of this data deluge during disasters is proving an impossible challenge for traditional humanitarian

Freedom of expression and the internet Wolfgang

Benedek,Matthias C. Kettemann,2020-09-08 An invaluable resource for students of law, politics, international relations and technology as well as for diplomats and civil society actors, this publication demonstrates how the Council of Europe contributes to ensuring that everyone's voice online can be heard. This is key to sustainable, human rights oriented and people-centred digitalisation. Human rights matter on the internet. Without freedom of expression, people cannot participate in everything that the information society has to offer. Yet online free speech is in danger. Between state laws, private rules and algorithms, full participation in the online communicative space faces many challenges. This publication explores the profound impact of the internet on free expression and how it can be effectively secured online. The second, updated edition of this introduction into the protection of freedom of expression online answers essential questions regarding the extent and limits of freedom of expression online and the role of social networks, courts, states and organisations in online communication spaces. In clear language, with vivid examples spanning two decades of internet law, the authors answer questions on freedom of expression in cyberspace. Addressing issues from the protection of bloggers to the right to access online information, the publication also shows the importance of the standard-setting, monitoring and promotion activities of international and non-governmental organisations and includes a chapter on relevant national practice. It pays special attention to the role of European human rights law and the Council of Europe as this region's most important human rights organisation.

Foundations of Effective Influence Operations Eric Victor

Larson,2009 The authors aim to assist the U.S. Army in understanding influence operations, capabilities that may allow the United States to effectively influence the attitudes and

behavior of particular foreign audiences while minimizing or avoiding combat. The book identifies approaches, methodologies, and tools that may be useful in planning, executing, and assessing influence operations.

A Court of Wings and Ruin Sarah J. Maas,2017-05-02 The epic third novel in the #1 New York Times bestselling Court of Thorns and Roses series by Sarah J. Maas. Feyre has returned to the Spring Court, determined to gather information on Tamlin's actions and learn what she can about the invading king threatening to bring her land to its knees. But to do so she must play a deadly game of deceit. One slip could bring doom not only for Feyre, but for everything-and everyone-she holds dear. As war bears down upon them all, Feyre endeavors to take her place amongst the High Fae of the land, balancing her struggle to master her powers-both magical and political-and her love for her court and family. Amidst these struggles, Feyre and Rhysand must decide whom to trust amongst the cunning and lethal High Lords, and hunt for allies in unexpected places. In this thrilling third book in the #1 New York Times bestselling series from Sarah J. Maas, the fate of Feyre's world is at stake as armies grapple for power over the one thing that could destroy it.

Sufi Lyrics Bullhe Shah,2021-02-23 A modern translation of verses by Bullhe Shah, the iconic eighteenth-century Sufi poet, treasured by readers worldwide to this day. Bullhe Shah's work is among the glories of Panjabi literature, and the iconic eighteenth-century poet is widely regarded as a master of mystical Sufi poetry. His verses, famous for their vivid style and outspoken denunciation of artificial religious divisions, have long been beloved and continue to win audiences around the world. This striking new translation is the most authoritative and engaging introduction to an enduring South Asian classic.

The Ancient Egyptian Book of the Moon: Coffin Texts Spells

154-160 Gyula Priskin,2019-05-02 This book proposes that Coffin Texts spells 154-160, recorded at the beginning of the 2nd millennium BCE, form the oldest composition about the moon in ancient Egypt and, indeed, the world. Based on a new translation, the detailed analysis of these spells reveals that they provide a chronologically ordered account of the phenomena of a lunar month.
