**Pigeon Forge** Veta Wilson King,2010 Pigeon Forge is a booming resort town in Tennessee with the majestic Great Smoky Mountains towering in the background. The national park's birth in 1934 forever changed this once-fertile farming river valley. Pigeon Forge is a vacationing playground with every type of family amusement imaginable, the most noted being Dolly Parton's own Dollywood theme park. The town began with a few large-acre farms and a cluster of farm-related businesses. Its unusual name derived from an iron forge built by Isaac Love in 1819 and the Little Pigeon River that provided power for its operation. The Cherokees, native to the area, named the river because of the countless passenger pigeons lining its banks. Love's son, William, built a gristmill in 1830 that still stands today. The Old Mill is on the National Register of Historic Places.

Since then, many attractions, motels, restaurants, and other businesses have come and gone, including Jolly Golf, Magic World, Archie Campbell's Hee Haw Village, the Rebel Railroad, Goldrush Junction, and dozens more. **Branson and Beyond** Kathryn Buckstaff, 1995 A travel guide to three areas at the heart of the country music scene features information on special events

Pilgrimage to Dollywood Helen Morales, 2014-06-06 A star par excellence, Dolly Parton is one of country music's most likable personalities. Even a hard-rocking punk or orchestral aesthete can't help cracking a smile or singing along with songs like "Jolene" and "9 to 5." More than a mere singer or actress, Parton is a true cultural phenomenon, immediately recognizable and beloved for her talent, tinkling laugh, and steel magnolia spirit. She is also the only female star to have her own themed amusement park: Dollywood in Pigeon Forge, Tennessee. Every year thousands of fans flock to Dollywood to celebrate the icon, and Helen Morales is one of those fans. In Pilgrimage to Dollywood, Morales sets out to discover Parton's Tennessee. Her travels begin at the top celebrity pilgrimage site of Elvis Presley's Graceland, then take her to Loretta Lynn's ranch in Hurricane Mills; the Country Music Hall of Fame and the Grand Ole Opry in Nashville; to Sevierville, Gatlinburg, and the Great Smoky Mountains National Park; and finally to Pigeon Forge, home of the "Dolly Homecoming Parade," featuring the star herself as grand marshal. Morales's adventure allows her to compare the imaginary Tennessee of Parton's lyrics with the real Tennessee where the singer grew up, looking at essential connections between country music, the land, and a way of life. It's also a personal pilgrimage for Morales. Accompanied by her partner, Tony, and their nine-year-old daughter, Athena (who respectively prefer Mozart and Miley Cyrus), Morales, a recent transplant from England, seeks to understand America and American values through the celebrity sites and attractions of Tennessee. This celebration of Dolly and Americana is for anyone with an old country soul who relies on music to help understand the world, and it is guaranteed to make a Dolly Parton fan of anyone who has not yet fallen for her music or charisma.

*Great Smoky Mountains National Park* Steve Cotham, 2009-03

The Blue Mountains Sing MR Ron H Rader, 2013-03-01 We are a meld, the blue mountains and me. We are part of each other. Pigeon Forge was my home; The Smoky Mountains, their foothills, and the Great Smoky Mountain National Park I considered my yard. From Elkmont to Deep Creek from Walnut bottoms to Davenport Gap, the mountains stretched my playground. The Sevier County 1940s and 1950s era was like no other.

Unmatched in countryside beauty, they nurtured a Mayvberry-esque life style. The rural one-day-at-a time pace of the mountains and the peace of the countryside offered home folks an idyllic life. They simply wouldn't live anywhere else. The land, their heritage, and the mountain mystique that held them was reason enough to stay. I grew up in the midst of all of that. Entertainment and play was outdoors only; indoors was for cards and being sick. My friends and I spent almost every waking moment in the Smokies' woods 'n waters. The mountains taught us well. We developed a strong sense of who we were and to whom we belonged. Because of these mountains, its people, and our heritage, we became better people. They raised us right. Even today, it's important to be able to say, born and raised here. Our lives saw dramatic change during that brief pre and longer post WWII Pigeon Forge period and beyond. The Then and the Now fill my book. If you hunger to know what I, we, miss about those days of the Then, this book is for you. The book's second half depicts the Now. Entitled Reflections, it mirrors the collective perceptions of the many who remember and who still ponder the results progress and the resulting trade-offs. Fiction, conservation perspectives, eclectic poems, and naturalist comments ring prophetically true in the Reflections portion. If you love our mountains and the outdoors, This book is for you. Journey with me into the Pigeon Forge culture of the mid-forties and early fifties. Experience a Sevier county history, culture, and heritage that stretched from Sevierville to Elkmont and from Knoxville to the Chimneys. Travel with my Five Oaks physician granddad and me as he doctors his ailing patients strung out from Five Oaks farm to Boogertown. Hike and fish with me high in the Smokies. Learn some valuable growin-up-in-the-woods stuff. Meet crusty colorful old woodsmasters who taught us the ways of nature's woods 'n waters. Walk alongside me in the streets of prewar Pigeon Forge and meet my neighbors. Join me and you'll never be the same.
