5 Kinds of Nonfiction Melissa Stewart, Marlene Correia, 2023-10-10 Once upon a time...children's nonfiction books were stodgy, concise, and not very kid friendly. Most were text heavy, with just a few scattered images decorating the content and meaning, rather than enhancing it. Over the last 20 years, children's nonfiction has evolved into a new breed of visually dynamic and engaging texts. In *5 Kinds of Nonfiction: Enriching Reading and Writing Instruction with Children's Books*, Melissa Stewart and Dr. Marlene Correia present a new way to sort nonfiction into five major categories and show how doing so can help teachers and librarians build stronger readers and writers. Along the way, they: Introduce the 5 kinds of nonfiction: Active, Browseable, Traditional, Expository Literature, and Narrative -; and explore each category through discussions, classroom examples, and insights from leading children's book authors Offer tips for building strong, diverse classroom texts and library collections Provide more than 20 activities to enhance literacy instruction Include innovative strategies for sharing and celebrating nonfiction with students. With more than 150 exemplary nonfiction book recommendations and Stewart and Correia's extensive knowledge of literacy instruction, *5 Kinds of Nonfiction* will elevate your understanding of nonfiction in ways that speak specifically to the info-kids in your classrooms, but will inspire all readers and writers.

A Place for Butterflies Melissa Stewart, 2020-10-06 Once abundant monarch butterflies are disappearing in the United States. but that's only part of the story. Many other butterfly species are

also in trouble, and human action is often the cause of their plight. What can we do to help protect this important insect? In clear and compelling language, Melissa Stewart showcases twelve North American butterflies—from the familiar eastern tiger swallowtail to the rare Palos Verdes blue butterfly—and the ecosystems that support their survival. The simple narrative states the dangers that each of these butterfly populations face, and informative sidebars describe the efforts of people to save them. Featuring glorious full-color illustrations by Higgins Bond and range maps for each butterfly, this book is perfect for aspiring entomologists and conservationists. This nonfiction picture book is one of the six titles in the prize-winning A Place for... series, a collection that opens readers' minds to a wide range of environmental issues and shows how humans are striving to protect animals and their natural habitats.

The Diving Bell and the Butterfly Jean-Dominique Bauby, 2008-03-06 A triumphant memoir by the former editor-in-chief of French *Elle* that reveals an indomitable spirit and celebrates the liberating power of consciousness. In 1995, Jean-Dominique Bauby was the editor-in-chief of French *Elle*, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and

of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an inexhaustible reservoir of sensations, keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

In the Time of the Butterflies Julia Alvarez, 2010-01-12 Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo. (Concepción de León, New York Times) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas.—Francisco Cantú, The New York Times Book Review This Julia Alvarez classic is a must-read for anyone of Latinx descent. —Popsugar.com A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion. —People Shimmering . . . Valuable and necessary. —Los Angeles Times A magnificent treasure for all cultures and all time.” —St. Petersburg Times Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed.—Cosmopolitan.com

Kill the Boy Band Goldy Moldavsky, 2016-02-23 The New York Times—bestselling debut story of four superfan friends whose devotion to their favorite band has darkly comical and deadly results. Just know from the start that it wasn't supposed to go like this. All we wanted was to get near them. That's why we got a room in the hotel where they were staying. We were not planning to kidnap one of them. Especially not the most useless one. But we had him—his room key, his cell phone, and his secrets. We were not planning on what happened next. We swear. One of the smartest YA releases of the year.” —New York Daily News “Misery for the Belieber generation.” —Observer.com “Boy bands gets the *Heathers* treatment in this madcap macabre . . . A must-have.” —School Library Journal

Teaching Evidence-Based Writing: Fiction Leslie Blauman, 2016-09-19 One in a million. Yes, that's how rare it is to have so many write-about-reading strategies so beautifully put to use. Each year Leslie Blauman guides her students to become highly skilled at supporting their thinking about texts, and in *Evidence-Based Writing: Fiction*, she shares her win-win process. Leslie combed the ELA standards and all her favorite books and built a lesson structure you can use in two ways: with an entire text or with just the excerpts she's included in the book. Addressing Evidence, Character, Theme, Point of View, Visuals, Words and Structure, each section includes: Lessons you can use as teacher demonstrations or for guided practice, with Best the Test tips on how to authentically teach the skills that show up on exams with the texts you teach. Prompt Pages serve as handy references, giving students the key questions to ask themselves as they read any text and consider how an author's meaning and structure combine. Excerpts-to-Write About Pages feature carefully selected

passages from novels, short stories, and picture books you already know and love and questions that require students to discover a text's literal and deeper meanings. Write-About-Reading Templates scaffold students to think about a text efficiently by focusing on its critical literary elements or text structure demands and help them rehearse for more extensive responses. Writing Tasks invite students to transform their notes into a more developed paragraph or essay with sufficiently challenging tasks geared for grades 6-8. And best of all, your students gain a confidence in responding to complex texts and ideas that will serve them well in school, on tests, and in any situation when they are asked: What are you basing that on? Show me how you know.

May the Best Man Win ZR Ellor, 2021-05-18 A trans boy enters a throw-down battle for the title of Homecoming King with the boy he dumped last summer in ZR Ellor's contemporary YA debut. Lukas Rivers, football star and head of the Homecoming Committee, is just trying to find order in his life after his older brother's funeral and the loss of his long-term girlfriend—who turned out to be a boy. But when Jeremy threatens to break his heart and steal his crown, Lukas kick starts a plot to sabotage Jeremy's campaign. When both boys take their rivalry too far, the dance is on the verge of being canceled. To save Homecoming, they'll have to face the hurt they're both hiding—and the lingering butterflies they can't deny.
