Pink Ribbon Stories Tammy Miller,2014-09-05 This book is a wonderful collection of stories from 123 women and men whose lives have been affected by breast cancer. There are all kinds of stories in this book. I am certain that something here will resonate with every reader. For some of the stories I should probably issue a tissue warning, and for others a laughter warning, just Depends - yes, the pun IS intended!! There are stories that will warm your heart; make you laugh; cause you to pause for reflection; and others that simply tell a story of a courageous journey through life.

Pink Ribbons, Inc. Samantha King,2008-05-19 "Samantha King explains how, beyond being an all-too-frequent and still-too-lethal disease for many women, breast cancer is a corporate dream come true." –Herizons "Fascinating. King's deft and thoughtful interpretation of the pink ribbon phenomenon is an important wake-up call. Going against the grain, she takes a clear-eyed look at a trend that often seems to outshine the disease that put it on the map." –Women's Review of Books "King's criticisms of breast-cancer philanthropy provide a new means of looking at one of our culture's most celebrated causes. For anyone who has ever squirreled away yogurt lids for the cause, Pink Ribbons, Inc. is food for thought." –Bitch "A fascinating read for anyone whose life has been touched by breast cancer." –Curve "Breast cancer advocacy is being transformed from meaningful civic participation into purchasing products. To understand the personal, social, and political costs, read this book." –Barbara Brenner, Executive Director of Breast Cancer Action In Pink Ribbons, Inc., Samantha King traces how breast cancer has been transformed from a stigmatized disease and individual tragedy to a market-driven industry of survivorship. Here, for the first time, King questions the effectiveness and legitimacy of privately funded efforts to stop the epidemic among American women. Highly revelatory-at times shocking-Pink Ribbons, Inc. challenges the commercialization of the breast cancer movement. Samantha King is associate professor of physical and health education and women's studies at Queen's University, in Kingston, Ontario

Long Beach Wild Adrienne Mason,2012-04-10 Each year, more than a million people visit the spectacular sweep of sand that stretches along Vancouver Island's west coast between Tofino and Ucluelet to watch waves crash ashore on a series of beaches-essentially one long beach separated by small rocky headlands, a shoreline steps away from howling wolves and towering red cedars. In *Long Beach Wild: A Celebration of People and Place on Canada's Rugged Western Shore*, local resident Adrienne Mason uses her intimate knowledge of the area and a selection of historic and contemporary photos to explore the region's rich natural and cultural history. Mason shows how Long Beach was shaped by many forces, including volcanoes, glaciers, and torrents of water. She describes how the deposits of gravel and silt that this tumult left behind allowed offshore kelp beds and sea otters to thrive and supported the growth of countless other organisms, from lichens and ferns to waterfowl and deer. She also describes how First Nations people found inspiration and sustenance in the area for thousands of years, hunting whales on the open ocean using harpoons with mussel-shell blades and great lengths of cedar bark rope. As well as describing the traditions of the area's First Nations, Mason

Christy Miller Collection, Vol 3 Robin Jones Gunn,2009-04-23 The first twelve books in the popular Christy Miller series are now available in four treasured volumes! Bestselling author Robin Jones Gunn packs each one with enough action, romance, and drama to keep you reading and wanting more. It all starts the summer Christy vacations on a California beach and meets two friends who change her life forever. But after moving across the country with her family, Christy must begin her sophomore year of high school uncertain where she'll fit in. A red-headed new best friend, a try at cheerleading, a job at a pet store, and expectations for the prom fill Christy's high school years with a string of laughter-and-tears moments. Fireball Katie keeps everyone guessing what she'll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention! As these memorable years unfold, Christy and her God-loving friends find out what it means to be a "peculiar treasure." Follow Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. Whether you're meeting her for the first time or have known her for years—Christy Is a Forever Friend True Friends What is a true friend? Christy Miller knows she has two of them: Todd and Katie. To show how much she appreciates them, she writes to Todd, who's off surfing in Hawaii, and she agrees to

join the ski club with Katie...even though she's scared of skiing! Fortunately, Christy and Katie can laugh as they bumble their way around the bunny slopes at Lake Tahoe. But Christy finds herself caught between new friends and her loyalty to Katie. Will Christy find a way to be a true friend when it counts most? And will she ever hear from Todd? Starry Night It's Christmastime, and Christy Miller has so much going on: family time, work, and maybe, just maybe, going to the Rose Bowl Parade with a bunch of friends. If only she could answer Uncle Bob's tough questions. Todd's buddy Doug gives her some insight, and she starts to appreciate him in a whole new way. Rick Doyle shows up again...but is he pursuing Christy or the cutest elf at the mall? Through it all, will Christy find someone special to count the stars with? Seventeen Wishes It's summer, and that means the beach and other adventures. And Christy Miller's best friend, Katie, is always full of ideas. They'll be camp counselors! But when Katie can't go, Christy is bewildered and overwhelmed by her fifth-grade girls, who have boundless energy for anything except what Christy wants them to do. Do they even hear a word she says? Soon they're playing matchmaker between Christy and Jaeson, a handsome counselor...and he doesn't seem to mind. When Christy's seventeenth birthday arrives later in the summer, just what will she be wishing for? Story Behind the Book "The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach.' And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise. I love that!" –Robin Jones Gunn
