Storm Pirate G Bailey, 2019-11-14 The sea is lost, pirates are death. Cassandra should have been killed at birth, like all the other children who have powers like her. The changed ones. The ones who started the war, lost the seas, and killed millions with their gifts. Lucky for Cassandra, her father is on the council. One of the seven rulers of her large town and has kept her hidden her entire life. When she is seen for the first time, she has no choice but to run, and the only place she can go is to the sea. To the pirates and a certain death. At least, that is what she thinks. When she meets six handsome pirates and they take her on board their ship, she learns about a whole new world. If only she can protect her heart when they all desire to own it. Books 1-3 in the Saved by Pirates series. With exclusive bonus content.

Peace Pirates Ashley Willis, 2020-04-07 Peace Pirates encourages and equips moms to stay ahead of what steals their peace and joy, so they can fully experience the blessings of motherhood, that parenting isn't just a title; it is a treasure. Why do moms find themselves settling for a depleted and frustrated existence when motherhood is truly one of the greatest gifts from God? Being a mom is one of the most important-yet-difficult roles a woman will ever fill. Deep in their hearts, many women believe they are failing their families, are emotionally anemic, and are utterly helpless to maintain their peace while raising kids. As a result, hearts and homes are constantly defeated by the peace pirates that are allowed to take away the security God paid for His children to have. As a wife, mother of four boys, and blogger to hundreds of thousands of mothers, Ashley Willis experienced the stress of trying to be the best mom God wants her to be, while constantly fearing that she's missing out on the real treasure. With God's help, mothers can find the treasure in the midst of the struggle and remain faithful through all seasons of motherhood--especially the difficult ones--and claim their peace. peace pirates will teach readers how to stay treasured up by first helping them identify the four stressors, or, peace pirates, that challenge their zest and contentment. With powerful personal and biblical insights, peace pirates will encourage and equip moms to stay ahead of what steals their joy so they can fully experience the blessings of motherhood.

Now the fortunes of one of Bingtown's oldest families rest on the newly awakened liveship Vivacia. For Althea Vestrit, the ship is her rightful legacy. For Althea's young nephew, wrenched from his religious studies and forced to serve aboard the Vivacia, the ship is a life sentence. Jean Laffite Revealed Ashley Oliphant, Beth Yarbrough, 2021 Jean Laffite Revealed: Unraveling One of America's Longest Running Mysteries takes a fresh look at the various myths and legends surrounding the life and death of one of the last great pirates, Jean Laffite, exploring the theory that Laffite faked his death in the early 1820s and re-entered the United States under an assumed name. Beginning in New Orleans in 1805, the book traces Laffite through his rise to power as a privateer and smuggler in the Gulf, his involvement in the Battle of New Orleans, his flight to Galveston, Texas and eventual disappearance in the waters of the Caribbean, then picking up the trail as he makes a return into the country under a new identity. The tale follows Laffite's subsequent journey across the South and his eventual end in North Carolina, where he died in 1875 at the age of ninety-five. Backed up by thorough research and ample documentation, the book contradicts the

prevailing thought about the disappearance and death of Laffite, making a compelling case that is sure to intrigue and inspire scholars and history buffs for many years to come--
