The Baseball Economist J.C. Bradbury, 2008-02-26

Freakonomics meets Moneyball in this provocative exposé of baseball's most fiercely debated controversies and some of its oldest, most dearly held myths. Providing far more than a mere collection of numbers, economics professor and popular blogger J.C. Bradbury shines the light of his economic thinking on baseball, exposing the power of tradeoffs, competition, and incentives. Utilizing his own "sabernomic" approach, Bradbury dissects baseball topics such as: • Did steroids have nothing to do with the recent homerun records? Incredibly, Bradbury's research reveals steroids probably had little impact. • Which players are ridiculously overvalued? Bradbury lists all players by team with their revenue value to the team listed in dollars—including a dishonor role of those players with negative values—updated in paperback to include the 2007 season. • Does it help to lobby for balls and strikes? Statistics alone aren't enough anymore. This is a refreshing, lucid, and powerful read for fans, fantasy buffs, and players—as well as coaches at all levels—who want to know what is really happening on the field.

The Silver Swan Sallie Bingham, 2020-04-07 Men who inherit great wealth are respected, but women who do the same are ridiculed. In *The Silver Swan*, Sallie Bingham rescues Doris Duke from this gendered prison and shows us just how brave, rebellious, and creative this unique woman really was, and how her generosity benefits us to this day." —Gloria Steinem A bold portrait of Doris Duke, the defiant and notorious tobacco heiress who was perhaps the greatest modern woman philanthropist In *The Silver Swan*, Sallie Bingham chronicles one of the great underexplored lives of the twentieth century and the very archetype of the modern woman. "Don't touch that girl, she'll burn your fingers," FBI director J. Edgar Hoover once said about Doris Duke, the inheritor of James Buchanan Duke's billion-dollar tobacco fortune. During her lifetime, she would be blamed for scorching many, including her mother and various ex-lovers. She established her first foundation when she was twenty-one; cultivated friendships with the likes of Jackie Kennedy, Imelda Marcos, and Michael Jackson; flaunted interracial relationships; and adopted a thirty-two year-old woman she believed to be the reincarnation of her deceased daughter. This is also the story of the great houses she inhabited, including the classically proportioned limestone mansion on Fifth Avenue, the sprawling Duke Farms in New Jersey, the Gilded Age mansion Rough Point in Newport, Shangri La in Honolulu, and Falcon's Lair overlooking Beverly Hills. Even though Duke was the subject of constant scrutiny, little beyond the tabloid accounts of her behavior has been publicly known. In 2012, when eight hundred linear feet of her personal papers were made available, Sallie Bingham set out to probe her identity. She found an alluring woman whose life was forged in the Jazz Age, who was not only

an early war correspondent but also an environmentalist, a surfer, a collector of Islamic art, a savvy businesswoman who tripled her father's fortune, and a major philanthropist with wide-ranging passions from dance to historic preservation to human rights. In *The Silver Swan*, Bingham is especially interested in dissecting the stereotypes that have defined Duke's story while also confronting the disturbing questions that cleave to her legacy.

Baseball's Brotherhood Team Bryan Stevenson, 2018-02-22 In the Book of Genesis, when Cain is confronted by God regarding the death of his brother, he replies, Am I my brother's keeper? Within these pages, players respond affirmatively to this century's age old question. They took stands against prejudice during times in our country when it was not the norm. Their courage serves as a model for all of us today. These players lived the biblical challenge of loving your neighbor. This is the third book by the author of inspirational stories about players from our national pastime. Fifteen members of our National Baseball Hall of Fame are here as well as others of lesser fame. The examples include 19th century baseball, Babe Ruth and Pete Rose. Each player was special. Each story inspirational.
