**Runner** William C. Dietz, 2016-04-12 On a lonely planet in the distant future, Earth is a fading memory and technology is falling into ruin. As a “runner,” Jak Rebo delivers valuable packages from planet-to-planet. When he takes an assignment to deliver a young boy believed to be a reincarnated religious leader to another planet, Jak finds himself at the center of a violent religious conflict, dodging assassins around every corner. The risk doubles after he teams up with Lani Norr, a beautiful “sensitive” with a secret ability so powerful, some will stop at nothing to find and control her. Together they must battle their way through the far reaches of the galaxy to protect the boy and save their own lives. From New York Times bestselling science fiction author William C. Dietz comes this thrilling, action-packed book, which is the first in a two-volume series.

**Spy Runner** Eugene Yelchin, 2019-02-12 In *Spy Runner*, a noir mystery middle grade novel from Newbery Honor author Eugene Yelchin, a boy stumbles upon a secret that jeopardizes American national security.

**Becoming a Sustainable Runner** Tina Muir, Zoë Rom, 2023-08 *Becoming a Sustainable Runner* weaves together concepts of internal and external sustainability to help runners achieve a newfound purpose that merges their

love of running with their passion and concern for their health, their community, and the environment.

*Runner's Dawn* Michael Stinger, 2018-02-26 The first book in the Runner's Chronicles follows Jacob Prime a young Commander stationed onboard Peacemaker, flagship in the Coalition of Galaxies. The courageous crew has been sent on a mission within the borders of their sworn enemy the evil Vion. Despite their best efforts to avoid it, an unknown force pulls the ship down to the planet's surface. Peacemaker crash lands just outside an abandoned city surrounded by a great and mysterious wall. Immediately after the crash, Jacob Prime rescues a twelve-year-old girl from a fire onboard the ship with the help of his friend Vidge. The crew finds themselves running from a herd of animals called the 'maim'. They escape into the city where the surviving crewmembers find refuge for the next fifteen years. Over a decade of battling hunger and each other, pass slowly in this dystopian society. That is until Jacob and Vidge reunite with tactical officer Jonus Nyx. Wherever Nyx goes, trouble is sure to follow. Shortly after an uprising breaks out within the colony. Jacob, Vidge, attempt to flee the wall and find peace to live out their days in the distant mountain range. On the way, Jacob finds winged pilgrim Kiri Ryder, the girl he helped rescue so many years ago from the Peacemaker crash. Together, they discover a secret 'vessel' exists hidden in a temple in the mountains where the Runner's are already trying to escape. Kiri believes that it is a means to ascend to a higher existence, while Jacob is hoping that he found a way off the inhospitable planet he calls 'Hell'. All the while, they find themselves pursued by a band of 'Warhawks' bent on deadly revenge. Their leader is out to kill Jacob, who he blames for Peacemaker's ill fated voyage.

*Running Man* Charlie Engle,2017-09-05 After a decade-long addiction to crack cocaine and alcohol, Charlie Engle hit rock bottom after a near-fatal six-day binge ended in a hail of bullets. Then he found running, and it has helped keep him sober, focused and alive. He began to take on the most extreme endurance races, such as the 155-mile Gobi March, and developed a reputation as an inspirational speaker. However, after he made the documentary *Running the Sahara*, narrated by Matt Damon, which followed him on a 4500-mile crossing of the desert and helped raise \$6 million, he was sent to prison after failing to complete his mortgage application properly. It was while he was in jail

that he became known as 'The Running Man' as he pounded the prison yard, and soon his fellow inmates were joining him, finding new hope through running. Now, in his brilliantly written and powerful account, Engle tells the story of his life and how running has brought him so much pleasure and peace. Like such classics as *Born to Run* and *Running with the Kenyans*, this is a book that anyone who has ever found solace in the freedom of running will enjoy--

**Gun Runner** Larry Correia, John D. Brown, 2021-02-02  
THRILLING SCIENCE FICTION ADVENTURE FROM BEST-SELLING AUTHORS LARRY CORREIA AND JOHN BROWN  
The Heart of a Warrior Once, Jackson Rook was a war hero. Raised from boyhood to pilot an exosuit mech, he'd fought gallantly for the rebellion against the Collectivists. But that was a long time ago, on a world very far away. Now, Jackson Rook is a criminal, a smuggler on board the Multipurpose Supply Vehicle *Tar Heel*. His latest mission: steal a top-of-the-line mech called the *Citadel* and deliver it to the far-flung planet *Swindle*, a world so hostile even the air will kill you. The client: a man known only as the Warlord. Rook has been in the smuggling business long enough to know that it's best to take the money and not ask questions. But Rook cannot stand by and watch as the Warlord runs roughshod over the citizens of *Swindle*, the way the Collectivists did on his homeworld. For all his mercenary ways, Rook is not a pirate. And deep within the smuggler, the heart of a warrior still beats. At the publisher's request, this title is sold without DRM (Digital Rights Management).

**Long Road to Boston** Mark Sutcliffe, 2016-09-15 What does it take to chase down a lifelong dream, even after you've failed three times? And why have thousands of people put the Boston Marathon at the top of their bucket list? Long Road to Boston combines the history of the world's most coveted marathon with the personal journey of one ordinary runner who seeks to fulfill his ultimate amateur athletic goal. Tracing back to the marathon's roots in Greek mythology and sharing the stories of the many colourful and inspiring characters who have crossed Boston's finish line, the book explores why modern runners challenge themselves with such ambitious goals and revels in the reward of a persistent dream achieved. Since the first edition in 1897, more than 640,000 runners have travelled the hallowed path. The Boston Marathon isn't just the oldest marathon in the world, but the most esteemed. Every year, thousands of runners across the planet try to meet its challenging qualifying times, dreaming of stepping into more than a century of history. Some make it, others fall short and try again. Since the devastating finish-line bombing in 2013, the reverence and demand for the Boston Marathon has only increased. As the founder and back-page columnist of iRun magazine and the host of its radio show and podcast, Mark Sutcliffe has interviewed hundreds of runners who have chased Boston. And over the course of more than five years and more than a dozen marathons, he too closed in on his qualifying time, failing repeatedly, for one reason or another, before finally earning a place in the 2015 edition.
