Dungeon Solitaire: Labyrinth of Souls Matthew Lowes, 2016-06-22 DARE TO ENTER THE LABYRINTH OF SOULS ... Dungeon Solitaire: Labyrinth of Souls is a fantasy game for tarot cards. Defeat monsters, disarm traps, open doors, and navigate mazes as you explore a dangerous dungeon. Collect treasure and magic items, gain skills, and gather companions. But beware, the dungeon is vast, and death awaits those who linger too long. If your torches burn out you will be lost forever in the darkness. If your rations run dry, you will starve or go mad. And the dungeon itself is a force of corruption, threatening all who enter. Includes Basic, Expert, and Advanced Rules, as well as six game variations: Two-Player Cooperative, Dragon's Lair, Undead Hordes, Mega-Dungeon, Campaign Mode, and Cartomancy. For one or two players. Playable with any tarot deck. Labyrinth of Souls tarot cards are available for purchase through [matthewlowes.com/games](http://matthewlowes.com/games). REVIEWS FOR THE ORIGINAL GAME: It is called Dungeon Solitaire ... and it is brilliant. -- John Payne, Sycarion Diversions It's an amazing game .... -- Tim Snider, The Savage Afterworld LABYRINTH OF SOULS BACKER QUOTES: An extremely awesome, super fun game. Amazingly detailed and well thought out .... Absolutely fantastic. I have been consumed by this game and overjoyed at how much clever thought went into the making of this project. There are literally hundreds, if not thousands, of solitaire variants out there, but this is exactly what I've been looking for since the dawn of time. It's amazing something like this hasn't been created until now. Received my book today and absolutely love it. Arrived and I couldn't stop playing it ....: -)

Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

*The Penguin Book of Card Games* David Parlett, 2008-08-07 The Penguin Book of Card Games is the authoritative up-to-date compendium, describing an abundance of games to be played both for fun and by serious players. Auctions, trumpless hands, cross-ruffing and lurching: card players have a language all of their own. From games of high skill (Bridge) to games of high chance (Newmarket) to trick-taking (Whist) and banking (Pontoon), David Parlett, seasoned specialist in card games, takes us masterfully through the countless games to choose from. Not content to merely show us games with the conventional fifty-two card pack, Parlett covers many games played with other types of cards - are you brave enough to play with Tarot? With a 'working description' of each game, with the rules, variations and origins of each, as well as an appendix of games invented by the author himself, The Penguin Book of Card Games will delight, entertain and inform both the novice and the seasoned player.

*A Gamut of Games* Sid Sackson, 1992 An expert on game history selects 38 of his favorite amusements, all of which can be played by children or adults with common items such as cards, dice, checkerboards, and pencil and paper.

*Top 10 Games You Can Play in Your Head, by Yourself: Second Edition* Sam Gorski, J. Theophrastus Bartholomew, D. F. Lovett, 2019-02-27 Your mind is now the ultimate gaming engine. Ditch the remote. *English Eerie Second Edition* Scott Malthouse, 2020-08-02 English Eerie Second Edition: A Rural Horror Storytelling Game for 1-4 Players is a GM-less tabletop game of terrifying proportions, allowing you to weave your own haunted tales set in the dark English countryside. There is blood in the roots of England. Forgotten, ancient things crawl beneath its surface, haunt its manor houses and creep within its woodland. Beyond the bucolic beauty of its rolling hills and quaint villages are sinister forces at work, and you're about to stumble headlong into them. English Eerie uses the Eerie Engine system to help players, solo or a group, to step into the shoes of a protagonist from a classic horror tale, like those written by the likes of M.R James, Arthur Machen and Algernon Blackwood, as well as the folk horror tradition. Using the scenarios in the book you will uncover new disturbing clues, clash with other characters and succumb to the dread forces as you delve further into their mysteries. The system automatically ratchets up the tension as you go, with your protagonist becoming more helpless as the tale progresses. Alone by Candlelight As a solo game you are the protagonist, writing in your journal by candlelight over a series of evenings recounting the day's events just like in those great tales of terror. You create your protagonist using a series of descriptors and prompts, bringing these into play as the mystery unfolds. Campfire Stories As a group you tell the tale orally, all playing as a single protagonist. Turns pass around the circle as you describe the situation, react to cards pulled from the Story Deck and spend resources to determine the ending of the story. The book includes advice on safety mechanics - because your idea of horror might not be the same as everyone else. The Eerie Engine To power the game you will use a Story Deck, which can be a regular deck of cards or the official English Eerie Story Deck. Each card is related to a scene, which is cross-referenced with the scenario to discover what new plot element unfolds. Everytime a Grey Lady is revealed the tension increases and decisions need to be made. The protagonist uses Spirit and Resolve resources to overcome obstacles and horrors in their way - but they must be spent wisely for the fate of your protagonist hangs in the balance. An Open Game English Eerie Second Edition is released under a creative commons sharealike license, meaning you can design and release your own hacks and scenarios.
