**EU Competition Law** Ariel Ezrachi, 2021-08-12 'This book should be in the library of every competition law practitioner and academic. The summary of cases is first class. But what makes it really stand out is the quality of the commentary and the selection of the material which includes not only the most important European judgements and decisions but also some of the leading cases from the US and European Member States.' Ali Nikpay, Gibson, Dunn & Crutcher LLP This unique book is designed as a working tool for the study and practice of European competition law, focused on case law analysis. Each chapter begins with an introduction which outlines the relevant laws, regulations and guidelines for each of the topics, setting the analytical foundations for the case entries. Within this framework, cases are reviewed in summary form, accompanied by useful analysis and commentary. The 7th edition includes recent judgments from the European Court of Justice on the scope of object and effects based analysis (including Generics and Budapest Bank), as well as those on abuse of

dominance. It examines developments in parallel trade, online sales restrictions, advertising bans, enforcement powers and procedure. Expanding its coverage of merger decisions, it explores non-collusive oligopoly (including CK Telecoms) and the treatment of innovation and data under the EU Merger Regulation. This unique book offers the practitioner and competition law student an insightful guide to EU competition law cases, an understanding of which is crucial. Rigorous, comprehensive and authoritative, it simply is a must read.

Go Big or Go Home Scotty McCreery, Travis Thrasher, 2016-05-03 Platinum-award winning country music star Scotty McCreery shares his journey from North Carolina to American Idol and the top of the country music charts. American Idol was just a simple singing competition that seemed fun to audition

for. Who knew what kind of doors it might open for a sixteen-year-old from Garner, North Carolina? Go Big or Go Home is the story of a kid with country songs in his soul. Daring to enter the limelight at a young age, Scotty found himself embraced by the nation, and even overseas, as he competed on season 10 of American Idol. In Go Big or Go Home, Scotty shares his journey from his North Carolina roots to winning America's most popular singing competition and launching the musical career he had always dreamed of. Along the way, Scotty teaches us: What it means to have an uncompromising faith The power of dreaming big The importance of embracing your God-given talents Join Scotty as he shares a glimpse of where he came from and the impact his faith, family, and friends have had on a humble guy who keeps asking, Why me? Praise for Go Big or Go Home: Revealing, touching, and often humorous, Go Big or Go Home takes fans behind the scenes of Scotty McCreery's journey so far and pulls back the curtain on American Idol and the music industry while McCreery navigates the tricky waters of instant fame with grace, insight, and, above all, gratitude for the gifts he has been given. -- Melinda Newman, music journalist Being an artist takes you out of your comfort zone and thrusts you

into the world. Some of what you experience you are prepared for and some of it you aren't. To quote the country music prophet Aaron Tippin, 'You've got to stand for somethin' or you'll fall for anything.' Scotty McCreery stands for something. You hear it in his voice. You see it in his actions. And you feel it in his songs. This book outlines the wild ride he's been on being thrust into the world. --Josh Turner, Grammy-nominated and multiplatinum-selling MCA recording artist and bestselling author
