Phil Gordon

John Zorn John Brackett, 2008-11-19 Following his English edition of Alma Mahler-Werfel's Diaries 1898-1902, Antony Beaumont presents both the first comprehensive biography of the composer and conductor Alexander Zemlinsky (1871-1942) and a critical assessment of his works. Zemlinsky--all hail to you! wrote the young Alma. All hail to you and your art. When she first met him, Zemlinsky was the most promising Viennese composer of his generation. In 1901, when Alma abruptly ended their passionate love affair in order to marry Gustav Mahler, the crisis served to transform Zemlinsky's talent into mastery. Only long after his death, however, did his music begin to receive its due. Zemlinsky was central to the musical life of Vienna and Central Europe, and this brilliant biography illuminates a social and cultural milieu that disappeared forever with the triumph of Hitler's Reich. The author details the composer's early years as a protégé of Brahms and Mahler, his complex friendship with his brother-in-law Arnold Schoenberg, the influence of his teaching on the boy-prodigy Erich Korngold, his kindly and helpful attitude toward the hypersensitive Anton Webern, and his heartfelt friendship with Alban Berg. Zemlinsky was one of the leading conductors of the interwar period, considered by both Schoenberg and Stravinsky the finest they had ever heard. The author charts Zemlinsky's career from Vienna to Berlin, St. Petersburg, and Prague, providing insight into his Catholic-Sephardic background and investigating his keen interest in esoteric aspects of music, including color symbolism and numerology. The author's analyses of Zemlinsky's major scores are accessible and fully contextualized.

Paratextualizing Games Benjamin Beil, Gundolf S. Freyermuth, Hanns Christian Schmidt, 2021-11-30 Gaming no longer only takes place as a ›closed interactive experience‹ in front of TV screens, but also as broadcast on streaming platforms or as cultural events in exhibition centers and e-sport arenas. The popularization of new technologies, forms of expression, and online services has had a considerable influence on the academic and journalistic discourse about games. This anthology examines which paratexts gaming cultures have produced - i.e., in which forms and formats and through which channels we talk (and write) about games - as well as the way in which paratexts influence the development of games. How is knowledge about games generated and shaped today and how do boundaries between (popular) criticism, journalism, and scholarship have started to blur? In short: How does the paratext change the text?

Women, Art, and Technology Judy Malloy, 2003 A sourcebook of documentation on women artists at the forefront of work at the intersection of art and technology. Although women have been at the forefront of art and technology creation, no source has adequately documented their core contributions to the field. Women, Art, and Technology, which originated in a Leonardo journal project of the same name, is a compendium of the work of women artists who have played a central role in the development of new media practice. The book includes overviews of the history and foundations of the field by, among others, artists Sheila Pinkel and Kathy Brew; classic papers by women working in art and technology; papers written expressly for this book by women whose work is currently shaping and reshaping the field; and a series of critical essays that look to the future. Artist contributors Computer graphics artists Rebecca Allen and Donna Cox; video artists Dara Birnbaum, Joan Jonas, Valerie Soe, and Steina Vasulka; composers Cecile Le Prado, Pauline Oliveros, and Pamela Z; interactive artists Jennifer Hall and Blyth Hazen, Agnes Hegedus, Lynn Herschman, and Sonya Rapoport; virtual reality artists Char Davies and Brenda Laurel; net artists Anna Couey, Monika Fleischmann and Wolfgang Strauss, Nancy Paterson, and Sandy Stone; and choreographer Dawn Stoppiello; critics include Margaret Morse, Jaishree Odin, Patric Prince, and Zoe Sofia

Dual Cultivation MyLittleBrother, 2021-01-30 Su Yang is a powerful Dual Cultivator who was imprisoned after he offended the Heavenly Emperor. His crime? He committed adultery with the Moon God's wife, kidnapped the Dragon King's younger sister, seduced the Divine Goddess, and he even tasted the forbidden fruit that is the Heavenly Emperor's beloved daughter. Inside the prison, Su Yang meets a mysterious old man who offers him a chance to leave this place, but that method requires him to experience reincarnation. In his new life, Su Yang swears to reunite with his partners and hold them in his embrace once again, all the while finding new ones along the way. -----

Disclaimer: Dual Cultivation is a unique method of cultivation where a man and a woman cultivates together by having sex. ----- My other novels: Cultivation Online/ Hero's Carnage

Grammar of the Film Language Daniel Arijon,1991 A unique guide to the visual narrative techniques that form the language of filmmaking. This language is basic to the very positioning and moving of players and cameras, as well as the sequencing and pacing of images. It does not date as new technologies alter the means of capturing images on film and tape. The guidelines offered here will inform almost every choice that the director, the cinematographer, and the editor will make. Through lucid text and more than 1,500 illustrations, Arijon presents visual narrative formulas that will enlighten anyone involved in the motion picture and television industry (including producers, writers, and animators).--From publisher description.

Talk Sporty to Me Jen Mueller,2015-01-01 From the author of 'Game Time', Talk Sporty to Me furthers the conversation of using Sports as a bridge to build personal and professional relationships. Sports is the language of business. Like it or not, a 30-second sports conversation can open more doors and connect you with a larger audience than your resume. Talent and skill are important, but the ability to communicate and connect with others plays a significant role in your success. The greatest ideas and the best inventions will go unnoticed and unused if you can't tell the world - or worse - no one listens when you try. This book demonstrates how sports conversations and sports fandom will get you noticed, connected and communicating more effectively. Add that up and you're looking at more opportunities and greater successes.

The Life and Works of Celestine Ukwu Richard C. Okafor,1999

Collaborative Production in the Creative Industries James Graham,Alessandro Gandini,2017 In recent years research into creative labour and cultural work has usually addressed the politics of production in these fields, but the sociotechnical and aesthetic dimensions of collaborative creative work have been somewhat overlooked. This book aims to address this gap. Through case studies that range from TV showrunning to independent publishing, from the film industry to social media platforms such as Tumblr and Wattpad, this collection develops a critical understanding of the integral role collaboration plays in contemporary media and culture. It draws attention to diverse kinds of creative collaboration afforded via the intermediation of digital platforms and networked publics. It considers how these are incorporated into emergent market paradigms and investigates the complicated forms of subjectivity that develop as a consequence. But it also acknowledges historical continuities, not least in terms of the continued exploitation of 'support personnel' and of resulting artistic conflicts but also of alternative models that resist the precarious nature of contemporary cultural work. Finally, this volume attempts to situate creative collaboration in broader social and economic contexts, where the experience and outcomes of such work have proved more problematic than the rich potential of their promise would lead us to expect

The Evolution of Claire (Jurassic World) Tess Sharpe,2018 Fans can discover the beginnings of one of Jurassic World's most beloved characters--Claire Dearing (played by Bryce Dallas Howard)--in this original action-packed novel that fills in the gaps of Claire's past.

Bomber Boys Kevin Wilson,2012-04-09 A gripping account of the everyday heroism of British bomber crews in 1943 - the year when Bomber Command believed it could win WWII by bombing alone. In 1943 the RAF began a bombing campaign against Germany, the like of which had never before been seen. Over the next twelve months, tens of thousands of aircrews flew across the North Sea to drop their bombs on German cities. They were opposed not only by the full force of the Luftwaffe, but by a nightmare of flak, treacherously icy conditions, and constant mechanical malfunction. Most of these crews never finished their tour of operations but were either shot down and killed, or taken prisoner by an increasingly hostile enemy. This is the story of the everyday heroism of British bomber crews in the days when it was widely believed that the Allies could win the Second World War by bombing alone. Kevin Wilson has interviewed hundreds of former airmen about what their lives were like in 1943: the stomach-churning tension of flying repeatedly over hostile territory, the terror at being shot down or captured, and the peculiar mixture of guilt and pride at unleashing such devastation on Germany.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

How to Talk about Videogames Ian Bogost,2015-11-15 Videogames! Aren't they the medium of the twenty-first century? The new cinema? The apotheosis of art and entertainment, the realization of Wagnerian gesamtkunstwerk? The final victory of interaction over passivity? No, probably not. Games are part art and part appliance, part tableau and part toaster. In *How to Talk about Videogames*, leading critic Ian Bogost explores this paradox more thoroughly than any other author to date. Delving into popular, familiar games like Flappy Bird, Mirror's Edge, Mario Kart, Scribblenauts, Ms. Pac-Man, FarmVille, Candy Crush Saga, Bully, Medal of Honor, Madden NFL, and more, Bogost posits that videogames are as much like appliances as they are like art and media. We don't watch or read games like we do films and novels and paintings, nor do we perform them like we might dance or play football or Frisbee. Rather, we do something in-between with games. Games are devices we operate, so game critique is both serious cultural currency and self-parody. It is about figuring out what it means that a game works the way it does and then treating the way it works as if it were reasonable, when we know it isn't. Noting that the term games criticism once struck him as preposterous, Bogost observes that the idea, taken too seriously, risks balkanizing games writing from the rest of culture, severing it from the "rivers and fields" that sustain it. As essential as it is, he calls for its pursuit to unfold in this spirit: "God save us from a future of games critics, gnawing on scraps like the zombies that fester in our objects of study."

Doyle Brunson's Super System 2 Doyle Brunson, *Super System 2* gathers together the greatest players, theorists, and world champions. This new edition expands upon the original with more games, new authors, and most importantly, more professional secrets from the best in the business! *Learn From Poker's Greatest Players* This superstar lineup is led by the greatest poker player of all time, the legendary Doyle Brunson, two-time main event champion, and 10-time WSOP bracelet winner. Doyle's hand-picked roster of expert collaborators includes: Phil Hellmuth Jr., 11-time WSOP gold bracelet winner and 1989 World Series of Poker Champion; Daniel Negreanu, winner of more than \$10 million in tournament earnings and 2004 Poker Player of the Year; Johnny Chan, two-time Main Event Champion and 10-time WSOP gold bracelet winner; Lyle Berman, three-time WSOP gold bracelet winner, World Poker Tour founder and super-high stakes player; Bobby Baldwin, 1978 World Poker Champion; Crandell Addington, a no-limit hold'em legend and Hall of Famer; Jennifer Harman, the best female poker player in history; Todd Brunson, superstar cash-game player; and Mike Caro, poker's greatest researcher, theorist, and instructor. 704 pages

Breast Cancer Survivors' Club Lillie Shockney,2001-04 Lillie Shockney chronicles her personal experiences with breast cancer, discussing how her diagnosis has affected her life.

Naomi Jun'ichirō Tanizaki,2024-03-16 A hilarious story of one man's obsession and a brilliant reckoning of a nation's cultural confusion—from a master Japanese novelist. When twenty-eight-year-old Joji first lays eyes upon the teenage waitress Naomi, he is instantly smitten by her exotic, almost Western appearance. Determined to transform her into the perfect wife and to whisk her away from the seamy underbelly of post-World War I Tokyo, Joji adopts and ultimately marries Naomi, paying for English and music lessons that promise to mold her into his ideal companion. But as she grows older, Joji discovers that Naomi is far from the naïve girl of his fantasies. And, in Tanizaki's masterpiece of lurid obsession, passion quickly descends into comically helpless masochism.

Phil Gordon's Little Green Book Phil Gordon,2023-07-25 The ultimate guide to becoming an expert

player of no limit hold'em poker from one of the game's "premier players" (Erik Seidel, World Series of Poker winner) Phil Gordon. Poker is hotter than ever, with tens of millions of fans dealing in, logging on, and tuning in to global tournaments. And the most popular version of poker is no limit hold'em, long considered the purest form of the game, with appearances in the World Series of Poker, the World Poker Tour, and on Bravo's Celebrity Poker Showdown. Now, Phil Gordon, acclaimed professional player and cohost of Celebrity Poker Showdown, shares his seasoned expertise and valuable insight in Phil Gordon's Little Green Book. Featuring a conversational approach and easy-to-digest explanations and diagrams, this is the must-have guide for anyone who wants to go all-in on becoming a better no limit hold'em player.

Roger Federer René Stauffer, 2024-01-04 René Stauffer has been closely covering Roger Federer's career for nearly 25 years. In this comprehensive biography, Stauffer talks at length to the man himself, his family, friends, coaches and rivals to paint an unrivalled picture of the greatest male tennis player of all time. From his early life in Basel, Switzerland, where he first picked up a tennis racquet, to the heights of his 20th Grand Slam victory and all points in between, Stauffer reveals the secrets to Federer's success, the hardships and doubts that he has faced and examines the legacy that Federer has created in the modern game.

Cultivation Online MyLittleBrother, 2020-11-16 Yuan was born with an incurable illness that left him blind at a young age and crippled a few years later, rendering everything below his head useless. Deemed hopeless and irredeemable, his parents quickly gave up on him, and the world ignored him. In this dark and still world, his younger sister became his sole reason for living. Watch as this young man reaches for the apex as a genius in Cultivation Online, the newest VRMMORPG, becoming a legendary figure in both worlds. ----- Disclaimer: The MC is extremely overpowered and talented but also naive/innocent at first due to his illness. If you cannot wait for character developments and dislike OP MCs, this is not your cup of tea. Furthermore, the 'Earth' in this novel is not the same Earth we are currently living on so do not use our common sense for this novel. This is pure fantasy, after all. ----- My other novels: Dual Cultivation/ Inferior Cultivation System

A Birthday Cake for George Washington Ramin Ganeshram, 2016 An exploration of fifty influential and inspirational women who changed the world. Everyone is buzzing about the president's birthday! Especially George Washington's servants who scurry around the kitchen preparing to make this the best celebration ever. Oh, how George Washington loves his cake! And, oh, how he depends on Hercules, his head chef, to make it for him. Hercules, a slave, takes great pride in baking the president's cake. But this year there is one problem--they are out of sugar. This story, told in the voice of Delia, Hercules' young daughter, is based on real events, and underscores the loving exchange between a very determined father and his eager daughter who are faced with an unspoken, bittersweet reality.

Shades Alia Bano, 2014-03-10 'How religious are you? I never know how to answer that question. I mean how do you measure religiousness?' London worships many gods, but it often seems that Cupid isn't one of them. Sabrina, a single girl-about-town, is seeking Mr Right in a world where traditional and liberal brothers sit side-by-side, but rarely see eye-to-eye. Shades explores tolerance within and without the Muslim community. A programme text edition published to coincide with the world premiere at the Royal Court Theatre, London, on 28 January 2009.
