The group went their separate ways, placing the blame on each other. Brass carried on as a solo act. Snow found work as a notorious assassin. Church became a town's spiritual leader. Angel was the owner of a bar and inn. And after overcoming his own guilt, Phoenix started a new life as a family man. Seven years after their falling out, a hefty bounty is placed on their heads. Phoenix tries to reunite the Starbreakers before everything they have left is taken from them. But a lot can change in seven years. And if mending old wounds was easy, they

would have done it a long time ago.

Who Did It First? Bob Leszczak,2013-10-10 "Everybody has to start somewhere. Businessmen start on the ground floor and try to work their way up the corporate ladder. Baseball players bide their time in the minor leagues wishing for an opportunity to move up and play in the majors. Musical compositions aren't very different—some songs just don't climb the charts the first time they're recorded. However, with perseverance, the ideal singer, the right chemistry, impeccable timing, vigorous promotion, and a little luck, these songs can become very famous." So writes Bob Leszczak in the opening pages of Who Did It First? Great Rhythm and Blues Cover Songs and Their Original Artists Here readers will discover the little-known history behind legendary rhythm and blues numbers on their way to the majors. As Leszczak points out, the version you purchased, danced to, romanced to, and grew up with is often not the first version recorded. Like wine and cheese, some tunes just get better with age, and behind each there is a story. Who Did It First? contains interesting facts and amusing anecdotes, often gathered through Leszczak's vast archive of personal interviews with the singers, songwriters, record producers, and label owners who wrote, sang, recorded, and distributed either the original cut or one of its classic covers. The first in a series devoted to the story of great songs and their revivals, Who Did It First? is the perfect playlist builder. Whether quizzing friends at a party, answering a radio station contest, or simply satisfying an insatiable curiosity to know who really did do it first, this book is a must-have.
