Annè DuBois

Play of a Fiddle Gerald Milnes, 2021-10-21 *Play of a Fiddle* gives voice to people who steadfastly hold to and build on the folk traditions of their ancestors. While encountering the influences of an increasingly overwhelming popular culture, the men and women in this book follow age-old patterns of folklife and custom, making their own music and dance in celebration of them. Shedding new light on a region that maintains ties to the cultural identities of its earliest European and African inhabitants, Gerald Milnes shows how folk music in West Virginia borrowed rhythmic, melodic, and vocal forms from the Celtic, Anglo, Germanic, and African traditions. These elements have come together to create a body of music tied more to place and circumstance than to ethnicity. Milnes explores the legacies of the state's best-known performers and musical families. He discusses religious music, balladeering, the influence of black musicians and styles, dancing, banjo and dulcimer traditions, and the importance of old-time music as a cultural pillar of West Virginia life. A musician himself, Milnes has been collecting songs and stories in West Virginia for more than twenty-five years. The result is an enjoyable book filled with anecdotes, local history, and keen observations about musical lives.

I Will Play Again George Howard Newton, 2020-03-12
The story reveals a musician whose father was a Nevisian and his mother a Puerto Rican. By ten, Henry played the piano; and later, he attended the Free School of Music Academy in Puerto Rico. He founded the Sunstones, a band of teenaged players, and was later contracted as the bassist in Reggie Ashby Quartet. Driven to attain a big name for himself, he relocated to Miami. He composed over thirty songs, yet he never realized his dream. To support his family, he established an interior decorating business, and his music became a side hustle. In his late fifties, he contracted cancer, which overwhelmed him, and brought much pain to him and his family. His passion and love for music and his wife were unmatched. In his hopelessness, that love affair was the main constant in his life that led him to believe, I will play again.

The Last Legacy of E. Y. "Yip" Harburg Tamar Springer, 2021-06-02
The Last Legacy of E.Y. Yip Harburg is a collection of songs and stories co-written by Wizard of Oz lyricist E.Y. Harburg and Santa Baby composer Philip Springer. Reviewing the songs they wrote together, many years after Yip's death, Springer realized how masterful and poetic Yip's lyrics were and how special the songs they wrote together were. This set of songs was selected by Springer himself as an interesting and entertaining showcase of their collaboration. For the first time, Springer tells the undocumented back story to his creative partnership with Yip Harburg and how each of these songs took shape, giving a unique insight into the very nature of collaborative songwriting. Following their first meeting when

Springer was just 24, Yip brought Springer into his inner circle and they remained loyal friends throughout the decades. Along with photos and memorabilia, Springer depicts the camaraderie between himself and Harburg during Harburg's last years. Yip Harburg spent the last night of his life at Springer's home in Pacific Palisades, California, which Springer recounts in this special project. The CD can be obtained by contacting Tamar Springer and will be sent gratis to a US address by USPS media mail.

70 and Beyond Annè DuBois, 2012-09-28 This rare and unique e-Book documents four generations of DuBose's. The major personalities that begin this journey of talent and destiny fulfillment are two dynamic brothers who are now living in their golden years of 70 and Beyond. Clifford and Jonathan Papa Joe DuBose, both grew up in the back hills of Montevallo, Alabama. Both like many boys played games

and ball in the streets during the week and sing the songs of Zion in church on Sunday. But little did either of them know that their natural born gifts would bring them or their offspring before the world's stage in various national or international forums. This publishing is about establishing traditions to be passed down to the many generations to come. And lastly, honoring those who we connected with that joined the movement of music by giving your time and life to promoting soul/quartet music. Monk's Music Gabriel Solis, 2008 Gabriel Solis's study of Thelonious Monk's legacy energizes an important development in jazz studies. Respectful of Monk and his musical heirs, Solis nevertheless offers insights on Monk myth-building by opposing jazz camps in which both moldy figs and avant-gardists claim him as their own. Moving beyond exploding these turf battles, Solis comes to deep realizations about jazz as a practice. This will become an often-cited work, even a transformative one.—Steven F. Pond, author of *Head Hunters: The Making of Jazz's First Platinum Album* (winner of the International Association for the Study of Popular Music's Woody Guthrie Prize)

Remembering Popular Music's Past Lauren Istvandity, Sarah Baker, Zelmarie Cantillon, 2019-06-15 Remembering Popular Music's Past capitalizes on the

growing interest, globally, in the preservation of popular music's material past and on scholarly explorations of the ways in which popular music, as heritage, is produced, legitimized and conferred cultural and historical significance. The chapters in this collection consider the spaces, practices and representations that constitute popular music heritage to elucidate how popular music's past is lived in the present. Thus the focus is on the transformation of popular music into heritage, and the role of history and memory in this process. The cultural studies framework adopted in *Remembering Popular Music's Past* encompasses unique approaches to popular music historiography, sociology, film analysis, and archival and museal work. Broadly, the collection deals with the precarious nature of popular music heritage, history and memory.

The Boswell Legacy Kyla Titus, Chica Boswell
Minnerly, David W. McCain, James Von Schilling, 2014-09-25
WILL FRIEDWALD, THE WALL STREET JOURNAL, OCT. 16,
2014: ...the Boswells constitute a crucial link between
Armstrong and Fitzgerald in the development of vocal
improvisation.-----The
Boswell Sisters rose to stardom during the Great Depression
and established an enormously successful career in a very
short time as pioneers of early mass entertainment, through
the new media of electrical recordings, radio networks, and
movies. Along with Louis Armstrong and Duke Ellington,
they led an American jazz invasion of Europe in 1933. They
were admired by their frequent singing partner Bing Crosby,
idolized by a struggling trio from Minneapolis who later
gained fame as the Andrews Sisters, and praised as the
best act I ever followed by a troupier named Bob Hope. Ella
Fitzgerald consistently credited Connie Boswell as her main
influence and Irving Berlin singled her out as his favorite

interpreter of his songs. The beautiful and talented Boswells sold out stage shows from New York to London and the number of records they sold is estimated to be over 75 million. Then suddenly, it was over. The time has finally come to tell their story. *THE BOSWELL LEGACY* is the first full-scale biography of these icons of American music, written by Kyla Titus, the granddaughter of Vet Boswell and caretaker of the voluminous Boswell family archives, as only she can tell it. Within these pages, readers may discover the answers to questions left unanswered for decades. Why did the Boswell Sisters disband? What was the cause of Connee's paralysis? Why are the Boswell Sisters not household names today? And so many more. Most importantly, readers will learn about the development of a unique musical style that is timeless—a legacy—that is still heralded almost a century later.

Live Forever Courtney S. Lennon, 2022-07-21 Billy Joe Shaver wrote nine of the ten songs included on Waylon Jennings's landmark album *Honky Tonk Heroes* and played a dominant role in the origins and development of the Outlaw Country movement of the 1970s. He has been named by Ray Wylie Hubbard, alongside Townes Van Zandt and Guy Clark, as a member of the "holy trinity" of Texas songwriters. He has exerted a Texas-sized influence on Texas music and especially Texas singer-songwriters, and is cited as a chief inspiration by at least two generations of artists. But although his influence has been profound, Shaver has the dubious honor of becoming, according to author Courtney S. Lennon, "country music's unsung hero." In *Live Forever: The Songwriting Legacy of Billy Joe Shaver*, Lennon seeks to give Shaver the recognition his prolific output deserves. She unfolds for readers the complexity and the simplicity of the artist who wrote the songs that Brian T. Atkinson, in his foreword, calls "peaceful and pure,

complex and convoluted, mad and merciful”—the musician who wrote “You Just Can’t Beat Jesus Christ” and “That’s What She Said Last Night,” “Honky Tonk Heroes,” and “Get Thee Behind Me Satan.” Based on in-depth interviews with a host of notable singer-songwriters, this book reveals and celebrates the saint and the sinner, the earthy intellectual and the hard-drinking commoner, the poet and the cowboy.

Legacy Ryan Meeboer,2010-03-01 Legacy is a song of heroic nature and is a great way to introduce polyrhythmic texture to a young band. This piece opens with a high energy feel that can represent a hero. The piece moves into a lyrical section that can be portrayed as the hero's downfall. A new melody is introduced by the alto saxophone solo, which is later countered by the flute and trumpets. The high energy melody returns again, bringing the piece to an exciting conclusion.
