Ghulam Murshid

Speech and Computer S. R. Mahadeva Prasanna,Alexey Karpov,K. Samudravijaya,Shyam S. Agrawal,2022-11-12 This book constitutes the proceedings of the 24th International Conference on Speech and Computer, SPECOM 2022, held as a hybrid event in Gurugram, India, in November 2022. The 51 full and 9 short papers presented in this volume were carefully reviewed and selected from 99 submissions. The papers present current research in the area of computer speech processing including audio signal processing, automatic speech recognition, speaker recognition, computational paralinguistics, speech synthesis, sign language and multimodal processing, and speech and language resources.

Bichitra: The Making of an Online Tagore Variorum Sukanta Chaudhuri,2016-02-12 This book documents the creation of the Bichitra Online Tagore Variorum, a publicly accessible database of Rabindranath Tagore's complete works in Bengali and English totaling some 140,000 pages of primary material. Chapters cover innovative aspects of the site, all replicable in other projects: a hyperbibliography; a search engine and hyperconcordance working across the database; and a unique collation program comparing variant texts at three levels. There are also chapters on the special problems of processing manuscripts, and on planning the website. Early chapters take readers through the history of the project, an overview of Tagore's works, and the Bengali writing system with the challenges of adapting it to electronic form. The name Bichitra, meaning various in Bengali, alludes both to the great variety of Tagore's works and to their various stages of composition. Beyond their literary excellence, they are notable for their sheer quantity, the number of variant forms of a great many items, and their afterlife in translation, often the poet's own. Seldom if ever has the same writer revised his material and recast it across genres on such a scale. Tagore won the Nobel Prize in 1913. By its value-added presentation of this range of material, Bichitra can be a model for future databases covering an author's complete works or other major corpus of texts. It offers vastly expanded access to Tagore's writings, and enables new kinds of research including computational text analysis. The "book of the website" shows in technical and human terms how researchers with interests in art, literature and technology can collaborate on cultural informatics projects.

Kolkata and West Bengal Rough Guides Snapshot India (includes the Sunderbans Tiger Reserve, Shantiniketan, Darjeeling, the Singalila Trek and Kalimpong) Rough Guides,2012-03-22 The Rough Guide Snapshot to Kolkata and West Bengal is the ultimate travel guide to this beautiful part of India. It guides you through the state with reliable information and comprehensive coverage of all the sights and attractions, from sophisticated, friendly Kolkata (Calcutta) to the dense forests of the Sundarbans, home to Bengal tigers, and the charming tea plantations of Darjeeling. Detailed maps and up-to-date listings pinpoint the best cafés, restaurants, hotels, hostels and shops ensuring you have the best trip possible, whether passing through, staying for the weekend or longer. Also included is the Basics section from The Rough Guide to India, with all the practical information you need for travelling in and around Kolkata and West Bengal, including transport, food, drink, costs, health, activities and tips for travelling with children. Also published as part of The Rough Guide to India. Full coverage: Kolkata (Calcutta), Sundarban Tiger Reserve, Murshidabad, Malda, Siliguri, New Jalpaiguri, Jaldapara, Gorumara, Darjeeling, Singalila treks, Kalimpong (Equivalent printed page extent 123 pages).

Role of Indian Air Force in 1971 War Air Commodore Jasjit Singh,2013-03-15 The Indian Air Force which was initially created as an independent military force proved to be an independent and versatile component of India's military power in 1971 War. This book provides insightful essays and material to critically review and revalidate some of the continuing concepts and approaches to the planning and execution of military operations. This edited version delves into the national interest protection and legitimate compulsions for India to go into war. The compilation also lays out the canvass for a comparison study with the one in 1965. The analyses on military strategy of Pakistan and avenues of shortcoming in joint planning bring out important lessons in force employment. The aggressive dimensions of offensive actions by all the three Services have been well documented. The 1971 War proved the heroism, steadfastness and courage of junior leadership that, incidentally, has also been the hallmark during Kargil in 1999. Despite frequent criticisms on jointness, instances of combined resoluteness and mutual trust during 1971 War contributed immensely to the victory. Valuable lessons can be inferred from instances where objectivity in political decisions brought about judicious outcomes through demonstrable use of military power. The book also provides a few analytical horizons on the background framework of Simla Agreement and certain events

düşündüm kendine yardım et just come in here and help
yourself sadece gel ve kendine yardım et in the
beginning you could help yourself via meditation and
relaxation techniques
