DANNER'S POCKET GUIDE BOOK OF THE BATTLE-FIELD OF GETTYSBURG, AND HISTORY OF THE BATTLE. JOEL ALBERTUS.
DANNER,2018

Battle of Gettysburg - The Relics, Artifacts & Souvenirs Robert Jones,2009-11 The Battle of Gettysburg ended, but what was left behind, was unimaginable, 51,000 casualties (23,000 Union and 28,000 Confederate). Private residences took in and cared for these suffering soldiers. Without these caring townspeople, the death rate would have increased tremendously. The soldiers realized that they were part of history in the making. As in any momentous

event, the participants sought some kind of remembrance from the battle, something they could gaze at in their twilight years and reminisce about being part of such an historical event. Be it a button, a bullet, canteen, photograph, letter, or even a handful of the sacred soil....just something. Collecting of these relics continued with the veterans, right up until today. The author has spent the last 20 years acquiring and documenting these artifacts and has now included many of them in this book which was released in 2008 (revised 2009). Also included are the rare souvenirs, which now have become collectible in themselves.

Fight Like the Devil Chris Mackowski, Christopher D. White, Daniel T. Davis, 2015-04-20 “Gives the reader an excellent readable narrative of the first day of battle . . . [and] an incredible driving tour which closes each chapter.” —Matthew Bartlett, Gettysburg Chronicle Do not bring on a general engagement, Confederate General Robert E. Lee warned his commanders. The Army of Northern Virginia, slicing its way through south-central Pennsylvania, was too spread out, too vulnerable, for a full-scale engagement with its old nemesis, the Army of the Potomac. Too much was riding on this latest Confederate invasion of the North. Too much was at stake. As Confederate forces groped their way through the mountain passes, a chance encounter with Federal cavalry on the outskirts of a small Pennsylvania crossroads town triggered a series of events that quickly escalated beyond Lee’s—or anyone’s—control. Waves of soldiers materialized on both sides in a constantly shifting jigsaw of combat. “You will have to fight like the devil . . .” one Union cavalryman predicted. The costliest battle in the history of the North American continent had begun. July 1, 1863 remains the most overlooked phase of the battle of Gettysburg, yet it set the stage for all the fateful events that followed. Bringing decades of familiarity to the discussion, historians Chris Mackowski, Kristopher D. White, and Daniel T. Davis, in their always-engaging style, recount the action of that first day of battle and explore the profound implications in *Fight Like the Devil*. “The book, written in the series’ accessible style, includes more than 100 illustrations, new maps and analysis.” —Longwood Magazine

Guide to the Battle of Gettysburg Jay Luvaas, Harold W. Nelson, Leonard J. Fullenkamp, 2012-05-24 Here at last is the long-anticipated revised edition of one of the most respected and popular guides to the Gettysburg National Military Park. The authors have made significant changes to the guide, addressing alterations to the park during the past fifteen years and adding new information and improved maps that enrich park visitors' understanding of one of the bloodiest and most momentous battles in American history. A compact but richly detailed volume depicting the events of the Battle of Gettysburg day-by-day and hour-by-hour, the guide retains its signature blend of official reports, commanding officers' observations, and terrain descriptions, as well as easy-to-use maps that allow park visitors to follow the battle as it actually unfolded. For the new edition, the authors provide double the number of maps—this time by master cartographer Steven Stanley—to effectively track directional changes for visitors driving through the park. They include new sections highlighting the strategic and operational context for the Gettysburg campaign and providing background about Lee's decision to invade Pennsylvania. They have also added new information about the cavalry battle on Day 3 and the decisions and actions of General Meade, and the Capabilities and Doctrine appendix now addresses more fully the evolution of cavalry tactics in the battle's aftermath. The new volume also features for the first time a useful appendix on logistics, which illuminates one of the army commander's most challenging tasks, sustaining the force during the campaign.

African Americans and the Gettysburg Campaign James M Paradis, 2023-06-14 The Sesquicentennial edition of *African Americans and the Gettysburg*

Campaign updates the original 2006 edition, as James M. Paradis introduces readers to the African-American role in this famous Civil War battle. In addition to documenting their contribution to the war effort, it explores the members of the black community in and around the town of Gettysburg and the Underground Railroad activity in the area.

Pale Horse at Plum Run Brian Leehan, 2008-10-14 Minnesota Book Award Winner! Now in paperback. The smoke had just cleared from the last volley of musketry at Gettysburg. Nearly 70 percent of the First Minnesota regiment lay dead or dying on the field--one of the greatest losses of any unit engaged in the Civil War. The significance of this July 2, 1863, battle at Gettysburg is widely known, but the harrowing details of the First's heroic stand that stopped a furious rebel assault have long been buried. In Pale Horse at Plum Run Brian Leehan brings the full story of the First at Gettysburg to light as he examines personal accounts, eyewitness reports, and official records to construct a remarkably detailed and compelling narrative. Brian Leehan's account of the First Minnesota on Cemetery Ridge is the most detailed and complete I have read. His exhaustive research and compelling narrative are impressive and offer a much fuller understanding of the regiment's extraordinary feats. -- Richard Moe, author of *The Last Full Measure: The Life and Death of the First Minnesota Volunteers*

Danner's Pocket Guide Book of the Battle-Field of Gettysburg, and History of the Battle (Classic Reprint) Joel Albertus Danner, 2017-11-18 Excerpt from Danner's Pocket Guide Book of the Battle-Field of Gettysburg, and History of the Battle L into Pennsylvania; a part going as far as Carlisle, the remainder halting at Chambersburg. The Union army, under General Hooker, had in the meantime crossed the river at Edwards Ferry and headed towards Frederick City, Md. On June 27th, Hooker having been refused the use of some ten thousand men then not needed at Harper's Ferry tendered his resignation, which was accepted - General Meade succeeding to the command. On the morning of July 1st, Hill, whose corps was in the advance six miles. From Gettysburg, learned that Gettysburg was occupied by a Union force. Sending back to urge Longstreet to hasten his march, he moved on. In the meanwhile, Reynolds, who was in command of that portion of the Union army, had sent out a cavalry reconnoissance, and the forces came into collision about two miles north-west of Gettysburg. Reynolds sent infantry to the support of his cavalry, and the action opened. He was killed in the opening of the action. At first the Union forces were superior, and they gained decided advantages; but in a few hours nearly the whole of Hill's corps came up from Chambersburg, and Ewell's from Carlisle, both numbering about while their opponents were less than half as many. The Union forces were driven back through Gettysburg. Until the town was reached the retirement was comparatively deliberate and orderly but when arrived there, being huddled in the narrow streets subjected to a rapid fire from batteries which raked them, and the enemy's swarming infantry intent on their destruction or capture, the men fell into confusion. Their officers strove to save them by ordering them into the cross alleys. But this only added to the confusion, the men either not understanding the commands, or hoping to escape the fire of the foe, and over were made prisoners in less than twenty minutes. The remainder took up a strong position on Cemetery Hill, just south of town, close to the village cemetery, from which the hill and ridge were named. General Hancock had been sent forward and rallied the troops, taking command until General Meade arrived, late in the evening.
