The Captain's Daughter Meg Mitchell Moore,2018-06-12 From the acclaimed author of Vacationland comes an emotionally gripping novel about a woman who returns to her hometown in coastal Maine and finds herself pondering the age-old question of what could have been. • “Emotionally gripping.... Filled with humor, insight, summer cocktails, and gorgeous sunsets...An ideal summer read.” —Redbook When Eliza Barnes was growing up in the lobstering village of Little Harbor, Maine, she could haul a trap and row a skiff with the best of them—but she’d always known she’d leave that life behind. Now she’s settled in the high-society circle of an affluent Massachusetts town with her husband and two daughters. But when her father—a widowed lobsterman—injures himself in a boating accident, Eliza returns to her hometown to come to his aid. When she arrives in Maine, she discovers her father’s situation is more dire than he let on. Her homecoming is further complicated by the reemergence of her first love—and the repercussions of their shared secret. Then Eliza meets Mary Brown, a seventeen-year-old local who is at a crossroad of her own, and Eliza can’t help but wonder what her life would have been like if she’d stayed. By turns poignant, incisive, and laugh-out-loud funny, *The Captain’s Daughter* is an unforgettable novel about the choices we make and the consequences we face in their wake.

Making It in America Elliott Robert Barkan,2001-05-01 This collection of over 400 biographies of eminent ethnic Americans celebrates a wide array of inspiring individuals and their contributions to U.S. history. The stories of these 400 eminent ethnic Americans are a testimony to the enduring power of the American dream. These men and women, from 90 different ethnic groups, certainly faced unequal access to opportunities. Yet they all became renowned artists, writers, political and religious leaders, scientists, and athletes. Kahlil Gibran, Daniel Inouye, Zbigniew Brzezinski, Thurgood Marshall, Madeleine Albright, and many others are living proof that the land of opportunity sometimes lives up to its name. Alongside these success stories, as historian Elliot R. Barkan notes in his introduction to this volume, there have been many failures and many immigrants who did not stay in the United States. Nevertheless, the stories of these trailblazers, visionaries, and champions portray the breadth of possibilities, from organizing a nascent community to winning the Nobel prize. They also provide irrefutable evidence that no single generation and no single cultural heritage can claim credit for what America is.

Vampire Zero David Wellington,2008-10-14 One man stood between them and us. U.S. Marshal Jameson Arkeley—the country’s foremost authority on vampires—taught police investigator and vampire fighter Laura Caxton everything she knows about monsters. After a bloody war visited upon Gettysburg by an army of vampires, Arkeley gave up his own life to save others. Except he didn’t exactly die . . . Arkeley accepted the curse and is now a vampire himself. What’s worse, he’s the savviest vampire ever—he knows all the tricks better than anyone. Caxton is now faced with the task of destroying him. But Arkeley knows all her tactics too; after all, he taught them to her. Caxton realizes she must finish Arkeley before he succeeds in his quest to exterminate his own family, one member at a time. But even more important, she has to prevent him from becoming a beast exponentially more dangerous—a Vampire Zero. The author of 13 Bullets and 99 Coffins, David Wellington takes the Laura Caxton series to a whole new level in this action-packed third volume.

Girl in a Blue Dress Gaynor Arnold,2010-07-06 The celebrated debut novel inspired by the life and marriage of Charles Dickens Alfred Gibson’s funeral is taking place at Westminster Abbey, and his wife of twenty years, Dorothea, has not been invited. The Great Man’s will favours his children and a clandestine mistress over the woman he sent away when their youngest child was still an infant. Dorothea hasn’t left her small apartment for years, and accepts her exclusion — until an invitation to a private audience with Queen Victoria arrives. The exhilaration of finding that she has much in common with the most powerful woman in England spurs Dorothea to examine her own life more closely. Her recollections uncover deviousness and the frighteningly hypnotic power of the genius she married, but also raise questions about her own complicity in her unhappiness. Questions that finally compel her to face her grown-up children and the two women she has long felt stole her husband: her own younger sister, Sissy, and the charming actress, Miss Ricketts. This remarkable debut is as wise in the ways of the human heart as it is witty and vivid in its depiction of the charismatic Alfred Gibson, and the habits, mores, and personalities of Victorian London.

I'd Rather Burn Than Bloom Shannon C. F. Rogers,2023-07-11 Packed with voice, Shannon C.F. Rogers' I'd Rather Burn than Bloom is a powerful YA novel about a Filipina-American teen who tries to figure out who she really is in the wake of her mother's death. Some girls call their mother their best friend. Marisol Martin? She could never relate. She and her mom were forever locked in an argument with no beginning and no end. Clothes, church, boys, no matter the topic, Marisol always felt like there was an unbridgeable gap between them that they were perpetually shouting across, one that she longed to close. But when her mother dies suddenly, Marisol is left with no one to fight against, haunted by all the things that she both said and didn’t say. Her dad seems completely lost, and worse, baffled by Marisol's attempts to connect with her mother's memory through her Filipino culture. Her brother Bernie is retreating further and further into himself. And when Marisol sleeps with her best friend's boyfriend - and then punches said best friend in the face - she's left alone, with nothing but a burning anger, and nowhere for it to go. And Marisol is determined to stay angry, after all, there’s a lot to be angry about- her father, her mother, the world. But as a new friendship begins to develop with someone who just might understand, Marisol reluctantly starts to open up to her, and to the possibility there’s something else on the other side of that anger- something more to who she is, and who she could be.
