What Did You Put in Your Pocket? Beatrice Schenk de Regniers,2003-05-13 What did you put in your pocket? What did you put in your pocket? In your pockety pockety pocket Early Monday morning? What do YOU put in YOUR pocket? Everyday things like a spinky spanky handkerchief? Or silly things like slushy gushy pudding? No matter what you put in your pockets, you'll get a whole lot of ideas from Beatrice Schenk de Regnier's catchy, cumulative rhymes. Together with Michael Grejniec's zany, bright illustrations, they'll make you look at pockets -- and the days of the week -- in a whole new way!

The Reader's Pocket Journal Pocket Journal,2014-04-24 A great gift for the reader, writer or book reviewer in your life! This lovely journal includes alternating blank and lined pages--perfect for jotting down thoughts or ideas, sketching characters or settings, and outlining books or book reviews.

Jewels from My Pocket Stewart Powell,2004-07 Steve concentrated on school, fun and friends.

Jobs were for parents and old people, and he'd get one right after college. That is, until his parents make him start earning his own spending money by going to work at a jewelry store. During the coming years he learns that people can be very different than he'd imagined, life is a little more difficult than he'd been led to believe, and growing up is decidedly more painful than he would prefer. Small business was once a mom and pop operation on any street in America. The same term currently applies to a company of 500 employees. With single enterprises consuming more acreage than a farm, what possible motivation drives a few to unlock the door into a tiny shop? What brings them 6 or 7 days each week to a space likely smaller than their competitors' bathrooms? Perhaps the mom and pop is a dinosaur, reeling briefly in a wake of the comet of change. *Jewels from my Pocket* provides a brief glimpse into the culture of a truly small business through the eyes of a Midwestern lad who happens into a summer job that alters his course in life.

The Pocket Chaotic Ziggy Hanaor, Daniel Gray-Barnett, 2020-10 Alexander's mom keeps putting stuff in her pocket and it's driving him crazy! A young kangaroo called Alexander lives in his mom, Nancy's pocket. Alexander loves his mom, but there's one thing she does that really drives him nuts. She is always putting stuff in her pocket. Alexander tries to keep things neat, but the more he tidies, the more stuff she shoves in there. When he complains, his sister calls him a baby - it's time to leave the pouch anyway. But Alexander loves it in there - it's warm and cosy and smells of mom. Then one day, it gets really bad. Twelve bobby pins, a tube of toothpaste, a bottle of water, a packet of chewing gum, two bus tickets, some keys, a toy car and a cookbook all find their way into Nancy's pouch. And that's just for starters. Finally, Alexander's had enough. 'I can't take it any more!' he shouts. 'I'm moving out!' So Alexander moves into the room next to his sister's. They make it all cosy, with a furry

blanket and shelves for all his stuff. So it's just like his mom's pouch. Almost. The penultimate spread is Alexander sleeping with all his stuff strewn around him. The final spread is Nancy clearing out her pocket with a wink. It was time for Alexander to go. This is a heartwarming tale about the connection between a son and mother and a journey towards independence.

The Old Republic Series: Star Wars Legends 4-Book Bundle Sean Williams, Paul S. Kemp, Drew Karpysyn, 2016-03-15 Not just an epic videogame from BioWare and LucasArts, *Star Wars: The Old Republic™* spawned a New York Times bestselling series of novels—which are now together in one electrifying ebook bundle. *Fatal Alliance*, *Deceived*, *Revan*, and *Annihilation* tell four daringly original stories of Jedi and Sith that embody this unique, beloved era in *Star Wars Legends* storytelling. . . . **FATAL ALLIANCE** by Sean Williams From across the galaxy they've come: a Jedi Padawan, an ex-trooper drummed out of the Republic's elite Blackstar Squad, and a mysterious Mandalorian. An extraordinary auction has drawn them all together, in quest of a prize whose value may be the wealth of a world itself. None intend to leave empty-handed. All have secrets, desires, and schemes. And

nothing could ever unite them as allies—except the truth about the deadly danger of the object they covet. But can Sith and Jedi, Republic and Empire, join as one against the certain doom of the galaxy? DECEIVED by Paul S. Kemp A Sith warrior to rival the most sinister of the Order's Dark Lords, Darth Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace will transform him into something far more heinous—something Malgus would never want to be but cannot stop becoming, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Jedi Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. REVAN by Drew Karpysyn Hero, traitor, conqueror, villain, savior—Revan has been all of these. He left Coruscant a Jedi, on a mission to defeat the Mandalorians. He returned a Sith disciple, bent on destroying the Republic. The Jedi Council gave Revan his life back, but the price of redemption was the loss of his memories. All that's left are nightmares—and deep, abiding fear. One thing he's certain of: Something very dark is plotting against the Republic. With no idea how to identify the threat, let alone stop it, Revan may be

doomed to fail. But only death can stop him from trying. ANNIHILATION by Drew Karpysyn After his triumphant destruction of a Sith superweapon arsenal, covert agent Theron Shan is recruited for an even more dangerous mission. A power struggle has the Empire in flux, but Darth Karrid remains bent on total domination, using a fearsome Imperial cruiser in her reign of terror. Now, joined by a hotheaded smuggler and Karrid's former Jedi Master, Theron must match wits and weapons with a crew of the most cold-blooded dark side disciples. And if they don't seize their one chance to succeed, they will have countless opportunities to die.
