

Pocket Putt Disc Golf

Justin Menickelli,Ryan Pickens

Kiss My Putt Patricia Larson,2020-07-08 This ultimate pocket golf score notebook is a perfect way to track and record all your favorite golf games. This unique golf score notebook is a great way to keep your golfing information all in one place.

How to Be a Better Disc Golf Putter John Beckwith,2016-11-20 This book began as a how to based on 3 exercises to improve your putting game. It evolved to include anecdotes, artwork, photography, and personal benefits related to disc golf. Stretch's conversational style clearly instructs the novices and offers philosophy that may lower an experienced player's score. Interesting imagery and art pieces emphasize the variety of opportunities to participate and share talents amongst a multicultural disc golf family. The numerous photos of friends and family elevate this 52 page book to a keepsake.

Definitive Guide to Disc Golf Justin Menickelli,Ryan Pickens,2016-04-01 For people just starting to play, disc golf can become an exciting and addictive sport to play for a lifetime. Avid disc golfers often find playing a challenging test of both physical skill and mental determination. Disc golf is a greener sport than most, and has fewer barriers to entry than traditional golf and other recreational sports. It is also one of the fastest growing sports in the United States. The Definitive Guide to Disc Golf provides readers all the essential information they need to get started playing disc golf, but it is much more than just a basic how to manual – it is a thoughtful, fascinating, and thoroughly enjoyable exploration into the history, nature, science, and skills of disc golf. Featuring more than 80 instructional photos, this is a comprehensive book about disc golf that would be enjoyed by all players, from beginners to aspiring professionals.

Pocket Size Disc Golf Scorekeeper Disc Publisher,2018-09-25 Tree's Are Not Your Friend When You Play The Game Of Disc Golf. A frisbee or disc is used with a backhand or forehand throw on a disk golf course in order to get score points at the disk golf basket. The sport is played in a disk golf league, at tournaments or just for fun with friends. A Pocket Size Disc Golf Score Keeper is a handy way to keep score of who is going over or under par. Now go out and Jump Put or throw that perfect Hyzer Flip. Order your Pocket Size Disc Golf Score Keeper Today.

Pocket Size Disc Golf Scorekeeper Disc Publisher,2018-10-09 Order your Pocket Size Disc Golf Score Keeper Today. A frisbee or disc is used with a backhand or forehand throw on a disk golf course in order to get score points at the disk golf basket. The sport is played in a disk golf league, at tournaments or just for fun with friends. A Pocket Size Disc Golf Score Keeper is a handy way to keep score of who is going over or under par. 1. The Forehand The forehand is also referred to as the flick, two-finger, and side-arm throw. Momentum comes from the flick of the wrist. This is done by holding the disc out to the side with your index and middle finger on the underside of the disc and then swinging your arm forward and whipping your wrist in a motion similar to the motion of rat tailing someone with a towel. 2. Hammer The hammer is gripped just like the forehand but the disc is then brought overhead and thrust forward and somewhat upwards with a wrist flick. The motion is very similar to throwing a baseball... or hitting something with a hammer. 3. Scoober A variant of the forehand throw, the scoober, is similar to the hammer and thrown from a backhand stance. The release of the scoober typically more flat than the release of a hammer but the flight path is very similar to the hammer. Used to throw over defenders, the scoober is usually a short 10 - 20 yard throw. While holding the disc with a forehand grip turn the disc over so it's belly side up, and bring the disc across your body. Lead the throw with your elbow and flick the disc forward. 4. High Release A variation of the backhand, this throw releases the disc above the throwers shoulders to get around a defender. 5. Backhand This throw is done when you curl your arm around the disc and tuck it into your body then straightening your arm releasing the disc in the appropriate direction with a final flick of the wrist. The thrower should remember to step into the throw for maximum power upon release. 6. Thumber The thumber gets its name from the grip of this throw with the thumb holding the disc on the inside of the rim and the other four fingers on the top of the disc. The disc is released with an overhand or sidearm making sure to flick the wrist through the finish. 7. Blade The blade is a flat vertical throw used to get over a defender's head. The disc is held the same as in a forehand throw and projected up and forward holding the disc perpendicular to the ground. 8. Overhand The overhand throw is like a backward backhand throw. The disc is held with four fingers on the top of the disc and your thumb underneath. The disc is then brought from behind your back around to the front with your knuckles facing up. You then flick your wrist rotating the disc counterclockwise and propelling it forward. 9. Duck Ultimate Frisbee Throws This throw is similar to the Overhand throw in that you hold the disc with four fingers on top of the disc and your thumb wraps underneath, but the disc is rotated the opposite direction, however. The duck is thrown with the disc pointing towards the thrower and is then whipped with the wrist and forearm in the desired direction of travel. Like the overhand, this throw is usually only used in a quick and catch and release situation. 10. Chicken Wing Another backhand variation, the chicken wing throw, is gripped the same and released the same as the backhand but the disc is always kept on the right side of the hip (for right-handers) instead of reaching across the body.

The Putter's Pocket Companion Jim McLean,1994-11-24 A PGA coach and a renowned sports psychologist team up to offer golfers 100 unique physical and mental techniques to improve their putting in a special package designed to slip into the golfer's pocket or bag.

Disc Golf Strategy & Tactics Patrick D McCormick,2020-12-07 Zen & The Art of Disc Golf author Patrick McCormick returns to tackle the game's physical tactics and strategy. Strategy & Tactics begins with everything you ever need to know about discs: types, stability, ratings, and weight. McCormick then takes an in-depth look at each throwing tactic and when to use each to improve your round: sunshine, wind, or rain. Finally, McCormick reveals keys to disc golf strategy from the course level down to strategizing each shot. In this book, you will learn: -Why different types of discs exist.-The science of disc stability.-How disc weight affects throwing distance-Tips and tricks for backhands, forehands, rollers, and more!-How to throw in different wind conditions.-The difference between training, practice, and play.-Many field, accuracy, and putting drills to prepare you for victory.-Many disc golf challenge ideas to keep your friendly rounds interesting-How to use the gym to improve your game.-Mental tools and tricks to get out of your own head when playing competitively.-Learning the course, competition, and yourself to aid in determining course strategy.

HOW TO LINE UP YOUR FOURTH PUTT BOBBY RUSHER,1990

PUTT IT IN BOOKS BOXER,2021-10-14

The Pocket Guide of Golf Rules Anthony A. Blunden,1994

One Putt Ken Brown,2015-07-02 Climb the ladder to achieve one-putts by choosing the right putter, achieving an immaculate set up, reading the greens, acquiring touch and feel and honing your skills through drills. This book also includes some stunning bespoke photography from Getty's No.1 golf photographer as well as many shots of today's leading Pros shot especially for the book. With Ken's own analysis and stories from a wealth of experience, this heavily illustrated, easy-to-follow book will make honing this golfing skill easy and entertaining.

Disc Golf Michael Steven Gregory,2003-09 You will be playing disc golf after chapter three!

The Pocket Book of Golf Rules Steve Newell,1999-03 Explains the most common rules of golf, and answers questions about common situations, penalties, and golf etiquette.

Instinct Putting Cary Heath,Eric Alpenfels,Bob Christina,2008 Counseling golfers on a core philosophy introduced in a popular 2005 Golf Magazine cover story, a scientifically based guide to addressing the mental aspects of putting explains the importance of watching the hole rather than the ball while executing shots. 20,000 first printing.

Play Better Golf 2 Pocket Books,1983-04-03

Three Paths to Better Disc Golf Jack Tupp Trageser,2020-10-16 Packed with dozens of well-writtentips, tricks, and techniques,

Three Paths to Better Disc Golf is organized to help you find the instructional material that will help most. Although it includes chapters on how to throw backhand, sidearm, turnover shots and rollers, this is much more than your typical 'How-To' book. Recreational players and touring pros alike will appreciate the three distinct approaches to scoring better while also having more fun. Use the philosophical path to examine broad patterns and identify - then change - systemic issues in your game. The strategic path will help you play smarter through analysis and planning. On the tactical path you'll learn basic techniques as well as specific tips to improve both the physical and mental sides of your game. If you are the type of person who seeks out every possible way to get better at Disc Golf, this book is definitely for you. As a bonus, the author's Disc Golf in a Vacuum philosophy can help you enjoy the game even more- no matter how you perform on any given day.

The Art of Putting Willie Park, 1920
The Disc Golf Revolution Jack Tupp, 2018-04-10 Did you know disc golf courses will outnumber traditional golf courses in the U.S. by 2022? Millions play already, and all signs point to sustained growth for a sport that seems custom-built for the 21st century. In *The Disc Golf Revolution* author Jack Tupp interviews key figures and experts and uses a diverse range of sources to explain disc golf's surging popularity. In addition to learning why, where, and how to play the game, within these pages you'll also discover: -The link between disc golf's history and its enviable grassroots network -How disc golf eliminates all 6 major issues that plague traditional golf -The physics of disc flight, and why discs intensify the golf experience -Why disc golf works where other forms of exercise fail -15.5 predictions about the future of disc golf, and much more! If you're interested in disc golf as a recreational activity, excited but skeptical about the prospect of golf without the drawbacks, or love to track developing trends, this book is for you. List of Chapters: Introduction The Future of Golf Disc Golf in the Context of Other Sports, Games & Hobbies The History of Disc Golf The Organic, Grassroots Growth of Disc Golf (Players, Clubs, Courses, Competitions) Characteristics and Habitats of the Disc Golfer (Who Plays, & Where) So Many Ways to Play Wellness Through Disc Golf The Egalitarian Sport Start Playing Today (Where is the Closest Course? What Stuff Do I Need? How Do I Learn to Play? What are the Rules?) The Finer Points of the Game (Tools of the Trade, Throwing Techniques, The Complexities of Disc Flight) Disc Golf Lingo Disc Golf on the Road A Panacea for Modern Problems The Future of Disc Golf Disc Golf Worlds & Terms

Pocket Guide to Golf Ron Cordes, 1995-06 This handy guide is an almost indestructible how-to tool. It includes need-to-know info such as grip basics, putting, hitting from rough and more. Best of all, the guide is waterproof, dirt-proof and pocket-sized, so you can take it everywhere!

You Will Putt Better, I Guarantee It! A. Craig Fisher, Ph.D., 2014-05-27 Did you ever wonder why your golf scores never improve much even after many years of experience? And, did you know putting contributes about 40% to your total score, making putting the single most important part of your golf game? Do you want to improve? Then, this book is a MUST read! Golfers need to understand and come to grips with the harsh realities putting places on them as well as the many factors that impact putting success, many more mental than physical; therefore, this book leaves the fundamentals of putting stroke to others. To assist golfers, or golfer “wannabes”, the author utilizes his 30 years’ experience in sport performance enhancement and 60 years of playing golf to provide a framework that will lead to increased putting performance IF you will follow some of book’s suggestions. The book is written in a conversational style, with the intent of having the reader interact with material presented – responding to questions, agreeing or disagreeing with a certain perspective, and perhaps searching your conscience for the “why’s” and “why not’s”. Innumerable drills and strategies are offered, both to improve the physical and mental sides of the golf game. Insights into how and what to practice, based on proven approaches, are emphasized to counter the haphazard way most golfers typically practice. Putting really is a head game. I certainly enjoyed reading your book. You have brought every act of putting to the surface. FINALLY a putting book that doesn’t talk about the stroke the whole time. I truly believe the best formula for making putts is to roll the ball on the correct line at the correct speed. Of the two elements speed is the most important. The other tangibles that go with it are to read greens correctly and to have confidence in your stroke and read. You seem to have touched on each one of the topics in depth. The object of putting is to putt the ball in the hole NOT to move the putter in a certain direction or a certain way. The added humor was a nice touch. Good luck with the publishing of the book and sign me up for a finished copy. Nice job. Michael B. Krick, Head Golf Professional Carolina Trace Country Club Sanford, North Carolina
