Dopamine Nation Dr. Anna Lembke,2023-01-03 INSTANT NEW YORK TIMES and LOS ANGELES TIMES BESTSELLER “Brilliant . . . riveting, scary, cogent, and cleverly argued.”—Beth Macy, author of *Dopesick*, as heard on *Fresh Air* This book is about pleasure. It’s also about pain. Most important, it’s about how to find the delicate balance between the two, and why now more than ever finding balance is essential. We’re living in a time of unprecedented access to high-reward, high-dopamine stimuli: drugs, food, news, gambling, shopping, gaming, texting, sexting, Facebooking, Instagramming, YouTubing, tweeting . . . The increased numbers, variety, and potency is staggering. The smartphone is the modern-day hypodermic needle, delivering digital dopamine 24/7 for a wired generation. As such we’ve all become vulnerable to compulsive overconsumption. In *Dopamine Nation*, Dr. Anna Lembke, psychiatrist and author, explores the exciting new scientific discoveries that explain why the relentless pursuit of pleasure leads to pain . . . and what to do about it. Condensing complex neuroscience into easy-to-understand metaphors, Lembke illustrates how finding contentment and connectedness means keeping dopamine in check. The lived experiences of her patients are the gripping fabric of her narrative. Their riveting stories of suffering and redemption give us all hope for managing our consumption and transforming our lives. In essence, *Dopamine Nation* shows that the secret to finding balance is combining the science of desire with the wisdom of recovery.

The Naked Marriage Dave Willis,Ashley Willis,2019-02-12 Now the man and his wife were both naked, but they felt no shame. (Genesis 2:25) Imagine a marriage with complete intimacy, vulnerability, transparency and trust. Imagine a marriage rooted in faith, friendship and mutual fulfillment. Imagine a marriage with amazing sex, but where great sex is only the icing on the cake. This might all sound too good to be true, but it's actually what God designed marriage to be, and He doesn't want you settling for anything less. Having a Naked Marriage' is about much more than just nakedness in the bedroom (although that's part of the fun). It means being naked emotionally and spiritually as well as physically. It also means undressing all the misconceptions our culture has used to cover God's original, beautiful design for marriage and rediscovering all marriage can be. You and your spouse can have a thriving, Naked Marriage with a lifetime of love and laughter together. This book will show you how. About the Authors: Dave and Ashley Willis have become some of America's most trusted teachers on marriage. Their books, blogs, videos and speaking events reach millions of couples worldwide. They are part of the team at X0 Marriage and MarriageToday, which is the largest marriage-focused ministry in the USA. Dave and Ashley have four young sons and live near Dallas, TX.

Infected Scott Sigler,2008-04-01 A terrifying thriller that will crawl beneath your skin . . . and leave fresh blood on every page. “Fraught with tension . . . Invasion of the Body Snatchers meets *The Hot Zone*.”—Rocky Mountain News Across America a mysterious disease is turning ordinary people into raving, paranoid murderers who inflict brutal horrors on strangers, themselves, and even their own families. Working under the government’s shroud of secrecy, CIA operative Dew Phillips crisscrosses the country trying in vain to capture a live victim. With only decomposing corpses for clues, CDC epidemiologist Margaret Montoya races to analyze the science behind this deadly contagion. She discovers that these killers all have one thing in common—they’ve been contaminated by a bioengineered parasite, shaped by a complexity far beyond the limits of known science. Meanwhile Perry Dawsey—a hulking former football star now resigned to life as a cubicle-bound desk jockey—awakens one morning to find several mysterious welts growing on his body. Soon Perry finds himself acting and thinking strangely, hearing voices . . . he is infected. The fate of the human race may well depend on the bloody war Perry must wage with his own body, because the parasites want something from him, something that goes beyond mere murder.

Batman and Psychology Travis Langley,2012-05-22 A journey behind the mask and into the mind of Gotham City’s Caped Crusader, timed for the summer 2012 release of *The Dark Knight Rises* Batman is one of the most compelling and enduring characters to come from the Golden Age of Comics, and interest in his story has only increased through countless incarnations since his first appearance in *Detective Comics* #27 in 1939. Why does this superhero without superpowers fascinate us? What does that fascination say about us? *Batman and Psychology* explores these and other intriguing questions about the masked vigilante, including: Does Batman have PTSD? Why does he fight crime? Why as a vigilante? Why the mask, the bat, and the underage partner? Why are his most intimate relationships with “bad girls” he ought to lock up? And why won't he kill that homicidal, green-haired clown? Gives you fresh insights into the complex inner world of Batman and Bruce Wayne and the life and characters of Gotham City Explains psychological theory and concepts through the lens of one of the world’s most popular comic book characters Written by a psychology professor and “Superherologist” (scholar of superheroes)

Recovery Russell Brand, 2017-10-03 A guide to all kinds of addiction from a star who has struggled with heroin, alcohol, sex, fame, food and eBay, that will help addicts and their loved ones make the first steps into recovery “This manual for self-realization comes not from a mountain but from the mud...My qualification is not that I am better than you but I am worse.” –Russell Brand With a rare mix of honesty, humor, and compassion, comedian and movie star Russell Brand mines his own wild story and shares the advice and wisdom he has gained through his fourteen years of recovery. Brand speaks to those suffering along the full spectrum of addiction—from drugs, alcohol, caffeine, and sugar addictions to addictions to work, stress, bad relationships, digital media, and fame. Brand understands that addiction can take many shapes and sizes and how the process of staying clean, sane, and unhooked is a daily activity. He believes that the question is not “Why are you addicted?” but What pain is your addiction masking? Why are you running—into the wrong job, the wrong life, the wrong person’s arms? Russell has been in all the twelve-step fellowships going, he’s started his own men’s group, he’s a therapy regular and a practiced yogi—and while he’s worked on this material as part of his comedy and previous bestsellers, he’s never before shared the tools that really took him out of it, that keep him clean and clear. Here he provides not only a recovery plan, but an attempt to make sense of the ailing world.

Making Radio and Podcasts Steve Ahern, 2022-06-08 Making Radio and Podcasts is a practical guide for anyone who wants to learn how to make successful programmes in the digital era. It examines the key roles in audio and podcasting: announcing, presenting, research, copywriting, producing, marketing and promotions. It also outlines what is involved in creating different types of programmes: news and current affairs, music, talkback, comedy and features, podcasts, as well as legal and regulatory constraints. With contributions from industry experts, the fully updated fourth edition is global in focus and reflects the impact of podcasts and digital radio, including multi-platform delivery, listener databases, social media and online marketing. It also examines how radio stations have reinvented their business models to accommodate the rapid changes in communications and listener expectations. This is the ideal text for undergraduate and postgraduate students taking courses on radio, audio and podcasting, media production and digital media, with broader appeal to professionals and practitioners in the audio industries.

Sober Curious Ruby Warrington, 2018-12-31 Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, Sober Curious is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, Sober Curious is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, Sober Curious is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

Portrait of an Addict as a Young Man Bill Clegg, 2010-06-07 Bill Clegg had a thriving business as a literary agent, a supportive partner, trusting colleagues, and loving friends when he walked away from his world and embarked on a two-month crack binge. He had been released from rehab nine months earlier, and his relapse would cost him his home, his money, his career, and very nearly his life. What is it that leads an exceptional young mind want to disappear? Clegg makes stunningly clear the attraction of the drug that had him in its thrall, capturing in scene after scene the drama, tension, and paranoid nightmare of a secret life--and the exhilarating bliss that came again and again until it was eclipsed almost entirely by doom. He also explores the shape of addiction, how its pattern--not its cause--can be traced to the past. Portrait of an Addict as a Young Man is an utterly compelling narrative--lyrical, irresistible, harsh, honest, and beautifully written--from which you simply cannot look away.

Wallet Activism Tanja Hester, 2021-11-16 2022 NATIONAL INDIE EXCELLENCE AWARDS FINALIST – SOCIAL/POLITICAL CHANGE • 2022 ASJA ANNUAL WRITING AWARD WINNER – SERVICE • 2022 NAUTILUS BOOK AWARDS GOLD MEDALIST – SOCIAL CHANGE & SOCIAL JUSTICE • 2022 AXIOM BUSINESS BOOK AWARD GOLD MEDALIST – PHILANTHROPY/NONPROFIT/SUSTAINABILITY How do we vote with our dollars, not just to make ourselves feel good, but to make a real difference? Wallet Activism challenges you to rethink your financial power so can feel confident spending, earning, and saving money in ways that align with your values. While we call the American system a democracy, capitalism is the far more powerful force in our lives. The greatest power we have—especially when political leaders won't move quickly enough—is how we use our money: where we shop, what we buy, where we live, what institutions we entrust with our money, who we work for, and where we donate determines the trajectory of our society and our planet. While our votes and voices are essential, too, Wallet Activism helps you use your money for real impact. It can feel overwhelming to determine "the right way" to spend: a choice that might seem beneficial to the environment may have unintended consequences that hurt people. And marketers are constantly lying to you, making it hard to know what choice is best. Wallet Activism empowers us to vote with our wallets by making sense of all the information coming at us, and teaching us to cultivate a more holistic mindset that considers the complex, interrelated ecosystems of people and the planet together, not as opposing forces. From Tanja Hester, Our Next Life blogger and author of Work Optional, comes the mindset-shifting guide to help you put your money where your values are. Wallet Activism is not a list of dos and don'ts that will soon become outdated, nor does it call for anti-consumerist perfection. Instead, it goes beyond simple purchasing decisions to explore: The impacts a financial decision can have across society and the environment How to create a personal spending philosophy based on your values Practical questions to quickly assess the "goodness" of a product or an entity you may buy from The ethics of earning money, choosing what foods to eat, employing others, investing responsibly, choosing where to live, and giving money away For anyone interested in leaving the world better than you found it, Wallet Activism helps you build habits that will make your money matter.

Tell Me The Truth About Loss Niamh Fitzpatrick, 2020-09-25 In March 2017, Niamh Fitzpatrick's life fell apart overnight. Her beloved sister Dara was killed in a helicopter crash. Soon afterwards, Niamh's marriage disintegrated, and she feared she would lose her house. Life as she knew it had ended and the loss she suffered was staggering. A psychologist for many years, Niamh's job was to guide clients through the worst times in their lives. Drawing on everything she learned, first to survive and then, in time, to begin to thrive, Tell Me the Truth about Loss is a psychologist's journey through loss, grief and the worst of times, while finding hope along the way. A beautiful book for when life isn't what you expect it to be.

Podcasting in a Platform Age John L. Sullivan,2024-01-25 Podcasting in a Platform Age explores the transition underway in podcasting by considering how the influx of legacy and new media interest in the medium is injecting professional and corporate logics into what had been largely an amateur media form. Many of the most high-profile podcasts today, however, are produced by highly-skilled media professionals, some of whom are employees of media corporations. Legacy radio and new media platform giants like Google, Apple, Amazon, and Spotify are also making big (and expensive) moves in the medium by acquiring content producers and hosting platforms. This book focuses on three major aspects of this transformation: formalization, professionalization, and monetization. Through a close read of online and press discourse, analysis of podcasts themselves, participant observations at podcast trade shows and conventions, and interviews with industry professionals and individual podcasters, John Sullivan outlines how the efforts of industry players to transform podcasting into a profitable medium are beginning to challenge the very definition of podcasting itself.

Podcast Addict Introduction

In todays digital age, the availability of Podcast Addict books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from

the comfort of our own homes or on the go. This article will explore the advantages of Podcast Addict books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Podcast Addict books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Podcast Addict versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Podcast Addict books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Podcast Addict books and manuals, several platforms offer an extensive collection of resources.

One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Podcast Addict books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Podcast Addict books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Podcast Addict books and manuals for download and embark on your journey of knowledge?
