**Powerlines** Steve Cone,2008-07-01 Powerlines, the exceptional slogans that people remember long after the campaign ends, stand out from the barrage of marketing messages consumers face each day. A product, service, company, candidate, or an organization with a powerline outshines the competition every time. Steve Cone, author of *Steal These Ideas!*, reveals the secrets to contemporary marketing's biggest mystery: how to conjure the phrase that will make a product irresistible and memorable. This book restores the lost art of creating killer slogans to its proper place: front and center in every campaign. Drawing on examples of great and not-so-great lines from marketing, politics, and popular culture, Cone provides an irreverent, intelligent, and insightful primer on a singularly important aspect of brand building. Silver Medal Winner, Advertising/Marketing/PR/Event Planning Category, Axiom Business Book Awards (2009)

**In a Jam** Cindy Dorminy,2018-04-10 Andie Carson has to do three things to inherit her grandmother's lottery winnings—sober up, spend a month running her grandmother's Georgia coffee shop, and enter homemade jam in the county fair. If she can't meet those terms, the money goes to the church, and Andie gets nothing. She figures her tasks will be easy enough, and once she completes them, Andie plans to sell the shop, take the money, and run back to Boston. After a rough breakup from his crazy ex-fiancée, Officer Gunnar Wills decides to take a hiatus from women. All he wants is to help make his small town thrive the way it did when he was a kid. But when wild and beautiful Andie shows up, Gunnar's hesitant heart begins to flutter. Gunnar knows that Andie plans to leave, but he's hoping to change her mind, fearful that if her coffee shop closes, Main Street will fold to the big-box corporations and forever change the landscape of his quaint community. But convincing her to stay means getting close enough to risk his heart in the process. Even though Gunnar makes small-town life seem a little sweeter, Andie has to decide if she's ready to turn her world upside down and give up big-city life. One thing's for sure—it's a very sticky situation.

**High Voltage** Karen Marie Moning, 2018-07-24 NEW YORK TIMES BESTSELLER • Immortal Faerie and ancient feuds, secrets and sacrifices—a thrilling new chapter in the bestselling Fever series begins, featuring Dani, Ryodan, and other beloved characters, as they battle to save Dublin from the rising of a terrifying evil determined to enslave the human race. There is no action without consequence. Dani O'Malley was nine years old when the delusional, sadistic Rowena transformed her into a ruthless killer. Years later, Dani is tough and hardened, yet achingly vulnerable and fiercely compassionate, living alone by her own exacting code. Despite the scars on her body, and driven by deeper ones carved into her soul, no one is more committed to protecting Dublin. By day she ensures the safety of those she rescues, by night she hunts evil, dispensing justice swiftly and without mercy, determined to give to those she cares for the peace she has never known. There is no power without price. When the Faerie Queen used the dangerously powerful Song of Making to heal the world from the damage done by the Hoar Frost King, catastrophic magic seeped deep into the earth, giving rise to horrifying, unforeseen consequences—and now deadly enemies plot in the darkness, preparing to enslave the human race and unleash an ancient reign of Hell on Earth. There is no future without sacrifice. With the lethal, immortal Ryodan at her side, armed with the epic Sword of Light, Dani once again battles to save the world, but her past comes back to haunt her with a vengeance, demanding an unspeakable price for the power she needs to save the human race. And no one—not even Ryodan, who would move the very stars for her—can save her this time. Praise for High Voltage “A romance wrapped up in a thrilling sci-fi novel—what more could you want?”—PopSugar “If you’ve never read a Karen Marie Moning book before, you’re missing out. Her heroines alone are worth the read. . . . Despite being set in a dystopian world filled with magic and fae, the obstacles that these characters go through are very much humanlike. . . . Cannot wait to see where [she] takes this series next.”—Under the Covers

*Why Enough Is Never Enough* Gregory Jeffrey, 2010-10-22 Making Peace with God and Money This is not a book about how to make money ... or spend it ... or give it away. Rather, it's a book for anyone who has ever worried about money -- about having enough -- and it begins with a startling assumption: No amount of money will ever lift your anxiety. This may seem counterintuitive, but in Gregory Jeffrey we have an experienced guide. With degrees in business and theology, he has worked as a development consultant for two decades. In meeting with thousands of individuals to ask their support for various causes, he discovered -- to his amazement -- that some people with millions worried constantly about money; others, of very modest means, seemed immune. Apparently, making peace with money entails something other than money. This insight led Jeffrey to question every fundamental assumption we hold about wealth. With warmth, humor, and a writing style as simple as the Dakota prairie he grew up on, he

offers a unique perspective on the interplay between our spiritual and financial lives. Rich with images, stories, and compassion for the millions now burdened with financial worries, Jeffrey teases out what is required of the soul who wishes to be free of anxiety. Practical and timely, this book...will challenge you to grow in wisdom, trust, frugality, and generosity. -- Scott Hahn, best-selling author, speaker, and Scripture scholar In striving for holiness, conversion is needed in all parts of our lives. Jeffrey goes to that place rarely examined: the intersection where wealth and God meet, and often come into conflict. As a remedy and balm, he shares with visual examples and heartwarming stories a sobering insight: to be at peace with money, you must first be at peace with God. -- The Most Reverend Samuel J. Aquila, Bishop of Fargo

The Treasure Map of Boys E. Lockhart,2009-07-28 From E. Lockhart, author of the highly acclaimed, New York Times bestseller *We Were Liars*, which John Green called utterly unforgettable, comes *The Treasure Map of Boys*, the third book in the uproarious and heartwarming Ruby Oliver novels. Ruby is back at Tate Prep, and it's her thirty-seventh week in the state of Noboyfriend. Her panic attacks are bad, her love life is even worse, and what's more: Noel is writing her notes, Jackson is giving her frogs, Gideon is helping her cook, and Finn is making her brownies. Rumors are flying, and Ruby's already-sucky reputation is heading downhill. Not only that, she's also: running a bake sale, learning the secrets of heavymetal therapy, encountering some seriously smelly feet, defending the rights of pygmy goats, and bodyguarding Noel from unwanted advances. In this companion novel to *The Boyfriend List* and *The Boy Book*, Ruby struggles to secure some sort of mental health, to understand what constitutes a real friendship, and to find true love—if such a thing exists.
