The most common way of doing this is through deposit bonuses, where the player is given a bonus code to enter when placing money into an account. One common feature of the online poker sites is to offer tournaments called satellites by which the winners gain entry to real-life poker tournaments. Online poker rooms reward customers through deposit bonuses, where the player is given a bonus code to enter when placing money into an account.

It is fickle and elusive, but ultimately it is fair, and right, and just. -- Lou Krieger
