**Exploitative Play in Live Poker** Alexander Fitzgerald, 2018-11-19 Many poker players can make good decisions at the table with a reasonable frequency. Nevertheless, there are numerous situations where even very experienced players behave in predictable ways. These deeply-ingrained habits lead them to make mistakes. The problem is that these situations won't often arise at the table by chance – you have to make them happen. *Exploitative Play in Live Poker* is a ground-breaking work that teaches you how to create the circumstances where your opponents will be likely to blunder and how to exploit them when they do. To achieve this you will need to put to one side starting hand charts, balance and GTO (Game Theory Optimal) play. Instead you will incorporate new concepts that may well place you outside your comfort zone. However, your style will now be forcing the other players at the table outside of their comfort zone and, unlike you, they won't know how to adapt. Learn how to: Counter the auto-continuation-bettor Develop a powerful donk-betting strategy Use the overbet, the check-raise and the three-barrel effectively As well as being a highly successful player, Alex Fitzgerald runs a poker consultancy that serves more than 1,000 professional poker players in 60 countries. As part of this work, he has very likely trawled through more hand history databases than anyone else. This gives him a unique insight into how players really play, especially when placed under pressure and forced into unfamiliar situations.

*Poker Satellite Strategy* Dara O'Kearney, Barry Carter, 2019-02-27 The best way for small stakes poker players to earn life-changing amounts of money is to win a satellite into a bigger tournament. Yet there is surprisingly little poker theory written about how to win satellite tournaments, until now. In *Poker Satellite Strategy* professional poker player Dara O'Kearney gives you a framework for how to approach every stage of a satellite tournament, from the early levels right up to the bubble. This book takes the stress and uncertainty out of satellites. You will learn: \*Adjustments you need to make from regular poker tournament strategy \*What hands to shove, call and fold on the bubble \*When to tighten up and when to keep accumulating chips \*Easy poker math to do at the tables \*The correct poker GTO ranges (and how to adjust to different player types and situations) \*When it's correct to fold Pocket Aces preflop Dara O'Kearney is a professional poker player from Ireland with a long standing reputation as the best satellite specialist in the game. He has won over \$1 million in satellite tournaments alone and twice won the PokerStars UKIPT satellite leaderboard. He is sponsored by Unibet Poker and is the co-host of The Chip Race Podcast. "In the first 30 minutes of reading, I guarantee you will pick up something that will increase your future expectation to cover the cost of the book tenfold" – Marty "TheLipoFund" Mathis, partypoker PPL Satellite Leaderboard winner "A highly recommended book for anyone looking to play satellites well or related formats like Double or Nothing where multiple finishers receive identical top prizes" ~ Collin Moshman – author of Sit N' Go Strategy "Dara has been ahead of the curve on satellites for years and his results show it. This book will change the way you think about, and play, satellites forever." ~ Daiva Byrne – professional poker player and advocate for women in poker This book uses the most up-to-date poker ICM calculators, however it has been written in a way to make the poker math you need to do at the tables very simple. Every chapter starts from a poker GTO framework but then explains how you should deviate when the players or table dynamics change. It covers every aspect of satellite play, from the important bubble stage, but even explaining the poker game theory behind late registering, post flop play, poker mindset issues unique to satellites and how to adjust in live poker tournaments. It has everything a texas hold'em player needs to qualify for big poker tournaments like the World Poker Tour, EPT or World Series of Poker.

*Jonathan Little on Live No-Limit Cash Games, Volume 1* Jonathan Little, 2014-07-01 What do you think about when you sit down to play live no-limit cash games? If it's only your hand and how you should play it then you need to think again! There is much, much more to being a good live cash player than simply playing your hand "correctly". You need to develop a whole host of other skills. Jonathan Little, a top-ranking professional poker player, will teach you these skills. Jonathan has justifiably gained a reputation as one of the best instructors the game has ever seen. He has an almost unique

ability to explain difficult poker concepts in simple terms. Jonathan thoroughly examines the difficult topic of how to modify your play on all post-flop streets based on: The pre-flop action: limped, raised and re-raised pots have different dynamics Being in position or out of position Whether you are the aggressor Whether you have a strong made hand, a drawing hand or a bluff Jonathan analyzes the numerous different player types and explains how to adjust your game to play well against each of them. In Live No-Limit Cash Games Jonathan also discusses key “non-poker” concepts including: Bankroll management Game selection Spotting and concealing tells Emotional control

What No One Else Is Saying about Online-Poker Carl Varrone, 2007-02 With the renewed interest in the WSOP and Texas Hold-Em poker, online poker rooms have become the easiest way for the average player to get in the game. Online poker generates billions of dollars a year. Millions are playing and millions are lost every day. When playing poker live, an experienced player coupled with a little luck is a winning hand. But when playing online, rampant cheating and endless numbers of bad players make the luck factor the deciding factor. This book will let you understand the two different games being played, comparing live play to online play. What No One Else Is Saying About Online Poker highlights how the internet has changed the game into a free for all that could bring even the most experienced professional poker player to his knees, begging for mercy. What No One Else Is Saying About Online Poker is the tell all book about online poker. Topics: . Research the ins and outs of the industry and how the internet has changed the game forever. . Understand why online poker rooms are spending millions to detect cheating. . Learn the different types of cheating taking place in today's online poker rooms and how to recognize it. . Uncover the truths and rumored myths of online poker. . Learn exactly where online poker rooms and the players stand concerning the new bill passed into law on October 13, 2006: The Unlawful Internet Gambling Enforcement Act of 2006. . Arm yourself with the knowledge to compete and discover if you can even afford trying. Author Carl Varrone, a successful business owner and poker enthusiast began his research for What No One Else Is Saying About Online Poker in 1998. His curriculum included reading numerous books

and firsthand experiences in casino poker rooms learning to master the game. When poker rooms started popping up on the internet, Varrone found himself playing online every chance he could. Through his years of playing and research he was compelled to write this book. Every person playing online poker or considering it should learn from his experiences before getting in on the action.

**Live Poker Player's Journal** James Sweeney, 2015-09-19 This book is the perfect companion for any live poker player. Use it to record interesting hands, track your results, and journal your card playing journey. Stop using clunky apps and start using this book which has an intuitive layout for recording the hands that you play. Designed by poker players, for poker players...this is the perfect size to bring to any poker game. It also sports an inconspicuous cover to not attract extra attention to yourself while you jot down notes. If you are tired of trying to remember hands (and forgetting tons of details along the way), and tired of using cumbersome apps...grab this journal today and ensure you don't miss anything in your game!

**Jonathan Little on Live No-Limit Cash Games, Volume 2** Jonathan Little, 2015-05-01 How well can you handle the complex situations that arise in live No-Limit cash game play? Leading professional Jonathan Little excels at this form of poker. Read this book and learn how to master the intricacies of this fascinating game. Jonathan's first book in this series, Jonathan Little on Live no-Limit Cash Games, volume 1: the theory, outlined how the modern professional plays the game. Now Jonathan has produced a second volume, allowing players to test their understanding of the nuances of playing NL live. The question and answer format allows the reader to examine each individual hand, consider the relevant factors and formulate their thinking about the best line to take. In this way the reader can compare his or her thought processes with those of a top flight professional. No-Limit play is all about successfully adapting your strategy based on: The pre-flop action Whether you are the aggressor Whether you are in position The relative stack sizes at the table Testing yourself by going through the examples in this book will enable you to make these adaptations instinctive.

**Jonathan Little on Live No-Limit Cash Games** Jonathan Little, 2014-06-30 Jonathan Little teaches the skills needed to become a strong live cash game player.

**Secrets of Professional Pot-Limit Omaha** Rolf Slotboom, 2016-03-23 Pot-Limit Omaha is a fascinating game which is rapidly increasingly in popularity on the back of the current poker boom. However, there is a dearth of quality material giving advice on how to handle all elements of this complex form of poker. Until now... Secrets of Pot-Limit Omaha is one of the first books to analyze medium and high-stakes PLO in great depth. The author, long-time successful PLO cash game player Rolf Slotboom, reveals key information that has never appeared in print before. The following are just some of the topics that are discussed in this ground-breaking book: A revolutionary short-stack approach Adjustments for big-stack play A study on the proper bet size Correct seating position Blocker play The bare ace bluff Exploiting your opponents' specific weaknesses Finally, the practice hands and the chapter on hand match-ups offer tremendous theoretical and practical advice. This book is a must-read for anyone who wishes to play PLO successfully.

**Donkey Poker** Steve Selbrede, 2015-05-17 Donkey Poker teaches you how to crush the low-stakes live no-limit hold'em games you will find in Las Vegas. These Donkey Games play much differently than high-stakes live games or even low-stakes online games, so the optimal strategies are often much different. Donkey Games are filled with players who make the same mistakes over and over again and who are very exploitable. Donkey Poker teaches a small-ball brand of exploitive and low-variance poker. It teaches you what to do and why you should do it.

**Positively Fifth Street** James McManus, 2007-04-01 Rough sex, black magic, murder, and the science-and eros-of gambling meet in the ultimate book about Las Vegas James McManus was sent to Las Vegas by Harper's to cover the World Series of Poker in 2000, especially the mushrooming progress of women in the \$23 million event, and the murder of Ted Binion, the tournament's prodigal host, purportedly done in by a stripper and her boyfriend with a technique so outré it took a Manhattan pathologist to identify it. Whether a jury would convict the attractive young couple was another

story altogether. McManus risks his entire Harper's advance in a long-shot attempt to play in the tournament himself. Only with actual table experience, he tells his skeptical wife, can he capture the hair-raising brand of poker that determines the world champion. The heart of the book is his deliciously suspenseful account of the tournament itself—the players, the hand-to-hand combat, and his own unlikely progress in it. Written in the tradition of *The Gambler* and *The Biggest Game in Town*, *Positively Fifth Street* is a high-stakes adventure, a penetrating study of America's card game, and a terrifying but often hilarious account of one man's effort to understand what Edward O. Wilson has called Pleistocene exigencies—the eros and logistics of our primary competitive instincts.

The Pursuit of Poker Success Lance Bradley, 2018-06-07 Why do some poker players become immensely successful while others fall by the wayside? What is it that separates the successes from the failures? Is there a magic formula? Over the last 12 years, Lance Bradley has been one of poker's leading journalists and now finds himself at the helm of *PocketFives.com* as President and Editor-in-Chief. During his time covering the poker world, Bradley has interviewed hundreds, if not thousands, of the world's best players. This experience has revealed one fascinating trend; contrary to what might be expected, there is no single guaranteed path to success. Each and every poker player featured in *The Pursuit of Poker Success* has taken their own route to becoming one of the world's best players. The players interviewed for this book include World Series of Poker bracelet winners, World Poker Tour champions, online poker wizards and some of the best cash game players on the planet. Bradley spoke to each player about the way in which they found success in a game that can be humbling for so many. What worked for them can work for you.

**Cowboys Full** James McManus, 2009-10-27 From James McManus, author of the bestselling *Positively Fifth Street*, comes the definitive story of the game that, more than any other, reflects who we are and how we operate. *Cowboys Full* is the story of poker, from its roots in China, the Middle East, and Europe to its ascent as a global—but especially an American—phenomenon. It describes how early Americans took a French parlor game and, with a few extra cards and an entrepreneurial spirit, turned it into a national craze by the time of the Civil War. From the kitchen-table games of ordinary citizens to its influence on generals and diplomats, poker has gone hand in hand with our national experience. Presidents from Abraham Lincoln to Barack Obama have deployed poker and its strategies to explain policy, to relax with friends, to negotiate treaties and crises, and as a political networking tool. The ways we all do battle and business are echoed by poker tactics: cheating and thwarting cheaters, leveraging uncertainty, bluffing and sussing out bluffers, managing risk and reward. *Cowboys Full* shows how what was once accurately called the cheater's game has become almost entirely honest contest of cunning, mathematical precision, and luck. It explains how poker, formerly dominated by cardsharps, is now the most popular card game in Europe, East Asia, Australia, South America, and cyberspace, as well as on television. It combines colorful history with firsthand experience from today's professional tour. And it examines poker's remarkable hold on American culture, from paintings by Frederic Remington to countless poker novels, movies, and plays. Braiding the thrill of individual hands with new ways of seeing poker's relevance to our military, diplomatic, business, and personal affairs, *Cowboys Full* is sure to become the classic account of America's favorite pastime.

**Secrets Of Professional Tournament Poker** Jonathan Little, 2021-07-21 This new, expanded, fully updated and revised, edition of 'Secrets of Professional Tournament Poker' is a landmark in poker publishing. Originally published in two volumes in 2011 and 2012 this was both a critical and commercial success. Over the last decade, the understanding of poker has changed dramatically and this new edition fully reflects current thinking on the game. This book will give readers a thorough understanding of everything they need to know about playing tournaments and Jonathan Little is undoubtedly the person best qualified to impart this information. The book is split into seven sections: 1) How Tournaments Work –This explains why tournaments are a highly profitable form of poker and examines the basic concepts that need to be mastered. 2) Playing Deep Stacked –This deals with situations where (most) players have stacks of 50 big blinds or more. All situations are dealt with including pre-flop and all three post-flop streets.

There is further information on general topics at this stack depth. 3) Playing Mid Stacked –This deals with situations where the basic stack depth is between 27 and 50 big blinds. These situations are tricky because with the shorter stack, players are often going all-in. This means that very clear adjustments are required compared to the deeper stack strategies. 4) Playing Short Stacked –This section focuses on play below 27 big blinds. Now play is almost exclusively focused on the possibility of players going all-in. Knowing the correct ranges and plays here is vital to maximise your chances for tournament survival. 5) The Late Stages –As the prospect of serious prize money looms, huge adjustments need to be made. How to play on the bubble and concepts such as risk premium and the Independent Chip Model are fundamental to maximising your chance of landing a major prize and they are all thoroughly explained. 6) Hand Examples –This will test your understanding of everything you have learnt so far. 7) Other Considerations –You can improve your tournament results by also working on your general attitude and approach. This section encompasses all the non-technical aspects of playing, including learning, the mental approach, tells and practical tips. Jonathan Little has dedicated himself to educating players who are keen to improve their poker strategy, and in 2020, he was awarded the prestigious title of Global Poker Index “Poker Personality of the Year” – voted for by the poker-playing public. As well as being an immensely successful professional player with over \$7,000,000 in live tournament cashes, Jonathan runs the highly respected coaching site [pokercoaching.com](http://pokercoaching.com). By interacting regularly with his students, he has developed a clear understanding of how to explain important concepts in a language that can be easily understood by players of all skill levels. The result is *Secrets of Professional Tournament Poker* – the definitive guide to modern tournament play.

*New Age High Stakes No Limit Hold'em Secrets For Consistent Profits* Peter Zhang,2015-12-28 Visit [SafeGlobalPoker.com](http://SafeGlobalPoker.com) To Play honest fair poker online with low rake. The idea of this book is to convey to you a complete system to take down the high stakes No Limit Hold'em tables for consistent profits. Before I begin on this journey with you I will ask you to forget everything you know about this game. I know it will be hard to do, because you will probably have played hundreds of thousands to millions of poker hands. I believe you yourself have noted that even after knowing everything what poker books have taught you and even after applying GTO strategies you are not getting the profits you deserve. As I mentioned consistency is extremely important in this trade, you don't want to have streaks of winnings in which you go over the high tide, but then suffer losing downswings which last long. I will also explain why downswings are so bad and what can you do to stop these downswings. When I thought I had become perfect in

live play, in GTO, I straight away went to Macau to play the 25/50 stakes but I came back broken by sick bad beats and downswing that wouldn't stop. It made my resolve stronger to develop a system that will allow me to consistently beat the game. To do so I had to throw out of my brain everything that I had learnt till that point of time. I perfected this system out of unique innovative ideas that allowed me to make a killing at the 25/50 games and grow my bankroll to enable me to take shots at the higher stakes. This information is not available in any existing book and is not a copy paste job from any other book. This is written by a serious poker professional for other serious poker professionals for whom every buy-in and every win is extremely serious to the point of it being the bread and butter. I don't think that I will raise much competition in my games by sharing this information because I believe that for it to be the case hundreds of thousands of players will need to buy this book but that will already make me a millionaire. So I think I can sell this material at a high price and expect to not lose a penny worth of my knowledge. All the strategies are for 5/10 No Limit Hold'em and above stakes and 25/50 stakes which will allow a live professional to make a comfortable living playing only poker. If it is your dream to make a living being a live poker professional and just play poker then this is the book for you. I will cover everything that I know that will enable you to crush the stakes, survive as a live poker professional in this age of poker in which it is not uncommon to see at the table online phenomenon and crazy maniacs who like to push all in without seeing their cards. This book promises you to deliver all the secrets that a live poker professional needs to grind the 5/10 stakes and above to make a comfortable living. I have been a member of the twoplustwo forums and I believe the information that I will convey to you will be up-to date as I will inherit the ideas of several professionals based in Las Vegas who have survived for years like DGIHARRIS of the twoplustwo forums and several others notable personalities like BOBAFETT, WCGRIDER and several others. I believe that the information that I will provide also inculcates and inherits from all the poker knowledge out there at various sites like DeucesCracked, TPE, CardRunners, Ivey League, RunItOnce, The Poker Bank Articles, Pocket Fives Articles, most modern poker literature including Professional No Limit Hold'em. Apart from inculcating ideas from several notable poker personalities like Annie Duke, Viktor Blom, Annette Obrestad, Stu Ungar, Doyle Brunson, Scotty Ngyuen, Daniel Negreanu, Daniel Colman and much more. Still I will be presenting the ideas for a live poker professionals who is just going to start or is already in the live poker rooms looking to heighten and sky rocket his profits on a consistent basis. Don't wait and discard the knowledge that can win you big long term. Learn from the player who has been there and done that, and focus on winning not mistaking!
