Show Pomeranians Lilla Ives,2017-05-16 This special reprint edition of 'Show Pomeranians: The History and Management of Pomeranian Dogs' was the first book of its kind dedicated to the Pomeranian dog breed. Written by Lilla Ives in 1911, this wonderfully antiquated book is more than a century old now. Mrs. Ives wrote this book in response to the overwhelming amount of questions regarding the breed she was sent on a regular basis, and wished to make breeding and showing Pomeranians easier for new breeders than it had been for herself as a novice in the fancy many years before. Topics covered in the chapters include origin and history of the breed, resume of the breed, breeding, whelping, care of puppies, and grooming. Note: This public domain edition is a perfect facsimile of the original edition and is not set in a modern typeface. As a result, some characters, illustrations and images might suffer from slight imperfections or minor shadows in the page background. Images may appear less crisp and clear than we are accustomed to these days with digitally-derived images.

The Pomeranian Dog G. Hicks,2017-05-16 This special reprint edition of The Pomeranian Dog was first published well over a century ago in 1908. The author, G.M. Hicks was asked to write it for the publisher and almost declined the offer. It was one of very few Pomeranian books published at that time. Chapter topics include Origin and Early History, Rise and Progress in England, How to Breed Show Specimens, How to Rear and Manage, and How to Prepare for the Show Bench. Note: This public domain edition is a perfect facsimile of the original edition and is not set in a modern typeface. As a result, some characters, illustrations and images might suffer from slight imperfections or minor shadows in the page background. Images may appear less crisp and clear than we are accustomed to these days with digitally-derived images.
