McElligot's Pool ,1947 A boy imagines the rare and wonderful fish he might catch in McElligot's pool.

The Complete Pool Manual for Homeowners & Professionals Dan Hardy,2007 Dan Hardy has used every available resource in his 20-year career as a pool professional to add to his store of knowledge about making and keeping water safe. An untiring and dedicated 'Pool Doctor', he has become the 'go to' man for owners of some of the world's largest, most ornate, and expensive private swimming pools -- including that of award-winning actor Mr John Travolta and his wife, Kelly Preston. Dan started working on pools as a boy in his dad's firm. Not content with doing routine maintenance, he began learning all he could about chemicals, mechanics, and safety. In this book he may just be a lifesaver to pool owners who want to save money on maintenance but need to know how to handle poisons safely. Pool maintenance business owners will want to have this book on hand as an easy guide to repairing filtration and pumps and dealing with serious pool problems. And anyone who wishes to have such a career could have no better mentor than Dan Hardy.

Godly Relationships Dr Amanda Pool,2021-04 The author discusses different aspects from a Biblical perspective what she has learned through her journey growing into a deeper relationship with Jesus Christ, and others. She reflects on scriptural insights to help the reader see through a different lens how one's relationship with Jesus Christ is the ultimate basis to determine the way one will interact, not only in the religious arena but also in other areas, and more specifically in business, in the market place. This is not only about an opportunity to grow in relationships, in godly character, or Biblical excellence but also about listening and being obedient to God's voice. The question is asked: if are you one of the chosen ones and by hearing God's voice, will you be obedient and partake in her Kingdom-building-godly business, or if you have your own, change the way you run your business and influence others? Your relationship with Jesus Christ is indeed the determining factor in how you live your life and influence others. Other aspects that are discussed will give more insights as to the hows and the what-nexts, and it might just shift some of your perceptions and paradigms in the process : • Significance • Paradigms and Renewing Your Mind • Godly Kings in the marketplace • Money and Stewardship • Growing the Numbers • God's many, many promises in His Word for example : Romans 12:2: "Do not be conformed to this world, but be transformed (changed) by the (entire) renewing of your mind, (by its new ideals and its new attitude) so that you may prove (for yourselves) what is the good and acceptable and perfect will of God, even the thing which is good and acceptable and perfect (in His sight for you)." (AMP) Romans 15:4: "For whatever was written in former days, was written for our instruction, that by endurance and encouragement from the scriptures we might hold fast and cherish hope." (AMP)

Why swimming and not some other sport? How can swimming improve my health? How can it enhance my life? How will I become a better person—more vital, more competent, vigorous, sexy . . . alive by swimming? Praise for The Complete Book of Swimming "Phil Witten not only explains the 'how to' of swimming in clear, easy-to-understand language, but he also explains the 'why' of swimming: why swimming can make you healthier, happier, and sexier, and can make you feel younger. If The Complete Book of Swimming doesn't convince you that swimming is the best thing you could possibly do for your health, then nothing will."—Mark Spitz "Finally a book has been written that will put swimming on the map for the general public. Phil Witten combines a storyteller's gift for creating excitement with scientific knowledge and personal experience. The Complete Book of Swimming is a must read for swimmers (and coaches) at every level, and for anyone interested in lifelong fitness and health."—Skip Kennedy, Olympic coaching staff, men's swimming; men's swimming coach, Stanford University (NCAA champions) "Dr. Whitten has written the perfect all-purpose guide. It's a useful tool for both experienced swimmers who want to improve, and for rookies who aren't sure where to begin. The Complete Book of Swimming is an invaluable source for all aging baby boomers."—Karen Allen, USA Today "Passion arouses passion, and Dr. Whitten surely cannot fail to persuade aspiring swimmers of all ages and abilities that the sport of swimming is the way to a healthier, happier existence. This is a splendid invitation to beginners, while offering a clearer insight to those who have already donned their suits and goggles. The Swimming Pool Mary Roberts Rinehart, 2013-08-13 Two reclusive sisters. A crumbling mansion. A dead doppelgänger. The New York Times bestseller from the author known as the American Agatha Christie. The Birches was one of the grand mansions of the 1920s, with a ballroom, tennis courts, and, of course, a swimming pool. But after the crash of '29, when Lois and Judith's father killed himself to escape his debts, the family turned the summer home into a fulltime retreat from the world. Decades later, Judith is the queen of New York society, a fast-living beauty whose nerves are beginning to fray, while Lois still lives in the dilapidated old mansion, writing mystery novels to pay the bills. She is about to encounter a mystery of her own. To stave off a nervous breakdown, Judith moves in with her kid sister. Terrified of an unnamed threat, she nails her windows shut and locks the door. Soon, a woman is found dead in the pool—a stranger who bears a shocking resemblance to Judith. In a family with a history of tragedy, a chilling new chapter is about to be written.
