

Pop Video Lite

Matt Hanson

Reinventing Music Video Matt Hanson,2006 This is a unique title; no current showcase of the best contemporary music videos exists, despite the area being a popular, flourishing hub of creative activity. If you want to succeed in this area, you need this book! Reinventing Music Videos provides a showcase of the best of the next generation of international music video directors, who are creating work for best-selling and cutting-edge music artists. The up and coming are contrasted with an icons of the genre' section on big name music video directors such as Chris Cunningham and Spike Jonze to give the complete overview of this area. Stunning visuals dominate the book, along with questions and answers with the creators, and their sketches, treatments, and test visuals. This is an invaluable reference guide, a source of inspiration and process with an exploration of the underlying technologies and techniques alongside the showcase for everyone working in music videos and those wanting to get into this highly sought after genre of filmmaking. * This is an invaluable, high-profile resource on a hot button area of filmmaking with insider information not available elsewhere * Contains visuals from high-profile, internationally best-selling music artists * Learn from a renowned authority on alternate' moving image

Experiencing Music Video Carol Vernallis,2004-06-16 Music videos have ranged from simple tableaux of a band playing its instruments to multimillion dollar, high-concept extravaganzas. Born of a sudden expansion in new broadcast channels, music videos continue to exert an enormous influence on popular music. They help to create an artist's identity, to affect a song's mood, to determine chart success: the music video has changed our idea of the popular song. Here at last is a study that treats music video as a distinct multimedia artistic genre, different from film, television, and indeed from the songs they illuminate—and sell. Carol Vernallis describes how verbal, musical, and visual codes combine in music video to create defining representations of race, class, gender, sexuality, and performance. The book explores the complex interactions of narrative, settings, props, costumes, lyrics, and much more. Three chapters contain close analyses of important videos: Madonna's Cherish, Prince's Gett Off, and Peter Gabriel's Mercy St.

The Disney Song Encyclopedia Thomas S. Hischak,Mark A. Robinson,2009-07-29 Songs written for Disney productions over the decades have become a potent part of American popular culture. Since most Americans first discovered these songs in their youth, they hold a special place in one's consciousness. The Disney Song Encyclopedia describes and discusses hundreds of famous and not-so-famous songs from Disney films, television, Broadway, and theme parks from the 1930s to the present day. Over 900 songs are given individual entries and presented in alphabetical order. The songwriters and original singers are identified, as well as the source of the song and other venues in which it might have been used over the years. Notable recordings of the song are also listed. But most important, the song is described and what makes it memorable is discussed. This is not a reference list but a true encyclopedia of Disney songs. The book also contains a preface describing the criteria for selecting the songs, a glossary of song terms, a list of all the Disney songs and their sources, a songwriter's directory in which every song by each composer/lyricist is listed, a bibliography, a guide to recordings and DVDs of Disney productions, and an index of people and titles.

Billboard ,1980-10-18 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Music and Media in the Arab World Michael Aaron Frishkopf,2010 Since the turn of the twentieth century the dramatic rise of mass media has profoundly transformed music practices in the Arab world. Music has adapted to successive forms of media disseminationDLfrom phonograph cylinders to MP3sDLeach subjected to the political and economic forces of its particular era and region. Carried by mass media, the broader culture of Arab music has been thoroughly transformed as well. Simultaneously, mass mediated music has become a powerful social force. While parallel processes have unfolded worldwide, their implications in the Arabic-speaking world have thus far received little scholarly attention. This provocative volume features sixteen new essays examining these issues, especially televised music and the controversial new genre of the music video. Perceptive voicesDLboth emerging and establishedDLrepresent a wide variety of academic disciplines. Incisive essays by Egyptian critics display the textures of public Arabic discourse to an English readership. Authors address the key issues of contemporary Arab societyDLgender and sexuality, Islam, class, economy, power, and nationDLas refracted through the culture of mediated music. Interconnected by a web of recurrent concepts, this collection transcends music to become an important resource for the study of contemporary Arab society and culture. Contributors: Wael Abdel Fattah, Yasser Abdel-Latif, Moataz Abdel Aziz, Tamim Al-Barghouti, Mounir Al Wassimi, Walter Armbrust, Elisabeth Cestor, Hani Darwish, Walid El Khachab, Abdel-Wahab Elmessiri, James Grippo, Patricia Kubala, Katherine Meizel, Zein Nassar, Ibrahim Saleh, Laith Ulaby.

Billboard ,1996-02-17 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

K-Pop Stuart A. Kallen,2014-02-01 Featuring quirky horse-riding dance moves and an infectious electronic beat, an unlikely music video and its leading man made history in 2012. In December of that year, Gangnam Style reached one billion hits on YouTube--the most views ever. Seemingly overnight, the South Korean pop star behind the hit--Psy (Park Jae-sang)--became a household name.But Psy is just part of the story. Other South Korean pop sensations such as Girls' Generation, 2NE1, and BigBang are part of a global sensation called Hallyu, or the Korean Wave. South Korean bands are performing to sold out arenas all over the world, and fans can't get enough of South Korean music, films, television, food, and manhwa (cartoons).K-Pop: Korea's Musical Explosion traces the journey of South Korean pop music, from the early influences of American rock 'n' roll in the 1950s to the success of a tiger-eyed sensation called Rain, who wowed American audiences in the early 2000s. Discover how this Korean Justin Timberlake, and those who came after him, rose through South Korea's star-making system through grueling hard work to seduce international audiences with their tight choreographies, irresistible beats, outrageous outfits, and exciting stage shows. You'll become part of the K-Pop fandom world too!

Pop Goes Korea Mark James Russell,2012-10-20 Mr. Russell's book is the first by a non-Korean to explain the rise of Korea's entertainment industries....the book could hardly be more approachable.—Wall Street Journal “For a country that traditionally received culture, especially from China but also from Japan and the United States, South Korea finds itself at a turning point in its new role as exporter.”—The New York Times From kim chee to kim chic! South Korea came from nowhere in the 1990s to become one of the biggest producers of pop content (movies, music, comic books, TV dramas, online gaming) in Asia—and the West. Why? Who’s behind it? Mark James Russell tells an exciting tale of rapid growth and wild success marked by an uncanny knack for moving just one step ahead of changing technologies (such as music downloads and Internet comics) that have created new consumer markets around the world. Among the media pioneers profiled in this

book is film director Kang Je-gyu, maker of Korea's first blockbuster film Shiri; Lee Su-man, who went from folk singer to computer programmer to creator of Korea's biggest music label; and Nelson Shin, who rose from North Korea to the top of the animation business. Full of fresh analysis, engaging reportage, and insightful insider anecdotes, Pop Goes Korea explores the hallyu (the Korean Wave) hitting the world's shores in the new century. Mark James Russell has been living in Korea since 1996. His articles about Korean and Asian cultures have appeared in Newsweek, The New York Times, International Herald-Tribune, and many other publications. He is currently the Korea/Japan Bureau Chief for Asian Movie Week magazine.

The Complete WWF Video Guide Volume V James Dixon,Arnold Furious,Lee Maughan,Bob Dahlstrom,Rick Ashley,2014-04-03 An invaluable resource for any wrestling fan of the era. The fifth in the series from www.historyofwrestling.info. This is the complete guide to every WWF VHS release from October 1999 to May 2002, with full reviews of every tape, alternative wrestler bios, exclusive artwork by Bob Dahlstrom, awards, match ratings, and much, much more. Read about the failed WCW invasion angle, the return of Hulk Hogan, Ric Flair, Kevin Nash, Scott Hall and many others, relive some of the greatest matches of any era, cringe at some of the worst, enjoy the rise of Triple H to genuine main event player, witness the Rock take off as an icon on a whole new level. Plus Tough Enough, who ran over Steve Austin, TLC matches, Diva tapes and much, much more! By far the biggest book the team have ever don, e featuring more in depth analysis and comment than ever before.

Billboard ,1992-10-17 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The British Pop Dandy Stan Hawkins,2017-07-05 Who are pop dandies? Why are stars like David Bowie, Jarvis Cocker, Pete Doherty and Robbie Williams so dandified? Taking up a wide range of British pop stars, Hawkins seeks to find out why so many have cast themselves in roles that often take style to absurd extremes. In this study, male pop artists are mapped against a cultural and historical background through a genealogy of personalities, such as Oscar Wilde, W.H. Auden, Andy Warhol, No?Coward, Derek Jarmen, David Beckham and countless others. A critical analysis of issues and approaches to musical performance through masculinity becomes the focal point of this fascinating study. Ranging from the sixties to beyond the twentieth century, The British Pop Dandy considers the construction of the male pop icon through the spectacle of videos, live concerts and films. Why do we derive pleasure from the performing body, and how is entertainment linked to categories of gender and sexuality? The author insists that pop performances can be understood through human characteristics that relate to the particulars of dandyism, camp and glamour, and this he theorizes through the work of Charles Baudelaire. One of the political objectives of the dandy is to liberate himself through a denial of the structures that assume fixed identity. Not least, it is acts of queering in pop music that characterize entire generations of male artists in the UK. Setting out to discover what distinguishes the British pop dandy, Hawkins considers the role of music and performance in the articulation of hyperbolic display. It is argued that the recorded voice is a construction that idealizes self-representation, and absorbs the listener's attention. Particularly, camp address in singing practice is taken up in conjunction with a discussion of intimacy, which forms part of the strategy of the performer. In a range of songs and videos selected for music analysis, Hawkins points to the uniqueness of the voice as it expresses a transgressive quali

The Cambridge Companion to K-Pop Suk-Young Kim,2023-02-28 Probes the complexities of this vibrant global phenomenon, its infrastructure, idols, dance practices, and transnational community building.

The Rough Guide to Cult Pop Paul Simpson,2003 This new Rough Guide is devoted to pop music, the tacky, catchy yet enduring music we grew up listening to when we should have been listening to something more profound. We celebrate the hits, the singers, the impresarios and the songs which have made up the soundtrack to our lives. So come along pop pickers, put on your blue suede shoes (or your tartan trousers or puffball skirt, it's your call) and take a stroll down Electric Avenue. Not aarf! Features include: bull; The Stars A celebration of those performers, from Robbie Williams to Andy Williams (and Madonna to Mungo Jerry), who have had us singing along or, in the case of Dean Friedman and Kajagoogoo, left us wondering what the world is coming to.

Billboard ,1985-01-12 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

All Music Guide to Rock Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2002 This fun-to-read, easy-to-use reference has been completely updated, expanded, and revised with reviews of over 12,000 great albums by over 2,000 artists and groups in all rock genres. 50 charts.

Good Music John J. Sheinbaum,2018-11-29 Over the past two centuries Western culture has largely valorized a particular kind of "good" music—highly serious, wondrously deep, stylistically authentic, heroically created, and strikingly original—and, at the same time, has marginalized music that does not live up to those ideals. In Good Music, John J. Sheinbaum explores these traditional models for valuing music. By engaging examples such as Handel oratorios, Beethoven and Mahler symphonies, jazz improvisations, Bruce Springsteen, and prog rock, he argues that metaphors of perfection do justice to neither the perceived strengths nor the assumed weaknesses of the music in question. Instead, he proposes an alternative model of appreciation where abstract notions of virtue need not dictate our understanding. Good music can, with pride, be playful rather than serious, diverse rather than unified, engaging to both body and mind, in dialogue with manifold styles and genres, and collaborative to the core. We can widen the scope of what music we value and reconsider the conventional rituals surrounding it, while retaining the joys of making music, listening closely, and caring passionately.

Getting the books **Pop Video Lite** now is not type of inspiring means. You could not single-handedly going subsequently books accrual or library or borrowing from your links to entre them. This is an enormously simple means to specifically get lead by on-line. This online statement Pop Video Lite can be one of the options to accompany you taking into account having new time.
