How to Fail as a Popstar Vivek Shraya, 2021-04-06 Described as “cultural rocket fuel” by Vanity Fair, Vivek Shraya is a multi-media artist whose art, music, novels, and poetry and children’s books explore the beauty and the power of personal and cultural transformation. *How to Fail as a Popstar* is Vivek’s debut theatrical work, a one-person show that chronicles her journey from singing in shopping malls to “not quite” pop music superstardom with beguiling humor and insight. A reflection on the power of pop culture, dreams, disappointments, and self-determination, this astonishing work is a raw, honest, and hopeful depiction of the search to find one’s authentic voice. The book includes color photographs from the show’s 2020 production in Toronto, and a foreword by its director Brendan Healy. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A Simple book with few images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

A Trans Popstar's Story TaraElla, 2021-08-14 It all began with the dream. Ever since I was young, I had wanted to be somebody who participated in the cultural conversation, rather than just observe it. I was determined to be one of those who made the culture. I didn't know what I wanted to make, I didn't know what I wanted to say, but I knew I wanted to 'join the conversation', and help shape the culture. However, there were a few problems. Firstly, I didn't know how to get into those exclusive places where they make the culture, i.e. TV studios, Hollywood, established record labels, or at least your local radio station. I knew nobody who had any connection to that world, and it seemed like most people in that world were connected with each other. In other words, it seemed that you had to 'know the right people' to 'get the entry ticket'. Secondly, well, I'm trans. And back in the 1990s and 2000s, there certainly weren't any trans people I knew of, in those exclusive places where they made the culture.

Izzy's Popstar Plan Alex Marestaing, 2011-01-03 Izzy Baxter has big plans—popstar plans. Ever since she was six, she’s dreamed of becoming the world’s next singing sensation. Now sixteen, her singing career is on the rise, and she’s been selected to compete on the hit TV show International Popstar Challenge. As Izzy performs in far off locations such as Tokyo and Paris, it seems as if her plans are coming off without a hitch. But God has plans of His own, and Izzy will soon discover that living for Him is “way cooler” than megastar fame. Presented like a daily blog, set up like a devotional,

and read like a novel—this book will be an instant hit with tween girls. This cutting edge new product will meet girls where they are, and girls will love following Izzy on her incredible adventure. Plus, they'll get daily spiritual food to equip them on their own incredible adventure with God.

A Trans Popstar's World: When Life Dreams and Being Transgender Collide Talaine Mare,

Izzy's Pop Star Plan: The Album Alex Marestaing,2011-03-05 In this second book of the Izzy's Pop Star Plan series, the final voting tallies on International Pop Star Challenge are finally revealed, and a media firestorm begins to rage. Though a heavy audience favorite, Izzy Baxter loses by a mere 112 votes. Rumors have it that the sixteen-year-old was robbed of the title because of her faith. Everyone seems to be offering the teen legal advice, and many begin pressuring Izzy to demand a recount. After trying hard to hear God's voice in all the noise, she decides to leave the loss behind and focus on her fledgling music career. Izzy is flooded with contract offers, but after agonizing over the myriad of choices, she finally decides to sign with Pop Star judge Giuseppe Rossi's Megatone Records. The talented teen is then whisked away to London to begin recording her first album. But even songs produced by a genius British producer feel empty for Izzy without incorporating her faith. Needing to clear her head, Izzy takes a break from recording and heads to Uganda for a two-week mission trip with her youth group. While working at the Kisugu orphanage, Izzy's heart is broken and forever changed. On top of a lonely African hill, the young songwriter begins working on a new set of songs, and a new Pop Star Plan is born.

Ariana Grande Rita Santos,2018-07-15 Broadway star turned R&B singer, Ariana Grande was just eight years old when she set her sights on the stage. More than just a talented singer, Ariana is an astute businesswoman who knew what she had to do to make her creative dreams come true. What really makes this pop star stand out is her dedication to philanthropy. After the tragedy in Manchester, she helped raise over 13 million dollars for the victims with her One Love Manchester Benefit concert. Young readers will learn more about the singer's life and careers through easy-to-follow text accompanied by dynamic full-color photographs, as well as direct quotes from Grande herself.

Engaged to an Alien Popstar Kendra L. Saunders, Daisy Kirkwood and her best friend Kammie have adjusted to life on an alien planet pretty well, all things considered. And thanks to Daisy's alien pop star boyfriend, Griffin Valentino, she has plenty of sexy new experiences to keep her busy. But it's not possible to take a massive music nerd away from her home planet and not expect her to pine for a concert or a record store at least in once in a while. Heading back to Earth with Griffin and his best friend Dev for a brief but much-needed visit, the girls want nothing more than to catch up on the underground music scene of New York City. Unfortunately, thanks to Griffin's less-than-stellar space

traveling skills, they accidentally pick up a hitchhiker. Or three hundred. Their many-legged stowaway beasts take up residence in the darkest, creepiest corners of Manhattan, leaving the gang no choice but to experience a very different underground than they bargained for. Giant alien bugs aside, Griffin has some epic plans of his own for their trip, plans that involve a concert, an album... and the most outrageous marriage proposal that Earth has ever seen.

Rihanna Hannah Isbell,2017-07-15 Rihanna is known world over as a music icon, but she is more than just a pop princess. Over the past ten years, Rihanna has worked hard to break stereotypes, develop a definitive style, and maintain creative control of her music. In the process, she's won dozens of awards, including eight Grammys. Young readers will learn about the musician and businesswoman's life through easy-to-follow text accompanied by dynamic full-color photographs, as well as direct quotes from Rihanna herself.
