Power Hour Adrienne Herbert,2020-12-31 'A habit-forming work of genius' STYLIST 'Adrienne is here to motivate and encourage us all' FEARNE COTTON 'Bursting with ideas' INDEPENDENT 'Read this book' EMMA GANNON _____ From the popular podcast Power Hour comes a book about making the most of the first hour of your day, to pursue your passions and unlock your full potential. How many times have you said, 'I'd love to do that, but I don't have time'? The Power Hour message is simple: one hour a day is all you need to change your life for the better. We all have an hour to dedicate to ourselves and our dreams, whether we think we do or not. Power Hour will show you how to harness the first hour of your day in order to achieve your goals - whether those are writing a book, getting fit or pursuing your passion - before the rest of the world wakes up and starts competing for your attention. From the importance of developing a growth mindset to creating powerful habits and the significance of daily movement, it will help you reclaim your time and unlock your full potential. Most importantly, it will make you realise that there is no better time than now to make a change and create a life you love. Stop waiting for the right time, or for more time. Start with just one hour today. _____ 'A bible' EVENING STANDARD 'Invaluable' MARIE CLAIRE 'A must-read' GLAMOUR 'Hugely inspirational' LAUREN ARMES 'Authentic' VOGUE 'I love this book' JAKE HUMPHREY

Do you want to do more, yet feel you just can't add another thing to your plate without being overwhelmed by stress or compromising your health, relationships, and integrity? No doubt, as a leader, there are some days when you feel the flow. You're able to make a difference and achieve big goals. You feel confident and energized. On days like this, you are your best self--the leader you want to be. But on other days, you go down a different, negative path, with pressures and doubts making you feel like a lesser version of yourself. How can you be the leader you want to be, every day? The answer is more than a time-management system or a silver-bullet solution for changing your routines. Leadership expert and coach Amy Jen Su's powerful new book helps readers discover that the answer lies within. By focusing in specific ways on five key leadership elements--Purpose, Process, People, Presence, and Peace--you can increase your time, capacity, energy, and ultimately your impact, with less stress and more equanimity. Drawing on rich and instructive stories of clients, leaders, artists, and athletes, as well as on research by experts, the author brings together the best of both Western management thinking and Eastern philosophy to provide a holistic yet hands-on approach. The Leader You Want to Be is your indispensable guide to tapping into and expanding your leadership capacity so that you can be your best, sustain yourself, and thrive as a leader.
