Brave in the Woods Tracy Holczer,2021-01-05 Critically acclaimed Tracy Holczer returns with a heartrending tale about a girl descended from the Grimm brothers who sets out to break what she thinks is a family curse. Twelve-year-old Juni is convinced her family is cursed. Long ago, her ancestors, the Grimm Brothers, offended a witch who cursed them and their descendants to suffer through their beloved fairy tales over and over again--to be at the mercy of extreme luck, both good and bad. Juni fears any good luck allotted to her family she used up just by being born, so when she wakes up in the middle of the night with the horrible feeling like antlers are growing from her head, she knows something is wrong. The next day she learns her older brother Connor has gone missing during his tour in Afghanistan. Her family begins grieving his loss in their own ways but Juni can't help but believe that his disappearance means the family curse has struck again. Juni is convinced the only way to bring her brother home is to break the family curse and so she sets out on a quest to do just that. From Charlotte Huck honoree Tracy Holczer comes a stunning new novel about the power of stories, the enormity of grief, and the brilliancy of hope.

  Our Little World Karen Winn,2022-05-03 I was intrigued by Our Little World from the chilling first paragraph. It's a coming-of-age novel complicated by a tragic and untimely death, and it's also a novel about two sisters you will never forget. I fell in love with the confidence of the writing and the colorful nostalgia of the mid-'80s details. Our Little World will transport and transfix you.—Elin Hilderbrand July 1985. It's a normal, sweltering New Jersey summer for soon-to-be seventh grader Bee Kocsis. Her thoughts center only on sunny days spent at Deer Chase Lake, on evenings chasing fireflies around her cul-de-sac with the neighborhood kids, and on Max, the boy who just moved in across the street.

There's also the burgeoning worry that she'll never be as special as her younger sister, Audrina, who seems to effortlessly dazzle wherever she goes. But when Max's little sister, Sally, goes missing at the lake, Bee's long-held illusion of stability is shattered in an instant. As the families in her close-knit community turn inward, suspicious and protective, things in Bee's own home become increasingly strained, most of all with Audrina, when a shameful secret surfaces. With everything changed, Bee and Audrina's already-fraught sisterhood is pushed to the limit as they grow up—and apart—in the wake of an innocence lost too soon. Perfect for readers of Celeste Ng's Everything I Never Told You, Our Little World is a powerful and lyrical coming-of-age story that examines the complicated bond of sisterhood, the corrosive power of envy, and how the traumas of our youths can shape our identities for a lifetime.

The Bohemians Jasmin Darznik,2022-04-05 A dazzling novel of one of America's most celebrated photographers, Dorothea Lange, exploring the wild years in San Francisco that awakened her career-defining grit, compassion, and daring. "Jasmin Darznik expertly delivers an intriguing glimpse into the woman behind those unforgettable photographs of the Great Depression, and their impact on humanity."—Susan Meissner, bestselling author of The Nature of Fragile Things In this novel of the glittering and gritty Jazz Age, a young aspiring photographer named Dorothea Lange arrives in San Francisco in 1918. As a newcomer—and naïve one at that—Dorothea is grateful for the fast friendship of Caroline Lee, a vivacious, straight-talking Chinese American with a complicated past, who introduces Dorothea to Monkey Block, an artists' colony and the bohemian heart of the city. Dazzled by Caroline and her friends, Dorothea is catapulted into a heady new world of freedom, art,

and politics. She also finds herself falling in love with the brilliant but troubled painter Maynard Dixon. As Dorothea sheds her innocence, her purpose is awakened and she grows into the artist whose iconic Depression-era "Migrant Mother" photograph broke the hearts and opened the eyes of a nation. A vivid and absorbing portrait of the past, The Bohemians captures a cast of unforgettable characters, including Frida Kahlo, Ansel Adams, and D. H. Lawrence. But moreover, it shows how the gift of friendship and the possibility of self-invention persist against the ferocious pull of history.
