Sing Praise Anne Harrison, 2010-09-30 A comprehensive worship supplement that will fit many churches' needs for quality modern music resources, arranged seasonally and thematically. The 330 hymns and songs included represent many influential writers and styles including selections from Bernadette Farrell, John Bell, Stuart Townsend, Michael Forster, Graham Kendrick, Carl Daw, Taizé, Marty Haugen, Timothy Dudley-Smith, Shirley Erena-Murray, Keith Getty, Martin Leckebusch and many more. Designed to help churches broaden their repertoire substantially without the cost of replacing standard hymn books. Many standard hymn books in use today may seem old-fashioned, even those recently published. Keeping up to date is tricky since many new compositions may enjoy a brief spell of popularity, only to quickly drop out of use altogether! Here, an experienced team of UK church musicians and liturgists, representing a wide variety of tastes, has selected the very best of recently written hymns, songs and short chant compositions. Many of these selections have proven staying power and are widely used in both traditional and informal styles of worship, but often will not be found in other hymn books.

Worship: from Praise Him to Praise Hymn Eurydice V. Osterman, 2015-09-15 From Praise HIM to Praise Hymn is a book about worship, and has been written for all Protestant Churches across the planet to examine the transition from traditional worship to praise worship, what's behind it, and what God has to say about it. You will learn how this transition plays a vital role in the establishment of the new world order and its future impact upon one's spirituality. Finally, the book includes an evaluation tool designed to assist ministers of music, musicians, and other interested persons in analyzing the content of a song to assess its appropriateness for worship.

Hymns for Praise and Worship Word Music, Word Music Staff, Hal Leonard Corp. Staff, Hal Leonard Publishing Corporation, 2003 This deluxe, spiral-bound collection bridges the stylistic gap between modern-day worship songs and the hymns of Christian heritage. A select advisory board was assembled to pinpoint 56 hymns both for their musical quality, and for the messages they bring to today's worshippers. Their selections include: Amazing Grace * Be Still, My Soul * Blessed Assurance * Crown Him with Many Crowns * How Firm a Foundation * Joy to the World * Revive Us Again * To God Be the Glory * and more.

Complete Mission Praise, 1999 Mission Praise was first published in the early 1980's as a collection of songs to accompany a Billy Graham crusade. Praise & Honor Timothy Shoup, 2019 That is what hymns are: sermons full of Christ. Stanza by stanza, hymns bring Christ to you. They supplement Scripture readings, support the sermon, comfort you, and join you with fellow worshipers. The purpose of hymns is to praise God by proclaiming the saving work of His Son. The fourteen hymns in this volume mark milestones in the life of every Christian-Baptism and the Lord's Supper, Christmas and Easter, for instance. Some will be familiar to every reader while others will be new, but all are packed with meaning. Each hymn is introduced with a short reading that will deepen your understanding of the hymn and its purpose. Then, each following devotion focuses on one stanza of the hymn, connects to Scripture, and points to life application. May these devotions further your appreciation for the rich hymnody of the Church and point you to the Lord of Life. Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God (Colossians 3:16). Book jacket.

Presidential Praise C. Edward Spann, Michael Edward Williams, 2008 Presidential Praise: Our Presidents and Their Hymns offers the most comprehensive coverage ever written of the influence of hymns on the lives and administrations of America's presidents. Each chapter begins with Michael Williams's concise presentation of each president's path to the White House and his accomplishments and failures as president. C. Edward Spann then

introduces how each president regarded music, whether or not he was musical, and music in the White House during each president's administration. These hymns may be related to developments in the life of the president, including his spiritual journey, major decisions he had to make as president, or even his selection of the inaugural Scripture. Spann then tells the story of how the hymn was written, both the words and the music. Presenting this scholarly material in an inspiring manner is part of the delight of the book. In doing so, the book covers a panorama of hymnody from 1614 to the 1980s. After an interpretation of the words, it is demonstrated why the chosen hymns were meaningful to each president. The format of each chapter reveals this special emphasis that can't be found elsewhere.
