Treasuring God in Our Traditions Noël Piper,2007-09-07 God is the treasure of our lives. He is part of everything we do, think, act, and say-literally, he is a part of us. This precious heirloom of Christ himself must be passed on to future generations. But how? Treasuring God in Our Traditions presents the importance of passing along Christ-centered traditions and a Bible-saturated legacy in Christ to future generations. Noël Piper helps her readers recognize how the everyday routines of life and the especially celebrations of holidays and dates can be practically passed down to future generations. When parents and grandparents seek to pass along the treasure of God to their children and grandchildren, they will develop and deepen their love for him. When family traditions are rooted in the Bible, the next generations will see that the greatest treasure that anyone can have is the treasure of God.

The sick and the shut-in and the chronically struggling. With so much on their minds, it's no wonder that women sometimes forget to pray for themselves, neglecting their own needs and spiritual growth. Each devotion includes powerful spiritual insight, personalized Scripture, and a prayer to help begin the conversation with God. THE GLORY OF CHRIST JOHN OWEN,Rev Terry Kulakowski, Editor,2015-11-27

Torahism R. L. Solberg,2019-10-22 www.TorahismBook.com - Are Christians required to keep the Law of Moses? How about the Ten Commandments? Was Jesus divine? Join R. L. Solberg in his new book, TORAHISM, where he confronts a modern heresy and dives into these and other critical questions related to the Jewish roots of the Christian faith. It all began with a series of Facebook posts that an old friend posted just after Thanksgiving. He was aggressively taking Christians to task for celebrating the 'pagan' holiday of Christmas. This struck me as odd because I'd always known he and his wife to be strong Christians. And while I've debated with plenty of atheists over the alleged pagan roots of Christmas, I'd never heard this charge leveled by a fellow Christian. So I decided to chime in on his posts and soon discovered that I had stepped into a mystery of, well, biblical proportions... ENDORSEMENTS: Over a decade ago, I came to know Rob Solberg. He impressed me back then with his searching heart, scholarly mind, and passion for apologetics. He has now offered a masterful work, well researched and very well-argued. Were I still a seminary professor, I would require my students to write reviews on this volume. Dr. Stephen Drake, Former Professor of Ministry at Southern Baptist Theological Seminary Impressively written and researched! Aberrant theologies have existed throughout time, requiring trusted biblical guides to bring much-needed reproof. Rob Solberg does this superbly in his book, Torahism. And, he accomplishes this task with much 'gentleness and respect' (1 Peter 3:15). Even if you are not immediately confronted with this heresy, a careful reading of Rob's book will deepen your

understanding of the gospel of Jesus Christ. Ed Smith, Ph.D., President, Williamson College Engaging and well-developed content on a tough topic. Rob addresses lofty theological issues with incredible accessibility and application. He reminds us to not just stay in our heads and win arguments but to love people well as we fight for what is true. Derek Bareman, Lead Pastor, Church of the City Spring Hill This is an excellent, balanced, scholarly refutation of the heretical teaching of Torahism. Solberg does so with a wide array of Scripture, great Christian writers across the centuries, and impeccable logic. Not only does it address and answer the challenge of this new heresy, it serves as an apologetic in the best tradition of Christian scholarship. Exceptional work. I have reviewed thousands of books in 30 years. This book deserves to be read! Reverend David Doc Kirby (retired), Host of the On The Bookshelf podcast FROM THE FORWARD BY PAUL WILKINSON, Ph.D. - The best conversations are those that happen spontaneously amongst sincere, passionate seekers wanting to learn, mature, and progress in their faith and life. R. L. Solberg has blessed us by inviting us into just such a conversation . . . This book is a read that flows because it originates in genuine conversations between friends and passionate believers. It is reminiscent of the ancient dialogues with questions, points, and counterpoints. But be sure to catch this truth: Solberg's work is not about how to do the least work for the most grace, nor is it about how to avoid obligations, duties, and work. No, much more than that, Solberg's question is about how we who claim to be children of God best glorify, worship, and obey him . . . Solberg wants to know what it means to be godly and righteous in light of the crucifixion and resurrection of Jesus. I invite you into Rob and his friends' conversation. I was challenged, encouraged, and taught by the insights he brings to the fore. I pray that you heed his call to take seriously what it means for the Christian to live the godly life; to be like Jesus.
