**How to Pray Always** Fr Raoul Plus,2004-01-31 Christ urges us to pray without ceasing, but when we try to do so, many of us simply cease without praying. We're distracted by troubles or duty or we quit just because it's late already and we're tired. Fr. Raoul Plus's no-nonsense prayer manual, *How to Pray Always*, remedies these problems by dispelling the false notions of prayer we all have and showing how we can, in fact, pray without ceasing — even at times when exhaustion cripples us and cares threaten to sweep us away. Drawing on the experience of dozens of saints, Fr. Plus explains sure ways we can recollect ourselves before prayer so that once we begin to pray, our prayers will be richer and more productive; he teaches us how to practice interior silence habitually, even in the rush and noise of the world; and he explains each of the kinds of prayer and shows when we should — and should not — employ each. As humans, our minds are limited and it's generally hard for us to pay attention to more than a few things at once. That's why most of us aren't able to think of God or pray while we fulfill any but the most mindless of our daily duties. No problem. For such busy occasions (which constitute most of the time for most of us), Fr. Plus explains how we can pray without words by keeping our wills united to God even when our minds must be directed elsewhere. In other words, *How to Pray Always* is one of those rare books that actually fulfills the promise of its title. It helps us become better Christians by showing us how to know, to love, and to serve God, and to live prayerfully and constantly in His loving presence.

Pray All Ways Edward M. Hays,2007 This new edition of Hays innovative book on prayer provides a unique interpretation of the biblical command to pray always--a call to pray creatively, at all times, and in every circumstance.

*Collection of Prayers* Lissette Trahan,2020-09-22 THE BEGINNING Genesis 1:1 In the beginning God created the heavens and the earth. The universe had a beginning. Before God spoke it into creation, there was no universe, no planet earth. The sense of how small we are, how fragile the earth is shows me the creator in all his power and glory. Looking at the stars and galaxies and the order throughout the universe makes us realize that there is a designer. There is a God holding it all together. As we search for meaning, we can know that there is a God in control. We are alive, a speck, in this huge universe, but we are not alone. Prayer # 1 One clear night I looked up and really saw the stars, the galaxies. the huge universe and I felt awe. Then I read in the Bible: "The Heavens Declare the Glory of God; the Skies Proclaim the Work of His Hands." Psalm 19:1 I look at our small planet. It is the size of a grain of sand compared to our universe. How can I not believe that there is a God holding it all together? Let me never forget, Lord, to stay in awe, to say WOW! At the beauty of nature, when a baby is born, how we are suspended in this vast universe. The human spirit longs to experience awe. The ability to awe is the first step of faith. Thank you, Lord, for giving us a life full of awes. Give me the ability to recognize beauty and truth when I see it. Holy Spirit, let me always be open to your promptings---convict me when I am blind and deaf to your guidance. Give me discernment to know evil; if I go the wrong way, help me to quickly turn and repent. Don't let me become spiritually deaf, keep me aware and sensitive so that I will always obey and follow your leading. When I believed and received by your grace my salvation, that was the beginning of my spiritual journey. My soul awoke as from a deep slumber. I felt your love and I loved you in return. Now I cannot live without it.

**Pray Always** Anthony Lee Ash,2008-04 Join with author Anthony Ash in this thoughtful consideration of the role of prayer in our Christian lives, and be prepared to think about prayer in new ways that will enrich your experience of this gift. Christians often talk about prayer as something we all practice and understand, but how often do we really stop to consider what we're doing and how we're approaching prayer? In *Pray Always*, Anthony Lee Ash brings his long career in biblical studies to bear in pushing beyond the platitudes by carefully working through the New Testament and articulating questions the biblical text raises. Some of these questions include: [[What does prayer require of us? [[How anxious is God to answer prayers? [[What can we learn from the prayers of Jesus? [[How should we pray for the sick? [[How can the public prayers of the church be improved? Anthony Ash works from the conviction that prayer is one of God's greatest gifts to humans, empowering them to do and be what God has designed.

**We Get There by Walking** Paul Alcorn,2019-04 The fall after I graduated from college, I spent a month living at a contemplative retreat center in high desert outside of Sedona, Arizona. Silence was the order of the day...and of the night. Those who lived or stayed at the center spoke only at meals or to give instructions for the daily work we did to maintain the center, and during our morning and evening worship services. The rest of our time was spent in silence. In the entrance to the retreat center's common space hung a banner with these words: Pilgrim, there is no way. You make it by walking.
