Edge of the Map Pilgrim Tyne,2013-10-12 I can't tell you my name. I can't tell you where I live. I can't tell you who I work for, or any details about the people with whom I work. Because where I live, my line of work is not exactly legal. But if you can pardon the vagueness, I have a story for you. Edge of the Map is a memoir of the calling and adjustment, success and failure of our first year as missionaries to a closed country in the 10/40 window. It tells the story of how my family and I lived out the challenges and blessings of the lives we tried to lay down for Jesus. It is the book I would have wished for, had I known the right questions to ask. How do I know that I'm called overseas? How do I move beyond callousness and distraction? What do I do once I've accepted a call to the nations? What issues arise after I step into my calling? How do I go about resolving those issues? Edge of the Map speaks to these questions in hopes that our journey to a closed country will help nudge the souls of a young, poised generation toward the calling God is whispering over their lives.

Vision Map Joel Malm,2014-10-01 Is there a gap between you and your dream? A few years back, Joël Malm had the idea to lead people on outdoor expeditions with a spiritual, God-centered focus. Following God's lead, he created a vision map, started his organization, and made it happen. This book is a response to the question he often gets: How do you do something like that? Whether you want to start a business, raise a family, run a marathon, plant a church, restore a relationship, or climb a mountain, you can take practical steps to see your vision come to be. Vision Map is not a formula for overnight success, but it is a template to start anyone on the path to envisioning a God-given dream. God often gives us a difficult problem to solve, and we just need a push in the right direction to find the answer.
