Time to Pray Maha Addasi, 2021-11-16 A visit with Grandmother in the Middle East is always special for Yasmin, but this time it is even more so in this picture book about faith and family. On her first night visiting her grandmother, Yasmin is wakened by the muezzin at the nearby mosque calling the faithful to prayer. She watches from her bed as her grandmother prepares to pray. During her stay, Yasmin's grandmother makes her prayer clothes, buys her a prayer rug, and teaches her the five prayers that Muslims perform over the course of a day. When it's time for Yasmin to board a plane and return home, her grandmother gives her a present. When Yasmin opens the present when she gets home, she discovers a prayer clock in the shape of a mosque, with an alarm that sounds like a muezzin calling the faithful to prayer. Maha Addasi's warm and endearing story, richly illustrated by Ned Gannon, is the recipient of an Arab American Book Award, Honor Book. Featuring text both in English and Arabic, this is a perfect title for children learning more about Middle Eastern cultures and language.

The Complete Works of Zacharias Tanee Fomum on Prayer (Volume 2) Zacharias Tanee Fomum, The Complete Works of Zacharias Tanee Fomum on Prayer (Volume 2)" contains the following books: 1) The Art of Intercession 2) The Practice of Intercession 3) Practical Spiritual Warfare Through Prayer 4) Life-Changing Thoughts on Prayer (Volume 1) 5) The Overthrow of Principalities and Powers 6) The Prophecy of the Overthrow of the Satanic Prince of Douala 7) The Prophecy of the Overthrow of the Prince of Cameroon Having left the ABCs of prayer behind, this volume deals with the intricacies of intercession, spiritual warfare, and the overthrow of satanic princes ruling entire nations behind the scenes. It tackles both the art and practice of intercession. Simply put, intercession is both the art and practice by a righteous, blameless, and absolutely consecrated person, to accept, stand in the gap, and defend a person or people that God has targeted for destruction due to their brazen and sustained violation of His will. The Lord's response to Moses' intercession and entreaty for the children of Israel was swift and dramatic. The Bible says, "Then the Lord relented and did not bring on his people the disaster he had threatened"(Exodus 32:14). That was intercession in both its art and practice. So many advanced believers in Christ don't even believe that satanic princes exist. They exist. They are so real, so devastating in their work and so strangulating in their grip of people and their affairs, that you can only ignore them to your own undoing. Daniel battled these satanic princes all his adult life in exile in the Babylonian, Persian, and Median realms. He did so through strategic, prevailing, and sustained prayer and fasting (Daniel 10:1-21; 11:1). He battled in prayer and fasting until the satanic princes of Persia and Greece, which were opposing God's purposes, were

overcame, overturned, and overthrown. We send this second prayer volume out with a cry to the Lord that He should use it to teach the church of the Firstborn the intricacies of intercession and spiritual warfare. In this age of atheism, agnosticism, humanism, espionage, robots, sophisticated gadgets, and the Internet, there was never a time we needed intercession and spiritual warfare like now.

JOY OF PRAYER Stephen Nielsen,

The Bro Code of Saudi Culture Abdul Al Lily, 2018-09-01 Every culture is governed by an internal code of conduct, and this publication captures the code of Saudi culture. Most Saudi norms have long been unwritten and only orally communicated among citizens. As a result, visitors to the country have been unable to read about these norms. For this reason, this book spells out these norms in bold print. It provides bite-sized descriptions of 'the Saudi'. It is informed by around 2,000 interviews with Saudis and expats. It is the first to talk about the culture in a purely descriptive (and therefore non-judgemental) manner. Writings about Saudi culture tend to be too serious; however, this publication is meant not to be taken too seriously. It is, rather, intended to be entertaining (and, surely, informative). It is written mostly on the toilet (and is, likewise, meant to be read on the toilet). It avoids being biased, recording both 'negative' and 'positive' norms. It tries to avoid using such sensitive words as 'religion' and 'politics', considering that it is written entirely for cultural orientation (not for religious or political matters). The book is the first to be written by a male Saudi who was born and raised in the country, who is still based there, who is a former officially-recognised 'imam' (i.e. a worship leader) and who comes from a working-class family. Yet, he is a traveller, professor and Oxford graduate. He has been with people from different ethnicities. He has published in different languages and with globally known publishers. Hence, he has shown an ability to communicate with international readers and convey information to foreign mentalities.

Hamilton, 2012-02 "As heat and pressure make diamonds out of coal, so pain and prayer have made this book a priceless gem." –Robert Owens Scott, Editor in Chief, Spirituality and Health As fixed-hour prayer gains in popularity among Christians of all persuasions, it is only natural that they should want to adapt this ancient practice to particular life circumstances. Drawing on her own experience of losing her young husband to cancer, in this poignant offering, Lisa B. Hamilton accommodates the practice of fixed-hour prayer for those who mourn.
