The Tabernacling Presence of God Susan Booth,2015-09-18 Although a large majority of believers agree that they should share their faith, most report that they, in fact, do not. That's not really all that surprising given today's pluralistic cultural setting. But maybe this same culture's longing for transcendence, community, and a place to call home points to a backstory that makes sense of it all. If such a narrative exists, it deserves a hearing, and those who know and live this story have both the responsibility and privilege of sharing its message of hope. The narrative of the Bible tells just such a story where God's purpose from the beginning has been to dwell--or tabernacle--in the midst of the people he has created. This book traces the theme of God's tabernacling presence across Scripture, reading the story afresh through a missional lens in order to gain insights for mission and gospel witness. The hope is that readers will awaken wide-eyed to the wonder of God's tabernacling presence in our midst, that we will live in such a way that others recognize this reality, and that we will boldly and joyfully share the good news of Jesus under the direction and power of his indwelling Spirit.
