*Curious George Adventures in Learning, Kindergarten* The Learning Company,2015-01-13 Curiosity leads to learning! Curious George Adventures in Learning is a researched series for early learners. It was designed by Houghton Mifflin Harcourt, a global leader in education serving 60 million students worldwide. Each workbook features 12 new mini-stories that provide context for math, reading, and science practice. These stories give children authentic learning experiences that naturally inspire curiosity. Children are more motivated to ask, learn, and retain information when they learn through stories. In the Kindergarten workbook, your child will strengthen foundational skills in math, literacy, and science. Extend counting to 100, identify solid shapes, add and subtract within 10, and distinguish between upper- and lowercase letters. The workbooks also integrate social and emotional activities to support whole child development. And they're mapped to the Common Core, providing valuable reinforcement of the concepts they learn in school.

*Hands on Preschool Programme - Activities for Amazing Children Book 4 Week 16-20* Catherine Gillatt,2016-04-02 Have you ever wondered if your child is ready for school? Are you tired of handing out worksheets to have them returned incomplete or scribbled on? This book will not only provide activities that will provide opportunity to create a smooth transition to school for your child but they will not sit and complete worksheets they will be involved in hands on activities. This book is the fourth of five in the series each outlining the New Zealand early childhood curriculum as well as links to the school key competencies. Each book contains over 35 activities, how to techniques, printable options, benefits of each activity and learning outcome prompts for learning stories. these can be printed out each time you attempt the activity or you can laminate them to make a durable resource to use over and over again. My books provide both the theory and the practical means to create learning, hands on activities for children. My books can be used by parents new and experienced teachers for ideas, activities and prompts for learning stories for children's profile books. This book is a complete resource, for ideas, techniques, program planning, print outs for children nearly at school age as much as it is adaptable to children with special needs or young toddlers. This so adaptable you will find yourself returning to it time and time again.
